## **Riding The Nightmare:**

Riding the Nightmare Lisa Tuttle, 2023-08-22 Over the past few decades Lisa Tuttle has quietly established her place as one of today's very best writers of weird and horror fiction. Her previous collection *The Dead Hours of Night* was a finalist for the Bram Stoker Award and now she is back with this new volume containing twelve more unsettling tales. In *Bits and Pieces* a woman is surprised to find her lover has left behind his foot in her bed but it's only the first of many macabre mementoes. *The Wound* tells of a platonic friendship between two male coworkers that begins to turn into something very different when one of them notices he has started to bleed. The protagonist of *The Hungry Hotel* is contacted years later by an old one-night stand and goes to meet him at a strange hotel with unforeseen consequences. These and nine other weird and often frightening tales showcase Lisa Tuttle's unique ability to disturb and unnerve her readers. This collection also includes the rare novella *The Dragon's Bride* newly revised and expanded for this edition and an introduction by Neil Gaiman who has called Lisa Tuttle the finest practitioner of unsettling fiction writing today. Riding the Nightmare Selma R.

Williams, Pamela Williams Adelman, 1992 The author shows how myths, folk art and church dogma and politics linked up during the craze that sent as many as a million people, 90% of them women, to the gallows. *Riding the Nightmare* William W. Johnstone, J.A. Johnstone, 2022-09-27 The latest action-packed installment in the national bestselling Western authors William W. Johnstone and J.A. Johnstone's entertaining Duff MacCallister series. Johnstone Country: Where every day is a good day to die. Duff MacCallister left Scotland to forge a new life in America, raising cattle on the western plains of the growing nation. But keeping his dream alive means facing off against the country's most violent, bloodthirsty men. The Spencer family is part of a wagon train passing through Chugwater, Wyoming, bound for the valley of Longshot Basin. Unfortunately, the trail that leads there has been buried under an avalanche. The only route the homesteaders can take is the infamous Nightmare Trail, a treacherous, terrifyingly steep and narrow mountainside path that has claimed many lives. If that wasn't dangerous enough, the trail is also a killing ground for the outlaw Hardcastle gang. The disreputable Arkansas Ozark clan doesn't take kindly to anyone trespassing on their road without paying in blood. Duff MacCallister is not about to let the Spencers ride the Nightmare Trail without his guidance. He knows the terrain. He knows how to defend himself. And he knows that when it comes to badmen like the Hardcastles, the best defense is killing first and fast. Live Free, Read Hard. Riding the Nightmare William W. Johnstone, J.A. Johnstone, 2022-09-27 Duff MacCallister brings Highland justice to the new American frontier when he joins a wagon train headed for trouble in this explosive installment from the USA Today bestselling spin-off of the blockbuster *Eagles* series from William W. Johnstone and J.A. Johnstone, the Greatest Western Writers of the 21st Century. Duff MacCallister left Scotland to forge a new life in America, raising cattle on the western plains of the growing nation. King, 2020-02-29 I thought I had faced my biggest fear sixteen years ago when I returned the favor of killing Torryn for murdering my father and killing my friends I had no idea what fear looked like until now Sixteen peaceful years have passed since Nesrin Soter had unmasked the killer of her father and friends Now after two kids moving back to the states and living life away from the MC world Nesrin is facing her biggest fear yet When her daughter Delphine goes missing in broad day light Nesrin has to return to her roots as a brutal assassin for the MC Sleeping Devils With her 1911 PT Taurus in hand and her husband Zayne Vania by her side Nesrin will have to race against the clock to save her daughter s life while maintaining her new and improved life Will Nesrin be able to finally ride away from the dangerous life she had only just begun to put behind her or will she take her final ride to the grave Find out in Riding for Fear

**Riding to Camille** Mary Buford Hitz, 2013-11-19 I have been fascinated by the backlash from Hurricane Camille in Nelson County ever since it happened August 19th 1969 How COULD 29 inches of rain fall in 5 hours which NOAA says is close to both the physical and theoretical limit of the possible In the heart of the county I care deeply about lives were eclipsed and landscapes devastated in the blink of an eye So a combination of fascination love and a too vivid imagination pulled me into writing a novel set during the backlash of Hurricane Camille These characters are fictional but what happens to them comes right out of the histories recorded at the time I am passionate about horses so naturally the horses in this book have personalities too They and their

riders take off on a camping trip in the Blue Ridge Mountains ignorant of what they are riding towards A just ignited love affair between the outfitter Sam and his summer intern Lisl is a secret held from Lisl's Swiss boyfriend who has come with her for the summer but not from Sam's wife Elsie whose peculiar upbringing has left her in a self-protective cocoon of apathy The guest riders bring their own anxieties pre-dispositions and luckily courage Sam is a headstrong impatient leader who tangles with Lenore a writer who has come on the trip to write an article about it When Meg another guest breaks her leg the group must separate in order for Sam to get her back to civilization The storm hits and Lisl finds herself in charge of the remaining riders and horses She gets in trouble trying to rescue the horses and Elsie is presented with a terrible choice while trying to rescue Lisl When Sam catches up to them no one knows who is alive and who is dead and Sam himself is a changed man from what he has witnessed while separated from the group There isn't anyone in this story who comes out of the experience of this ride the person they were when they went into it They have witnessed horrors that will take them a lifetime to absorb and have come face to face with the knowledge of how insignificant human life is in the great scheme of geologic time

**Riding the Line** Rex Taylor, 2012-10 Riding dirt bikes solo in remote areas is not conducive to safety The two most basic rules of safety are don't go out alone and always tell someone your itinerary But most of the time Rex Taylor rode alone That greatly increased the danger but simplified his logistics And it was just not possible to tell anyone his plans because he rarely had more than a general idea himself of his route or destination The risks were worth the thrill of riding a high-powered machine across landscapes of unsurpassed natural beauty in total isolation He could rely on nothing but pluck and a lot of luck And his luck held to an unlikely degree A flat tire a broken bike part a broken body part or running out of gas could have meant disaster or death But he tried not to think about that too much
