Right Destination Wrong Road:

The Way of the Ant Ikechi Ahamefule Nwogu (KSC), 2016-08-26 Man as a creature is superior to other lesser elements of our ecosystem Superior in wisdom mannerism conduct and lifestyle and should of course instruct all nature in terms of leadership and dominion It becomes amazing however that ALMIGHTY MAN would be asked to stoop so low as to GO TO THE ANT CONSIDER HER WAYS AND BE WISE Proverbs 6 6 This rather imposing statement clearly spotlights the ant as tiny and frail as it is as an unusual agent of wisdom an embodiment of strength and a master of leadership coordination Our study of the ant presents some strong lessons to us on the preferred approach to life and judgement of issues in a way that will inspire the much needed change in our own thought process and overall view of life We will learn from the ant that life is about determination and the will to push through against all odds until we succeed We will acquire the never give up spirit of the ant we will cast less blames on our poor states of being our nation background and ecology for our present outcomes in life and we will develop a strong determination from within to try again and never retreat or surrender until we win The Way of the ANT is a book on National Transformation by mindset reengineering It is a book that will get us to see things from a standpoint of personal responsibility and collective positive delivery towards communal rebirth and social emancipation We each constitute a tiny part of our larger society and each individual must endeavour to play his her role and well enough to create the appropriate societal linkage that will eventually constitute grounds for national growth and global enhancement We are important We must create value We should not just exist but rather live in such a way that our own endpoints in life will stir up sufficient motivation in the man next door to effectively champion his own course to natural excellence This is the way of the ant *Public hearing of the U.S. National Alcohol Fuels Commission* U.S. National Alcohol Fuels

Commission, 1980 **Assurance in Christ's Weeping** Kwasi Ofori-Tano, 2011-02-25 This book reveals the humanity of Christ and also brings into view the tremendous love of Christ in whom there is newness and inheritance of life eternal This book also shows the love Christ has for all people and unfolds Christ's great compassion which is at each person's disposal in times of adversity trials tests and persecution The book also provides every person a picture of Christ's sincere love care and compassion and also of His desire to see all prosper not only spiritually but also in having all their needs met being sustained and even receiving more than they expect *God Alone Is the Truth and the Way* Frederick Mahan, 2008-07 Many people are unsure about how to live righteously in today's uncertain world where morals are rapidly declining *God Alone Is the Truth and the Way* is a step by step guidebook that will reveal the cause and effect of the lies we believe teach you how to take the blinders off change your way of life and live with a sense of peace America and Americans are making the same fatal flaws that signaled the demise of Rome and the Romans and other once prominent Western civilizations Author Frederick Mahan attributes affluence prejudice and the seven deadly sins to the deterioration He analyzes the fall of other Western civilizations and compares the phenomena with what is happening in America today Mahan then calls on insight from history

religion literature and philosophy He cites gifted contributors who share the truths about love marriage democracy and freedom and shares personal accounts of his own spiritual failures and successes He ultimately invites and motivates you to explore a relationship with God personified in Jesus Christ This ultimate survivor s manual will show you the way to live in an ever changing and faithless world with a sense of direction and purpose and a genuine peace of mind *Animals' Defender and Zoophilist* ,1905 *Shift* Abby McDonald,2020-02-04 If we want to see God in the midst of our struggles we have to change the way we look for him There is no denying that miracles answers to prayer and abundant blessings testify to God s presence When the desires of our hearts are filled it s easy to see him But what about the seasons when he seems invisible Scripture tells us God never sleeps but it is easy to feel like he is not attuned to our needs Shift explores the life changing truth that when we adjust our lens to focus our eyes on God rather than on what we wish we were seeing in our lives he reveals himself to us In fact those moments when he seems invisible to us are often when others see him the most in us When Jesus walked the earth he looked to God for his earthly needs Jesus had deep a relationship with the Father that fueled his mission his purpose and his effectiveness Scripture tells us that we can have that too But there is a shift that needs to take place in our hearts and minds No matter our circumstances we can see God in our lives right here right now *Around the Word in 365 Days* Linda Sommer,2002 For decades the popular One Year Bible has guided many believers on their annual journey through the Word of God Now a companion book joins the journey Here is a daily devotional that offers spiritual insight into selected passages of Scripture assigned for every day of the year In just minutes a day you ll gain a deeper understanding of God s Word through inspirational stories and teachings linked to each day s Bible reading You ll draw closer to the Lord as your faith grows through this unique personal Bible study one that fits into even the busiest schedule *Insurance and Financial Gazette* ,1902 *A Hill and the Blue Sky* Kwok Hon Kai,2013-08 It is about a boy who went through an extraordinary childhood surviving the Japanese occupation of Penang He encountered a strange event during that time He heard the bleating of a kid goat that died three days before It could be called a vision or a calling but thus the event influenced the rest of his life Though not born of Christian parents he embraced Christianity when he came of age He was unexpectedly called to holy office and ordained as a priest of the Anglican Church He was also unexpectedly sent to China by the Asia Pacific Telecommunity in 1986 to lecture in Rural Telephone Development It was at a time when all Malaysian Chinese around his age were barred from visiting China The story ends with his unexpected meeting of the Queen of England at the Cathedral of St Mary the Virgin Kuala Lumpur in October 1989 **365 Inspiring Life Lessons to Empower Your Mind** Gift Gugu Mona,2020-12-16 The mind is the engine that propels every human being When effectively utilized it can enable you to tap into unseen places and experience greatness What you feed your mind is more important than what you eat on a daily basis You can consume the most nutritious food but with a starving mind you will still struggle to maintain your well being A well fed and healthy mind leads to a healthier life An inspired mind is without a doubt a necessity for a
