Campbell,2010-04-13 Planning and text selection are important ingredients in a preacher s work Saturday night specials sermons out of a frantic search for a scripture passage and possible message are all too familiar with many Lack of a systematic approach will exhaust the preacher and weaken one s pulpit ministry This book can be a help to those who want to be faithful preachers rightly handling the word of God *Money is Everything* Herb Miller,1994 **Don't Shoot the Horse, ('til You Know how to Drive the Tractor)** Herb Mather,Herbert Mather,2003 Mather uses wit and humor to show how congregations can move from a dying system to one that thrives in stewardship and mission **More Money, New Money, Big Money** Wayne C. Barrett,1992 Are you and your finance committee looking for new sources of income to fund the ministries of your congregation In this follow up to his best seller *The Church Finance Idea Book* Wayne C Barrett shows that every congregation has significant sources of new and untapped income **Window** ,1998 **Hello! faith in crisis a spiritual government in crisis and belief systems that He did not authorize or sanctify in the name of Jesus Christ The church had suffered under the hands of many spiritual butchers slicing and dicing faith this way and that Each area of spiritual exploitation has had a catastrophic and blinding influence on all facets of Christian life Believers were led into a very confusing era Ministers were constantly rehashing faith programs as they sorted out their own failings reducing covenant to a psychology Ideas were tabled as quickly as they were introduced Thankfully the church has now entered into a new apostolic era God has restored His true culture of faith and heritage to the church helping believers understand once again the apostolic authority calling and anointing
