Crisis and Leviathan Robert Higgs,2025-10-07 Crisis and Leviathan is Higgs masterwork on how government grows in size scope and power in response to real or imagined crises From war to economic upheavals government overreach endures long after each crisis has passed impinging on civil liberties and fostering extensive corporate welfare Few topics are as timely as the growth of government To understand why government has grown Robert Higgs asserts one must understand how it has grown This book offers a coherent multi causal explanation guided by a novel analytical framework firmly grounded in historical evidence More than a study of trends in governmental spending taxation and employment Crisis and Leviathan is a thorough
