Rings Of The Templars:

Rings of the Templars B. Eugene Ellison, 2002-08-22 In the Rings of the Templars Jim Kirkwood a self indulgent and at times unsympathetic profiteer joins forces with the Chief of a Scottish Clan and a beautiful Archeologist in search of lost treasure in the snow covered highlands of Scotland Hidden for over five hundred years the treasure reaches back into biblical times and contains truths that if rediscovered would unravel the fabric of the Christian era Betrayals and lies attempts to derail his quest as the grave of an ancient Knight surrenders the encrypted keys setting the stage for deception murder and the greatest archeological find of all times

Templars in Bologna: A Multidisciplinary Approach

Giampiero Bagni, 2024-03-12 This book is the first to use a multidisciplinary approach to study the Knights Templars of Bologna Italy Archaeological scientific historical and archival sources are combined to consider the Templars in the context of Bologna s growing economic and political power during this period A complete picture of urban and suburban Templar properties in Bologna is provided detailing lucrative activities such as Templar land use agricultural innovations and wine production Because the Crusades were influential in this era and directly impacted the urbanization of the city the Bolognese Templars are also studied in relation to the five other military orders in Bologna including the understudied Crucifers and Knights of the Blessed Virgin Mary Many formerly unexplored historical and archival sources are integrated with scientific data from this project s archaeological excavations and architectural surveys of the Templar House in Bologna allowing for its precise dating and the development of an architecturally accurate 3D film reconstruction of this property Particular attention is also given to the Order s rise and fall under the ecclesiastical governance of the archbishops of Ravenna as well as the Templar trial conducted by Archbishop Rinaldo da Concorezzo In addition the biography of the famous Templar brother Peter of Bologna is explored due to his considerable impact on the events of the Templar trial of 1310 While many Freemasons believe Peter of Bologna escaped from the Paris trial and went to Scotland in 1313 bringing information crucial to that organization s founding the research included here suggests that Peter returned to Bologna instead serving as a Hospitaller until his death in the city in 1329 This book therefore suggests alternative conclusions regarding Peter of Bologna s death and legacy based on the latest available interdisciplinary research

 Raymond,Nancy Maxwell,2012-05 Ring of Destiny invites its readers to open their minds to go beyond stereo typical thinking
 and to explore the possibilities that time does not exist that there is a physiological reason for memories from previous
 generations and that visits from extraterrestrials may account for much of what is assumed under traditional religious beliefs
 Ring of Destiny portrays the life of a psychologist who has dared to think out of the box and who has come upon theories that
 suggest a new world is in the making Unscrupulous CIA agents realize the political significance of the psychologist s theories
 and the ancient artifact he and his partner in this adventure Monica Strove have discovered The mystery and intrigue that

unfold will take the reader on an exciting journey The story weaves in and out of time periods holding the reader s interest throughout The book also communicates historical facts about Napoleon and the political and social conditions in France during the Napoleonic period Ring of Destiny will provide the reader with the intrigue of a mystery novel insights into psychological thinking Carl Jung s theory of the collective unconscious the internal struggles of a psychologist immersed in the pain of his patients the debate of reincarnation versus the collective unconscious and knowledge about the Napoleonic period The build up of intrigue continuously leaves the reader wanting to know what comes next turning it into a genuine page turner

Knights Templar in Britain Evelyn Lord,2013-12-19 The Knights Templar In Britain examines exactly who became knights what rituals sustained them where the power bases were and how their tentacles spread through the political and economic worlds of Britain before their defeat at the hands of the Inquisition some two hundred years later Founded in the early twelfth century the mysterious Knights Templar rose to be the most powerful military order of the Middle Ages While their campaign in the Middle East and travels are well known their huge influence across the British isles remains virtually uncharted For readers interested in Medieval History *Finger-ring Lore* William Jones,1898

Sacred Sites of the Knights Templar (Nipb) , All across the continent of Europe massive stone monuments erected by a prehistoric culture can be found These megalithic stones resisting centuries of weathering or assaults by modern men are all that remain of a society that has been erased by time Stonehenge is the most familiar of these megalithic monuments but in fact represents only one of many similar sites Who were the people who built these monuments Why were these stones significant to them Sacred Sites of the Knights Templar examines sacred megalithic sites across the globe such as Stonehenge and Rennes le Chateau revealing the astronomical significance of these sites as well as the secrets that significance bore to the Knights Templar This revolutionary book offers a new explanation for two main subjects The distribution and meaning of the megalithic monuments of Europe which were constructed to commemorate astronomical events Evidence for a continuing and hidden philosophy based on ancient astronomy maintained in secret by the Knights Templar and in turn by the Freemasons The author offers theories regarding these sites their meanings their secrets their lasting impression on the Western World and their sacred symbolic influences on Freemasonry throughout history

The Knights Templar in Popular Culture Patrick Masters,2022-02-25 From the Arthurian epic poem Parzival to Dan Brown s The Da Vinci Code Indiana Jones and the Last Crusade and the Assassin s Creed video game series the Knights Templar have captivated artists and audiences alike for centuries In modern times the Templars have featured in many narrative contexts evolving in a range of contrasting story roles the grail guardian the heroic knight the villainous knight and the keeper of conspiracies This study explores why these gone but not forgotten warrior monks remain prominent in popular culture how history influenced the myth and how the myth has influenced literature film and

video games The Templar Meridians William F. Mann,2006-01-23 Reveals the true nature of the secret science the Templars discovered in the Holy Land that was the key to their power Shows the cartographic knowledge that allowed the Templars to cross the Atlantic and establish settlements in the New World Explains the connection of the Templar meridians to the journey of Lewis and Clark Shows the role played by secret societies in the establishment of the United States The most enduring mystery surrounding the Templars concerns the nature and whereabouts of their great treasure Whereas many believe this lost treasure contains knowledge of the bloodline of Christ William F Mann shows that it actually consists of an ancient science developed before the Great Flood knowledge discovered by the Templars in the Holy Land during the Crusades and still extant today in Templar Masonic ritual Among other things this knowledge enabled the Order to establish accurate latitudinal and longitudinal positions long before the foundations of the current science were laid in the seventeenth century This allowed them to cross the Atlantic to reach the New World where they established secret settlements and mining operations that gave them a limitless supply of precious metals and a military edge over their opponents Pursued farther into the interior of the North American continent by their adversaries from the Old World the Templars left artifacts relics and information caches at key sites confident that future initiates could use their understanding of the science of meridians and ley lines to locate them The author points out that not only did future masons such as Jefferson and Washington use this science as the basis of their designs for Monticello and Washington D C but the true motive of the expedition of Lewis and Clark was to identify the meridians mapped by the Templars and to search for the final resting place of Prince Henry Sinclair where the great Templar treasure could also be found Addison Cooke and the Ring of Destiny Jonathan W.
