important crossroads of the Western Hemisphere      Highway A1A Herbert L Hiller, 2005-10-04 Highway A1A Florida at the Edge is more than an insightful guide to the cities and towns along Florida's Atlantic coast. It is also the dramatic story of how tourism begat development, how development begat sprawl, and how this coastal corridor almost out of the blue created Florida's original year-round residential downtowns with the power to transform how Floridians live and how the world vacations in the Sunshine State. Highway A1A is anecdotal, authoritative, humorous, and wide-ranging. Passionately Floridian travel writer and tourism analyst Herbert Hiller offers a fuller and more balanced story about Florida's Atlantic coast than any other guidebook. Exploring towns from Callahan to Key West, Hiller covers Florida's 13 Atlantic counties, providing maps, historical and present-day photographs, and recommendations for places to visit, lodge, eat, and shop that are truly local in character. Whether you're a tourist or a roving Floridian looking for some diversion not far from home, Highway A1A will put you in touch with what makes the Atlantic coast special: its dynamic sites and sights.      *DK Eyewitness Travel Guide California* DK Travel, 2016-08-02 DK Eyewitness Travel Guide California will lead you straight to the best attractions this state has to offer. As recently as mid-century, on the eve of Pearl Harbor, Florida was the smallest state in the South. At the dawn of the millennium, it is the fourth largest in the country, a megastate that was among those introducing new words into the American vernacular: space, coast, climate control, growth management, retirement community, theme park, edge cities, shopping mall, boomtowns, beach renourishment. Interstate and Internet. Land of Sunshine, State of Dreams attempts to understand the firestorm of change that erupted into modern Florida by examining the great social, cultural, and economic forces driving its transformation. Gary Mormino ranges far and wide across the landscape and boundaries of a place that is at once America's southernmost state and the northernmost outpost of the Caribbean. From the capital Tallahassee, a day's walk from the Georgia border, to Miami, a

city distant but tantalizingly close to Cuba and Haiti Mormino traces the themes of Florida's transformation the echoes of old Dixie and a vanishing Florida land booms and tourist empires revolutions in agriculture technology and demographics the seductions of the beach and the dynamics of a graying population and the enduring but changing meanings of a dreamstate Beneath the iconography of popular culture is revealed a complex and complicated social framework that reflects a dizzying passage from New Spain to Old South New South to Sunbelt Ocean Realm ,1989 **DK Eyewitness Travel Guide San Francisco and Northern California** DK Travel,2016-10-18 DK Eyewitness Travel Guide San Francisco Northern California is your in depth guide to the very best of San Francisco and its surrounding area Experience the greatest attractions the region has to offer from strolling across the Golden Gate Bridge to sunning with sea lions on Pier 39 to discovering the city's hottest neighborhoods on walking tours Plus check out the best of Northern California with suggested highlights for Mendocino Napa Valley wine country national parks and more Discover DK Eyewitness Travel Guide San Francisco Northern California Detailed itineraries and don't miss destination highlights at a glance Illustrated cutaway 3 D drawings of important sights Floor plans and guided visitor information for major museums Guided walking tours local drink and dining specialties to try things to do and places to eat drink and shop by area Area maps marked with sights and restaurants Detailed city maps include street finder index for easy navigation Insights into history and culture to help you understand the stories behind the sights Suggested day trips and itineraries to explore beyond the city Hotel and restaurant listings highlight DK Choice special recommendations With hundreds of full color photographs hand drawn illustrations and custom maps that illuminate every page DK Eyewitness Travel Guide San Francisco Northern California truly shows you what others only tell you **New Jersey's Atlantic Shore** Russell Roberts,2011-02-01 This guide a goldmine for residents and visitors alike tells you all about the best amusement parks historic sites cultural attractions beaches boardwalks parks forests and much more plus sections on restaurants hotels and shopping We highlight the OC best betsOCO OCo places where you might like to go and spend a lazy day or an afternoon away from home along with listings for restaurants and accommodations All of the hotels and restaurants are listed here a Is there anyone who hasnOCOt been to or at least heard of the Jersey Shore Famous as the birthplace of the boardwalk cherished as a relaxing getaway for young and old alike and celebrated for its beautiful beaches salt tinged ocean breezes and gorgeous vistas the Jersey Shore is a place where memories are made and dreams are born and sometimes even come true Since it is such a vacationerOCO's paradise the Atlantic coast has the most to do We start with the northernmost Shore county Monmouth and work straight down the coast to Cape May Although these counties revolve around the ocean and summertime look closer they have a lot more to offer than just the beach and boardwalk Sure the beaches are 127 miles of pure enjoyment but there are flea markets historic sites and some unusual attractions such as a zoo for sick and injured animals So if you donOCOt swim dislike seagulls and have a natural aversion to sand fear not You just have to look around and youOCOll discover choices galore at the Jersey Shore DK Eyewitness Travel Guide San Francisco
