

# Rise of Christianity

- Judaea put under Roman rule in 6 CE
- Jews awaited for the Messiah who would liberate them from Roman rule
- After Jesus' death, believers thought he was resurrected
- Paul, a convert, became a missionary set on teaching about Christos

# Rise Of Christianity

**Leif E. Vaage**

## Rise Of Christianity:

**The Rise of Christianity** Rodney Stark, 1996-06-02 Rodney Stark a sociologist by training has written a book that should end much of the Christian bashing occurring in academia Stark demonstrates that Christianity became popular very quickly because it offered its adherents a better faith than competing religions and treated those believers better both physically and spiritually [The Rise of Christianity](#) W. H. C. Frend, 1984-01-01 Traces the early history of the Christian church from Jewish Palestine prior to Christ's birth to the sixth century monastic movement and explains how Christianity survived under a variety of cultures *The Rise of Christianity* Albert Kalthoff, 1907 *The Rise of Christianity* Ernest William Barnes, 2024-02-05 Reprint of the original first published in 1948 **The Rise of Christianity** Don Nardo, 2001 Now one of the world's predominant religions Christianity survived difficult beginnings during a turbulent time in history The authors of the essays in this volume discuss the birth growth and spread of Christianity as well as the problems faced by the early Christians [The Rise of Christianity](#) Kevin W. Kaatz, 2015-12-07 An outstanding resource for high school readers and first year college students this book explores early Christianity from its beginnings in the first century through the fourth century when Christianity went from a persecuted faith to the only legalized faith in the Roman Empire How did Christianity become one of the most widespread religions as well as one of the most influential forces in world history that has shaped politics wars literature art and music on every continent This book contains more than 40 entries on various topics in early Christianity 15 primary documents and 6 argumentative essays written by scholars in the field The breadth of materials enables readers to learn about early Christianity from a number of different viewpoints and to come to their own conclusions about how historical events unfolded in early Christianity This single volume work focuses on the first four centuries of early Christianity including topics on Jerusalem Herod the Great Paul Tertullian Mani The Arians Constantine the Great and many others Readers will be well equipped to answer three critical questions that scholars of early Christianity deal with when they study this period Why was Christianity popular Why were Christians persecuted How did Christianity spread **The History of the Rise and Early Progress of Christianity** Samuel Hinds, 1828 **The Rise of Christianity** Rodney Stark, 1997-05-09 This fresh blunt and highly persuasive account of how the West was won for Jesus Newsweek is now available in paperback Stark's provocative report challenges conventional wisdom and finds that Christianity's astounding dominance of the Western world arose from its offer of a better more secure way of life Compelling reading Library Journal that is sure to generate spirited argument Publishers Weekly this account of Christianity's remarkable growth within the Roman Empire is the subject of much fanfare Anyone who has puzzled over Christianity's rise to dominance must read it says Yale University's Wayne A Meeks for The Rise of Christianity makes a compelling case for startling conclusions Combining his expertise in social science with historical evidence and his insight into contemporary religion's appeal Stark finds that early Christianity attracted the privileged rather than the poor that most early converts were women or marginalized Jews

and ultimately that Christianity was a success because it proved those who joined it with a more appealing more assuring happier and perhaps longer life Andrew M Greeley University of Chicago

**The Rise of Christianity** Rodney Stark, 2020-06-16 A landmark reinterpretation of why Christianity became the dominant faith of the West The idea that Christianity started as a clandestine movement among the poor is a widely accepted notion Yet it is one of many myths that must be discarded if we are to understand just how a tiny messianic movement on the edge of the Roman Empire became the dominant faith of Western civilization In a fast paced highly readable book that addresses beliefs as well as historical facts Rodney Stark brings a sociologist s perspective to bear on the puzzle behind the success of early Christianity He comes equipped not only with the logic and methods of social science but also with insights gathered firsthand into why people convert and how new religious groups recruit members He digs deep into the historical evidence on many issues such as the social background of converts the mission to the Jews the status of women in the church the role of martyrdom to provide a vivid and unconventional account of early Christianity The author plots the most plausible curve of Christian growth from the year 40 to 300 By the time of Constantine Christianity had become a considerable force with growth patterns very similar to those of modern day successful religious movements An unusual number of Christian converts for example came from the educated cosmopolitan classes Because it offered a new perspective on familiar concepts and was not linked to ethnicity Christianity had a large following among persons seeking to assimilate into the dominant culture mainly Hellenized Jews The oversupply of women in Christian communities due partly to the respect and protection they received led to intermarriages with pagans hence more conversions and to a high fertility rate Stark points out too the role played by selflessness and faith Amidst the epidemics fires and other disasters that beleaguered Greco Roman cities Christian communities were a stronghold of mutual aid which resulted in a survival rate far greater than that of the pagans In the meantime voluntary martyrdom especially a generation after the death of Christ reinforced the commitment of the Christian rank and file What Stark ultimately offers is a multifaceted portrait of early Christianity one that appeals to practical reasoning historical curiosity and personal reflection

[Documents of the Rise of Christianity](#) Kevin W. Kaatz, 2019-03-14 An introduction to the history of early Christianity this reference provides roughly 60 primary source documents from the first five centuries of the Christian Era each accompanied by explanatory material Christianity has been one of the most powerful influences on world history and for this reason the world of the early Christians figures prominently in film fiction and popular culture The first centuries of Christianity provided the foundation for the faith institutions of today this book examines the history of early Christianity through its use of primary texts written by early Christians In doing so it helps readers to understand that multiple sects of Christianity competed for dominance and it sheds light on the struggles of early Christians that their differences entailed The book covers the first five centuries of the Christian Era with sections devoted to each century Some 60 primary source documents appear within those sections and each is accompanied by background information This

chronological arrangement helps readers to understand how Christianity evolved over time and it provides insights into the theological debates and persecutions that marked the lives of early Christians and characterized the early Church

*The Patient Ferment of the Early Church* Alan Kreider, 2016-03-29 How and why did the early church grow in the first four hundred years despite disincentives harassment and occasional persecution In this unique historical study veteran scholar Alan Kreider delivers the fruit of a lifetime of study as he tells the amazing story of the spread of Christianity in the Roman Empire Challenging traditional understandings Kreider contends the church grew because the virtue of patience was of central importance in the life and witness of the early Christians They wrote about patience not evangelism and reflected on prayer catechesis and worship yet the church grew not by specific strategies but by patient ferment

**Augustus to Constantine** Robert McQueen Grant, 2004-01-01 This masterful study of the early centuries of Christianity vividly brings to life the religious political and cultural developments through which the faith that began as a sect within Judaism became finally the religion of the Roman empire First published in 1970 Grant's classic is enhanced with a new foreword by Margaret M Mitchell which assesses its importance and puts the reader in touch with the advances of current research

*The history of the rise and early progress of Christianity, comprising an enquiry into its true character and design* Samuel HINDS (Bishop of Norwich.), 1846

**Birth of Christianity** John Dominic Crossan, 1999-04-01 John Dominic Crossan explores the lost years of earliest Christianity the years immediately following Jesus execution He establishes the contextual setting through a combination of literary anthropological historical and archaeological approaches He challenges the assumptions about the role of Paul and the meaning of resurrection and forges a new understanding of the birth of the Christian church Here is a vivid account of early Christianity's interaction with the world around it and of the new traditions and communities established as Jesus companions continued their movement after his death

**Religious Rivalries in the Early Roman Empire and the Rise of Christianity** Leif E. Vaage, 2006-04-21 Religious Rivalries in the Early Roman Empire and the Rise of Christianity discusses the diverse cultural destinies of early Christianity early Judaism and other ancient religious groups as a question of social rivalry The book is divided into three main sections The first section debates the degree to which the category of rivalry adequately names the issue s that must be addressed when comparing and contrasting the social success of different religious groups in antiquity The second is a critical assessment of the common modern category of mission to describe the inner dynamic of such a process it discusses the early Christian apostle Paul the early Jewish historian Josephus and ancient Mithraism The third section of the book is devoted to the rise of Christianity primarily in response to the similarly titled work of the American sociologist of religion Rodney Stark While it is not clear that any of these groups imagined its own success necessarily entailing the elimination of others it does seem that early Christianity had certain habits both of speech and practice which made it particularly apt to succeed in the Roman Empire

**The Rise of Christianity Through the Eyes of Gibbon, Harnack and Rodney Stark** Jan N. Bremmer, 2010 The rise of Christianity up

to the victory of Constantine has often been studied and remains a puzzling phenomenon In this valedictory lecture Jan N Bremmer concentrates on the explanations adduced focusing in particular on the works of three iconic figures from the last two hundred and fifty years The History of the Decline and Fall of the Roman Empire of Edward Gibbon the most famous ancient historian of all time at the end of the eighteenth century Die Mission und Ausbreitung des Christentums of Adolf von Harnack the greatest historian of early Christianity of all time around 1900 and The Rise of Christianity of Rodney Stark the most adventurous sociologist of religion of our times at the end of the twentieth century Bremmer locates their concerns and explanations within their own times but also takes them seriously as scholars discussing their analyses and approaches In this way he shows both the continuities and the innovations in the evolving view which scholarship presents of early Christianity Bremmer's exceptional knowledge of the huge range of scholarship and his humane and balanced judgment make this lecture the ideal introduction to the many problems raised by Christianity's displacement of paganism The Rise of Christianity Albert Kalthoff, 2017-09-14 To the second edition which will certainly be called for of his translation of Kalthoff's Rise of Christianity Mr McCabe should add a page of introduction Here and there the author appears to assume that his readers are acquainted with certain communistic ideas which he has expressed in previous works and as one of the leading ideas of the present work is that the Christian Church is and has always been in principle a communistic body a hint or two as to the author's special standpoint as disclosed in his previous works would be welcome to the average English reader The author approaches his subject from the sociological point of view and consequently sees no need for a personal founder of Christianity Such a founder ceases to be necessary for understanding Christianity in proportion as we recognise in it a great historical development of the whole spiritual life the social and economic religious and moral artistic and scientific life of the race The single individual as founder comes under consideration only in so far as the active forces of his age are embodied in him and historical science still has the task of gathering the ideas of the master from the context of his age In three interesting chapters the author studies the preparation for Christianity in the Roman Empire in Greek philosophy and in Judaism He finds much of the social and political atmosphere of the Synoptical Gospels rather in Rome than in Jerusalem for example the tax gatherers the debtor who lies in jail until he pays the last farthing the higher slave set over others by his master etc As to Greek philosophy it was this that developed the theological and ethical consequences of monotheism and thus led directly to the dogmatic and ethic of the Church The platonic duplication of the World makes it needful to find some mediator between the supramundane God and the material world Moreover the Stoic philosophy re appears in the Christian system Zeno contemplated a great social world state in which all men are united in an ideal community by the natural law of reason Judaism supplied the Messianic doctrine Messiahism is the very soul of the religious history of Israel Its roots go back into prehistoric times etc It culminates in the Jewish apocalyptic literature The connecting link between this apocalyptic otherworldliness and reality is communism which forms the economic background of the Apocalypse Perhaps the most

interesting chapter in the book is that on The Communistic Clubs in which the religious associations that formed so important a feature in Greek and Roman life are regarded as the origins of the Christian communities We have not space to follow our author through his chapters on the Christian Community the Christian Church and the Future of Christianity except to note that the conclusion he arrives at is that the future of Christianity depends on whether the way is left open for its natural development for its Christ to grow with our ever deepening and broadening life The Westminster Review Volume 168

**Jesus and the Rise of Early Christianity** Paul Barnett, 2002-04-17 Paul Barnett not only places the New Testament within the world of caesars and Herods proconsuls and Pharisees Sadducee and revolutionaries but argues that the mainspring and driving force of early Christian history is the historical Jesus

**Greek Thought and the Rise of Christianity** James Shiel, 1968 This series is designed to study problems in preference to periods Each volume will contain sections dealing with historiography documents and a consideration of the wider issues although the balance between the three will vary in each case This approach encourages the student to deal in his own way with the problems raised by historical documents and the historiography of the issues in question and he is made aware of the wider perspectives of history

**A Star in the East** Rodney Stark, Xiuhua Wang, 2015-05-02 What is the state of Christianity in China Some scholars say that China is invulnerable to religion In contrast others say that past efforts of missionaries have failed writing off those converted as nothing more than rice Christians or cynical souls who had frequented the missions for the benefits they provided Some wonder if the Cultural Revolution extinguished any chances of Christianity in China Rodney Stark and Xiuhua Wang offer a different perspective arguing that Christianity is alive well and on the rise Stark approaches the topic from an extensive research background in Christianity and Chinese history and Wang provides an inside look at Christianity and its place in her home country of China Both authors cover the history of religion in China disproving older theories concerning the number of Christians and the kinds of Christians that have emerged in the past 155 years Stark and Wang claim that when just considering the visible Christians those not part of underground churches thousands of Chinese are still converted to Christianity daily and forty new churches are opening each week A Star in the East draws on two major national surveys to sketch a close up of religion in China A reliable estimate is that by 2007 there were approximately 60 million Christians in China If the current growth rate were to hold until 2030 there would be more Christians in China about 295 million than in any other nation This trend has significant implications not just for China but for the greater world order It is probable that Chinese Christianity will splinter into denominations likely leading to the same political social and economic ramifications seen in the West today Whether you re new to studying Christianity in China or whether this has been your area of interest for years A Star in the East provides a reliable thought provoking and engaging account of the resilience of the Christian faith in China and the implications it has for the future

The book delves into Rise Of Christianity. Rise Of Christianity is a vital topic that must be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Rise Of Christianity, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:

- Chapter 1: Introduction to Rise Of Christianity
- Chapter 2: Essential Elements of Rise Of Christianity
- Chapter 3: Rise Of Christianity in Everyday Life
- Chapter 4: Rise Of Christianity in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, this book will provide an overview of Rise Of Christianity. This chapter will explore what Rise Of Christianity is, why Rise Of Christianity is vital, and how to effectively learn about Rise Of Christianity.
3. In chapter 2, this book will delve into the foundational concepts of Rise Of Christianity. This chapter will elucidate the essential principles that must be understood to grasp Rise Of Christianity in its entirety.
4. In chapter 3, the author will examine the practical applications of Rise Of Christianity in daily life. The third chapter will showcase real-world examples of how Rise Of Christianity can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of Rise Of Christianity in specific contexts. This chapter will explore how Rise Of Christianity is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about Rise Of Christianity. This chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Rise Of Christianity.

### Rise Of Christianity Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to

historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Rise Of Christianity free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Rise Of Christianity free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Rise Of Christianity free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Rise Of Christianity. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Rise Of Christianity any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Rise Of Christianity Books**

1. Where can I buy Rise Of Christianity books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and

- independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
