The Rise and

Fall of the Soviet Union Martin Mccauley, 2014-01-14 An expert in probing mafia type relationships in present day Russia

Martin McCauley here offers a vigorously written scrutiny of Soviet politics and society since the days of Lenin and Stalin John Keep Professor Emeritus University of Toronto The birth of the Soviet Union surprised many its demise amazed the whole world How did imperial Russia give way to the Soviet Union in 1917 and why did the USSR collapse so quickly in 1991 Marxism promised paradise on earth but the Communist Party never had true power instead allowing Lenin and Stalin to become dictators who ruled in its name The failure of the planned economy to live up to expectations led to a boom in the unplanned economy in particular the black market In turn this led to the growth of organised crime and corruption within the government The Rise and Fall of the Soviet Union examines the strengths weaknesses and contradictions of the first Marxist state and reassesses the role of power authority and legitimacy in Soviet politics Including first person accounts anecdotes illustrations and diagrams to illustrate key concepts McCauley provides a seminal history of twentieth century Russia

Police Science: Breakthroughs in Research and Practice Management Association, Information Resources, 2019-01-04 Violent behavior is an unavoidable aspect of human nature and as such it has become deeply integrated into modern society In order to protect and defend citizens the foundational concepts of fairness and equality must be adhered to within any criminal justice system As such examining police science through a critical and academic perspective can lead to a better understanding of its foundations and implications Police Science Breakthroughs in Research and Practice is an authoritative reference source for the latest scholarly material on social problems involving victimization of minorities and police accountability It also emphasizes key elements of police psychology as it relates to current issues and challenges in law enforcement and police agencies Highlighting a range of pertinent topics such as police psychology social climate and police departments and media coverage this publication is an ideal reference source for law enforcement officers criminologists sociologists policymakers academicians researchers and students seeking current research on various aspects of police science **Changing World**, 1940 *Advanced Land Warfare* Mikael Weissmann, Niklas Nilsson, 2023-03-23 International politics have become ever more volatile over the last decade increasing the risk of large scale military violence Yet the precise character of future war will depend on a range of factors that relate to adversaries allies technology geographical scope and multiple domains of warfighting Few would question that land forces will be important also in the foreseeable future However given that the battlefield is in a state of transformation so is the mission purpose and utilization of land forces Indeed the future conduct of land warfare is subjected to serious and important questions in the face of large and complex challenges and security threats Advanced Land Warfare explores the evolving role of land forces paying particular attention to the changes that have taken place in the art of commanding and executing combat as well as the role of rapid technological innovation and information dissemination in shaping warfare The book provides insights into key contemporary developments in land warfare and presents case studies on land tactics and operations in different national contexts drawing on the best of theory practice and professional experience and featuring chapters written by leading

international scholars and practitioners Relating to the realities of the modern battlefield the book addresses a number of critical questions about land tactics and operations combining a conceptual basis with empirical examples of tactical thinking and practice and emphasising the importance of understanding the perspectives of various national armies in order to provide a current understanding of the central issues of land warfare An open access title available under the terms of a CC BY NC ND 4 0 International licence
