Shadows And Whispers Power Politics Inside The Kremlin From Brezhnev To Gorbachev:

Shadows and Whispers Dusko Doder, 1988 Having witnessed the dramatic series of succession crises in the Soviet Union through the early 1980s and having developed a unique insider access Dusko Doder brings to life the personalities and the politics within the Kremlin 8 pages of black and white photos *Bulletin of the Atomic Scientists*, 1987-07 **Politics, Society, And Nationality Inside Gorbachev's Russia** Seweryn Bialer, 2019-06-04 The East West Forum is a New York based research and policy analysis organization sponsored by the Samuel Bronfman Foundation Its goal is to bring together experts and policy leaders from differing perspectives and generations to discuss changing patterns of East West relations It attempts to formulate long term analyses and recommendations In p *Bulletin of the Atomic Scientists*, 1987-07

Milosevic Dusko Doder, Louise Branson, 1999-11-12 Who is Slobodan Milosevic Is he the next Saddam Hussein the leader of a renegade nation who will continue to torment the United States for years to come Or is he the next Moammar Qaddafi an international outcast silenced for good by a resolute American bombing campaign The war in Kosovo in the spring of 1999 introduced many Americans to the man the newspapers have called the butcher of the Balkans but few understand the crucial role he has played and continues to play in the most troubled part of Europe Directly or indirectly Milosevic has waged war and instigated brutal ethnic cleansing in Croatia Bosnia and Kosovo and he was indicted for war crimes in May 1999 Milosevic s rise to power from lowly Serbian apparatchik to president of Yugoslavia is a tale of intrigue cynical manipulation and deceit whose full dimensions have never been presented to the American public In this first full length biography of the Yugoslav leader veteran foreign correspondents Dusko Doder and Louise Branson paint a disturbing portrait of a cunning politician who has not shied from fomenting wars and double crossing enemies and allies alike in his ruthless pursuit of power Whereas most dictators encourage a cult of personality around themselves Milosevic has been content to operate in the shadows shunning publicity and allowing others to grab the limelight and then to take the heat when things go badly Milosevic s secretive style the authors show emerged in response to a family history of depression both of his parents committed suicide and has served him well as he begins his second decade in power Doder and Branson introduce us to the key figures behind Milosevic s rise his wife Mirjana Markovic who is often described with justification as a Serbian Lady Macbeth and the Balkan and American politicians who learned too late about the costs of underestimating Milosevic They also reveal how the United States refused to take the necessary action in 1992 to remove Milosevic from power without bloodshed not realizing that he uses such moments of weakness as opportunities to lull his opponents into traps thereby paving the way for a new consolidation of power Now in the wake of the victory in Kosovo it remains to be seen whether America will learn this lesson or whether we will allow this deeply troubled man to continue to pose a threat to European peace and security as the twenty first century dawns **Crime and Punishment in Soviet Officialdom** William A. Clark, 1993 This study of official corruption and the politics of anti corruption campaigns offers a comprehensive empirical

comparative and theoretical analysis of this phenomenon as both system and symptom It highlights the structure impact and function of political elite corruption from 1965 1990 *A History Of Russia Volume 2* Walter G. Moss,2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world Deep Republicanism Donald C. Hodges,2008-01-01 Deep Republicanism Prelude to Professionalism reveals a subversive republicanism in Machiavelli s political theories that is at odds with the demoliberalism often perceived as his primary political agenda It also establishes the importance of this republican agenda in understanding the major revolutions of the modern world **Russia and the Idea of the West** Robert D. English,2000 In most analyses of the Cold War s end the ideological aspects of Gorbachev s new thinking are treated largely as incidental to the broader considerations of power English demonstrates that Gorbachev s foreign policy was the result of an intellectual revolution He analyzes the rise of a liberal policy academic elite and its impact on the Cold War s end Bulletin of the Atomic Scientists ,1987-07
