life Edited by air force officer Josh Seefried a cofounder of the LGBT active duty military association OutServe Our Time is a collection of remarkable depth and diversity We witness the abuse physical and mental endured at the hands of fellow soldiers and superiors We see the hardships faced by their families and partners and feel the pain of the choice between military and self There are also examples of humanity at its very best leaders with the courage to support their comrades in the face of tremendous pressure friendships forged and minds opened and love that endures the very toughest of odds Throughout we are reminded of the bravery and selflessness of the men and women who chose to serve our country and defend our liberties while their own freedom was withheld At once a testament to the wrongs of the policy and a celebration of the good that endured in spite of it Our Time marks the start of a new era in our national history

**Marriage on the Mend** Clint Bragg, Penny A. Bragg, 2015-03-03 Every broken marriage has the hope of becoming a saved marriage Approximately fifty percent of the couples who sign a marriage license will also sign on the dotted line of a divorce document In order to turn the tide of this stark statistic couples who have considered or experienced separation or divorce must be given real tools to reconcile restore and rebuild their relationships Marriage on the Mend provides these tools for couples in crisis Clint and Penny Bragg know what it means to be that couple After being divorced for eleven years and living 3 000 miles from each other they were remarried but the difficult work of restoration continued long after that second ceremony The Braggs know that couples who reconcile face a unique set of challenges including unresolved arguments poor communication habits unforgiveness and betrayed trust Biblically based materials are required to walk through this treacherous territory toward full healing and restoration This practical realistic book identifies roadblocks that may stall relationship progress recommends ideas to deepen intimacy offers solutions to effectively handle past hurts and conflicts and applies Scripture to every aspect of the process in order to proactively stabilize and safeguard the marriage At the end of each chapter the Braggs include a prayer for couples to share to help facilitate healing The one thing all broken relationships have in common is that true healing takes time Using the framework of Nehemiah s effort to restore Jerusalem s walls following the Israelite s exile and captivity Marriage on the Mend provides a clear framework for the restoration of relationships

**The Secret Success of Marriage** BRANFORD B YEBOAH,2015-05-18 Prayer has always been a vital part of Christian life By studying the prayers of men of God in the Scriptures you will begin to understand the concept of prayer The men whose prayers moved God to act were ordinary men like us Nevertheless they knew the power of prayer and its benefits The prayer these men prayed was not ordinary prayer but intense prayer People who pray with God have a relationship with Him If you carefully study Scripture you will notice that the way the prophets prayed reveals how married couples should pray to move God to intervene in their failing marriages Their prayer demonstrates the principles that can be gleaned and clearly identified and which if applied to marital life can work wonders When studied the prayers of these great men who walked with God provide a wealth of insight The New Testament offers us prayer to which we even better relate The Gospels centre on key events in the life of Christ including examples of prayer These examples do not only give us insight into the heart of Christ but also give us key instructions on how to pray
