Marriages Of Mecklenburg County North Carolina 1783 1868:

Marriages of Mecklenburg County, North Carolina, 1783-1868 Brent Holcomb, 1981 *Marriages of Mecklenburg County, North Carolina, 1783-1868*, 1991 **Bute County, North Carolina Land Grant Plats and Land Entries** Brent Holcomb, 2009-05-01 Bute County was formed from Granville County in 1764 and abolished in 1779 to form Warren and Franklin Counties During Bute County's brief existence there were 103 land grants issued one tract entered and one plat made with no grant issued for it The **The Bryson Ancestors on the Edge of New Frontiers** Jim Bryson, 2011-05-01 Describes the history of the Bryson families of North Carolina Tennessee and Texas starting with Scotch Irish immigration to the US in the 1700s through to Davis and Gladys Bryson in the 20th century Includes extensive photos of original documents illustrations of life during each generation discussions of what life was like for each family and coverage of many different branches of the family The author writes of the old photographs letters clippings and historic information that he and two of his cousins collected I realized that many of these items resided with a single individual and might soon be gone The idea of a way to make this information available to a wider range of friends and relatives started to form Thus I felt inspired to write this book It was surprising to me to see the large number of our ancestors who in every sense of the word were true pioneers and moved to the very edge of a new frontier Hence the title of this book **The Bryson Ancestors On the Edge of New Frontiers**

Genealogical & Local History Books in Print, 1997 **The True Image** Daniel W. Patterson, 2012-10-08 A thousand unique gravestones cluster around old Presbyterian churches in the piedmont of the two Carolinas and in central Pennsylvania Most are the vulnerable legacy of three generations of the Bigham family Scotch Irish stonecutters whose workshop near Charlotte created the earliest surviving art of British settlers in the region In **The True Image** Daniel Patterson documents the craftsmanship of this group and the current appearance of the stones In two hundred of his photographs he records these stones for future generations and compares their iconography and inscriptions with those of other early monuments in the United States Northern Ireland and Scotland Combining his reading of the stones with historical records previous scholarship and rich oral lore Patterson throws new light on the complex culture and experience of the Scotch Irish in America In so doing he explores the bright and the dark sides of how they coped with challenges such as backwoods conditions religious upheavals war political conflicts slavery and land speculation He shows that headstones resting quietly in old graveyards can reveal fresh insights into the character and history of an influential immigrant group

The Fullwood Family Michael David Fullwood, 1992 Also includes other Fullwood families **The North Carolina Historical Review**, 2007 **The South Carolina Magazine of Ancestral Research**, 1987 **National Genealogical Society Quarterly** National Genealogical Society, 1981 **Genealogy Division Subject Catalog, 1976-1984: P-Z** Indiana State Library.
