Drabalicious Stephen Scorer, 2018-09-24 Drabalicious is a collection of 25 short stories that you can read anywhere anytime on the tube riding on a bus or even in a car as long as you are not driving Most of these fictional fables are under 350 words yea I might have crammed some longer ones in there but that is just to keep your attention span at its utmost prime We start with the stories and then I will follow that with some of the reasoning behind what made such tales some might not be what you first imagined them to be With some of these stories I have added some facts that I have found out along the way into doing some research for these small tales A Horrible Experience of Unbearable Length Roger Ebert, 2022-05-24 More of the Pulitzer Prize winning film critic's most scathing reviews A Horrible Experience of Unbearable Length collects more than 200 of his reviews from 2006 to 2012 in which he gave movies two stars or fewer Known for his fair minded and well written film reviews Roger is at his razor sharp humorous best when skewering bad movies Consider this opener for the one star Your Highness Your Highness is a juvenile excrescence that feels like the work of 11 year old boys in love with dungeons dragons warrior women pot boobs and four letter words That this is the work of David Gordon Green beggars the imagination One of its heroes wears the penis of a minotaur on a string around his neck I hate it when that happens And finally the inspiration for the title of this book the one star Transformers Revenge of the Fallen Transformers Revenge of the Fallen is a horrible experience of unbearable length briefly punctuated by three or four amusing moments One of these involves a doglike robot humping the leg of the heroine If you want to save yourself the ticket price go into the kitchen cue up a male choir singing the music of hell and get a kid to start banging pots and pans together

Then close your eyes and use your imagination Roger Ebert's I Hated Hated Hated This Movie and Your Movie Sucks which gathered some of his most scathing reviews were bestsellers This collection continues the tradition reviewing not only movies that were at the bottom of the barrel but also movies that he found underneath the barrel Movie buffs and humor lovers alike will relish this treasury of movies so bad that you may just want to see them for a good laugh **The English Route-TM** Shalu Mehra, A book on English Teacher Manual The ebook version does not contain CD **Martian Child**, 2008 The skeptical melancholy eyes of John Cusack anchor Martian Child a sweet but not cloying story of a widowed man who adopts a misfit kid who believes he's from another planet David Gordon Cusack is a successful science fiction author which is perhaps what leads a children's counselor Sophie Okonedo Dirty Pretty Things to pair him with a would be extra terrestrial named Dennis Bobby Coleman Reluctantly at first David tries to communicate with Dennis by fostering his belief but as they grow attached to each other the administrators of the organization that put them together sees this playing along as a failure to be a proper parent and threatens to take Dennis away The first two thirds or so of Martian Child are marvelous though the scenario could be saccharine the script and performances are full of details and complexities that make it feel genuine and affecting The last third unfortunately seems to be the result of studio meddling for the themes and emotions become awkwardly overstated But what will stay with you are the moments of refreshing honesty and tender trust from the earlier part of the movie the ending clumsy and tone deaf though it is doesn't wipe away the delicate earlier interplay of David and Dennis Also featuring Oliver Platt Funny Bones Amanda Peet Igby Goes Down and Anjelica Huston Prizzi's Honor **The DC Comics Encyclopedia New Edition** Matthew K. Cross-Examined Films Matthew King, 2017-12-06 After spending nearly a quarter of a lifetime watching popular and independent films, Matthew King RN makes a point to criticize the Christian church for its lack of engagement with films. He believes that the lack of engagement and the strong denunciation of films only because of their sexual or violent content has lost an entire generation because of the inability to speak the millennial language of popular Hollywood films. With searing prose and biting confrontation, King attempts to engage films through the lens of theology, philosophy, and political analysis to assist the church in identifying positive as well as negative examples of the topics within to better engage an entire generation. Through this investigation, Christians and non-Christians alike will be both enlightened and surprised at what popular films have unconsciously taught them from a young age.
