

THE MUSEUM OF MODERN ART

metropolis

10 October 1991 - 2 February 1992

# Tokyo Design Visions

Metropolis is a series of exhibitions that explore the relationship between design and the city. The first exhibition, 'Tokyo Design Visions', is a survey of Japanese design from the 1920s to the present. It features a selection of works by leading Japanese designers, including Shigeo Fukuda, Tadanori Yokoo, and Shigeo Fukuda. The exhibition is organized by the Museum of Modern Art, New York, and the Museum of Contemporary Art, Tokyo.

The exhibition is divided into three main sections: 'Design and the City', 'Design and the Future', and 'Design and the Past'. Each section explores a different aspect of the relationship between design and the city, and how design has shaped the urban environment. The exhibition is a must-see for anyone interested in design, architecture, and the city.
