La lógica y el arte de decidir Ángel Hernández, 2021-06-21 Un libro desenfadado pero lleno de rigor Fundamentado en resultados relevantes y muy sugerentes de reas del conocimiento tan atractivas como la teor a de juegos de la decisi n o la econom a experimental de plena actualidad donde la psicolog a tiene mucho que decir As en sus p ginas se recrean el teorema de la imposibilidad de Arrow los equilibrios de Nash o los dise os experimentales y juegos de W G th R Schmittberger y B Schwarze Martin Shubik Robert W Rosenthal Kaushik Basu Amos Tversky y Daniel Kahneman Merrill Flood y Melvin Dresher o Reinhard Selten muchos de ellos galardonados con el Nobel y todos grandes investigadores en sus dominios Federico es un individuo dominado por el esp ritu de la raz n Su capacidad para aplicar la l gica en sus razonamientos con sutileza y elegancia es admirable Junto con otros personajes de personalidad muy dispar vivir situaciones pintorescas y comprometidas que deber resolver tomando una decisi n Pero dar en el clavo o se machacar el dedo La respuesta dejar al descubierto curiosas paradojas y desaf os mentales fruto de nuestra forma de razonar

que nos ayudan a comprender cómo decidimos. Esto nos permite mejorar nuestra capacidad para tomar decisiones y anticipar las que tomarán los demás. Ventajas que podemos explotar en multitud de campos que van más allá del económico. Así este libro puede ser del agrado de una persona vinculada o atraída por el marketing, la publicidad, las ventas o las finanzas, pero también por la psicología, el derecho, el periodismo, la sociología o la política por citar algunos ejemplos. En definitiva, una obra que invita al lector a pasar un rato ameno revisando la bitácora que orienta las decisiones que tomamos sobre todo cuando el mecanismo que la hace funcionar es la racionalidad, porque a veces los instrumentos de navegación fallan y nos pueden guiar hacia la tempestad, no solo a nosotros sino también a los que nos rodean.

Sol Tzu En EL Arte De La Guerra El Tratado Militar Mas Viejo Del Mundo: Traducido Del Chino Con La Introduccion Y Notas Criticas , **Moral y Deporte** Tomás Emilio Bolaño Mercado, 2014-09-08 Los entrenadores, preparadores físicos, capellanes y motivadores deportivos se han venido dando cuenta de la importancia que tiene la preparación moral y espiritual en el proceso de formación deportiva. Es evidente que los comportamientos que el atleta tiene durante su vida familiar, social y escolar, inciden en el rendimiento deportivo. De la misma manera, la formación deportiva tiene efectos en el comportamiento del deportista en la familia y la sociedad. Bien es cierto que el deporte es una actividad socialmente aceptada como un medio para la formación de la juventud, pero también es cierto que es un ambiente propicio para la incubación de vicios y hábitos nocivos para la vida del atleta. El presente libro es la recopilación de las reflexiones cuaresmales del 2014 en torno a lo que el Catecismo de la Iglesia Católica enseña sobre las 25 virtudes morales y teologales, y también sobre las 22 conductas viciadas que afectan la preparación física y espiritual del deportista. Se trata de un retiro espiritual dirigido a los atletas de cualquiera de las delegaciones nacionales que van a los distintos certámenes locales, regionales, nacionales o internacionales con el propósito de animarlos, descentrar la tarea del entrenamiento y la competencia del ego deportivo, y orientarla desde el espíritu deportivo. Incluye un capítulo que contiene un cuestionario con 80 preguntas sobre los valores del deporte, otro que ofrece un catálogo de 80 actividades para promover los valores del deporte durante las sesiones de entrenamiento, y una sección de oraciones del deportista que fue publicado con ocasión de los juegos Suramericanos de Medellín.

Buen humor ,1925 El inocente Gabriele D'Annunzio, 2021-02-03 El inocente narra la historia de un adulterio protagonizado por Tullio Hermil, un joven aristócrata italiano refinado y libertino que abrumado por una carga sensual incontrolable, profesa continuas humillaciones y sufrimientos a su bella esposa Giuliana, traicionándola con hermosas mujeres; entre ellas, algunas de sus mejores amigas. Tras un tardío intento de acercamiento a su esposa, Tullio comienza a sospechar que la sumisa Giuliana, tras soportar durante años tan dolorosas y repetidas infidelidades, se ha visto tal vez empujada a los brazos de otro hombre. Atormentado por los celos, Tullio enferma de un odio irrefrenable que le lleva a enloquecer con terribles e irreparables consecuencias. El inocente nos muestra la sociedad aristocrática italiana de finales del siglo XIX, honorable y virtuosa en apariencia, que oculta una realidad de hipocresía y engaño, celos y venganzas.
