Miami Es Crimen:

"*We, the Barbarians*" Mabel Moraña, 2024-06-05 *We the Barbarians* embarks on a careful and exhaustive reading of three of the most prominent authors in the latest wave of Mexican fiction Yuri Herrera Fernanda Melchor and Valeria Luiselli Originally published in Mexico in 2021 this work is divided into three parts one for each author's narrative production The book analyzes all of the literary works published by Herrera Melchor and Luiselli from the beginning of their writing careers until 2021 allowing for a diachronic interpretation of their respective narrative projects as well as for comparative approaches to their aesthetic and ideological contours Characterized by the fragmentation of civil society and the decomposition of the myths that accompanied the consolidation of the modern nation Mexican visual and literary arts have explored a myriad of representational avenues to approach the phenomena of violence institutional decay and political instability The critical and theoretical approaches in *We the Barbarians* explore a variety of alternative symbolic representations of topics such as nationalism community and affect in times impacted by systemic violence precariousness and radical inequality Moraña perceives the negotiations between regional local imaginaries and global scenarios characterized by the devaluation and resignification of life both at individual and collective levels Though it uses three authors as its focus this book seeks to more broadly theorize the question of the relationship between literature and the social in the twenty first century

Cuba 1952-1959 Manuel Márquez-Sterling, 2009 Author Manuel Márquez Sterling writes about Fidel Castro and his revolution from direct personal experience as a historian with broad and deep knowledge of 50s Cuba The author

knew and had contact with many of the historical figures in the book's pages. His penetrating analysis of the public and behind the scenes events clears the fog and shatters myths to reveal the real story of the Cuban Revolution. The book explains how Castro came to power through the convergence of rabid partisanship, radical student politics, media bias and venal politicians who placed self interest ahead of preserving democracy. Facing a constitutional crisis, these parties espoused the end justifies the means, embracing political gangsterism and eschewing negotiations with political opponents, resulting in a power vacuum Castro exploited to seize power. Masterful propaganda cast Castro as pro democracy hero, avoiding scrutiny of his plans for a totalitarian state under his control. EL CASTRO DESCONOCIDO: UNA CONVERGENCIA FATAL E.I.

Gutierrez, 2010-08-12. En enero de 1959 un Comité del Senado en los EU investigaba las actividades de la mafia. Participaban en ello los hermanos John y Robert Kennedy. La DEA solicitó la extradición de los mafiosos residentes en Cuba. La negativa de Castro a esa solicitud originó el gran cisma entre ambas naciones. Este primer volumen recoge cronológicamente la vida y obra del joven Fidel Castro desde 1945 hasta su ascenso al poder en enero de 1959 y el Golpe de Estado que le dio al Presidente Urrutia en julio de ese año. Altos oficiales conspiraban para quitarlo del poder. Alertado por la KGB, Castro destruyó la conspiración y estableció una sólida alianza con la mafia. El segundo volumen, en el cual Gutierrez ahora trabaja, comienza con estos hechos y concluye el viernes 22 de Noviembre de 1963, el momento en Dallas que transformó América y el mundo. In January 1959 a U.S. Senate Committee of which John and Robert Kennedy were members was investigating Mafia activities. The DEA asked Castro for the extradition of Mafiosos living in Cuba and Castro's denial of this request started the schism between the two nations. This first volume gathers chronologically information about the life and deeds of the young Fidel Castro from 1945 until his ascendance to power on January 1959 and the Coup of President Urrutia in July of that year. High ranking officials conspired to take Castro out of power. Alerted by the KGB, Castro worked to destroy the conspiracy and establish his solid alliance with the Mafia. The second volume, on which Gutierrez is now working, begins with these actions and concludes on Friday November 22, 1963, the moment in Dallas that changed America and the world. **Organized**

Crime, Drug Trafficking, and Violence in Mexico Jonathan D. Rosen, Roberto Zepeda, 2016-07-19. Organized Crime, Drug Trafficking and Violence in Mexico. The Transition from Felipe Calderón to Enrique Peña Nieto examines the major trends in organized crime and drug trafficking in Mexico. The book provides an exhaustive analysis of drug related violence in the country. This work highlights the transition from the Felipe Calderón administration to the Enrique Peña Nieto government, focusing on differences and continuities in counternarcotics policies as well as other trends such as violence and drug trafficking. **Marco Rubio y la hora de los hispanos** Eduardo Suárez, María Ramírez, 2016-02-23. Marco Rubio es el

primer hispano en la historia con serias opciones de llegar a la Casa Blanca. Hijo de inmigrantes que huyeron de Cuba antes de la llegada del castrismo y que se quedaron a medio camino de hacer realidad el sueño americano, Rubio es una figura con una fuerte carga simbólica. Su padre nunca pasó de camarero y su madre limpiaba hoteles en Las Vegas o Miami, pero Marco se

interés desde adolescente por la política escuchando a un abuelo que admiraba a Ronald Reagan. Se graduó en la universidad e hizo carrera política desde los cargos más modestos en Miami. Su ascenso dentro del partido republicano tiene que ver con su capacidad retórica y su habilidad para adaptarse a cualquier situación. Llegó al Senado como uno de los favoritos del sector más conservador y poco a poco se ha ido moviendo hacia posiciones más centristas abanderando la reforma migratoria que podrá legalizar a millones de inmigrantes indocumentados. Su trayectoria simboliza de modo inmejorable el auge de la comunidad hispana y permite retratar a la vez a un joven y ambicioso político y a la joven y ambiciosa comunidad a la que representa para ofrecer una imagen política del país más importante del mundo y el papel que los hispanos desempeñan allí.

Dirty Gold Jay Weaver, Nicholas Nehamas, Jim Wyss, Kyra Gurney, 2021-03-02 The explosive story of the illegal gold trade from South America and the three Miami businessmen who got rich on it until it all came crashing down. In March of 2017 a team of federal agents arrested Juan Pablo Granda Samer Barrage and Renato Rodriguez or as they came to be known the three amigos. The trio first identified publicly by the authors of this book had built a 3.6 billion dollar business in metals trading mostly illegal Peruvian gold mined in the rain forest. Their arrest and subsequent prosecution laid bare more than a scheme between a few corrupt traders. Dirty Gold lifts the veil on a massive and very illegal international business that is more lucrative than trafficking cocaine and often just as dangerous. As this award winning team of current and former Miami Herald reporters shows illegal gold mines have become a haven for Latin American drug money. The gold is sold to metals traders and ultimately to scores of unwitting Americans in their jewelry and phones. By following the trail of these three traders Dirty Gold leads us into a sprawling criminal underworld that has never before been in full view. **Superstations**,

Operation Pedro Pan and the Exodus of Cuba's Children Deborah Shnookal, 2022-06-28 This in depth examination of one of the most controversial episodes in U.S. Cuba relations sheds new light on the program that airlifted 14,000 unaccompanied children to the United States in the wake of the Cuban Revolution. Operation Pedro Pan is often remembered within the U.S. as an urgent rescue mission but Deborah Shnookal points out that a multitude of complex factors drove the exodus including Cold War propaganda and the Catholic Church's opposition to the island's new government. Shnookal illustrates how and why Cold War scare tactics were so effective in setting the airlift in motion focusing on their context the rapid and profound social changes unleashed by the 1959 Revolution including the mobilization of 100,000 Cuban teenagers in the 1961 national literacy campaign. Other reforms made by the revolutionary government affected women education religious schools and relations within the family and between the races. Shnookal exposes how in its effort to undermine support for the revolution the U.S. government manipulated the aspirations and insecurities of more affluent Cubans. She traces the parallel stories of the young Pedro Pans separated from their families in some cases indefinitely in what is often regarded in Cuba as a mass kidnapping and the children who stayed and joined the literacy brigades. These divergent journeys reveal many underlying issues in the historically fraught relationship between the U.S. and Cuba and much about the

profound social revolution that took place on the island after 1959 Publication of the paperback edition made possible by a Sustaining the Humanities through the American Rescue Plan grant from the National Endowment for the Humanities
