The Rhythm of Space and the Sound of Time Cynthia Ashperger, 2008-01-01 The Rhythm of Space and the Sound of Time examines the place of Chekhov's Technique in

contemporary acting pedagogy and practice Cynthia Ashperger answers the questions What are the reasons behind the technique's current resurgence How has this cohesive and holistic training been brought into today's mainstream acting training What separates this technique from the other currently popular methods Ashperger offers an analysis of the complex philosophical influences that shaped Chekhov's ideas about this psycho-physical approach to acting Chekhov's five guiding principles are introduced to demonstrate how eastern ideas and practices have been integrated into this western technique and how they have continued to develop on both theoretical and practical levels in contemporary pedagogy thereby rendering it intercultural The volume also focuses on the work of several contemporary teachers of the technique associated with Michael Chekhov International Association MICHA Current teacher training is described as well as the different modes of hybridization of Chekhov's technique with other current methods Contemporary practical experiments and some fifty exercises at both beginner and intermediate advanced levels are presented through analysis examples student journals and case studies delineating the sequences in which units are taught and specifying the exercises that differ from those in Chekhov's original writing This book is for practitioners as well as students of the theatre *Lessons for the Professional Actor* Michael Chekhov, 1985 Extraordinary lectures including exercises Call Board **The Routledge Companion to Michael Chekhov** Marie Christine Autant Mathieu, Yana Meerzon, 2015-05-15 The Routledge Companion to Michael Chekhov brings together Chekhov specialists from around the world theatre practitioners theorists historians and archivists to provide an astonishingly comprehensive assessment of his life work and legacy This volume aims to connect East and West theatre theory and practice It reconsiders the history of Chekhov's acting method directing and pedagogy using the archival documents found across the globe in Russia England America Germany Lithuania and Switzerland It presents Chekhov's legacy and ideas in the framework of interdisciplinary theatre practices and theories as well as at the crossroads of cultures in the context of his forays into such areas as Western mime and Asian cosmology This remarkable Companion thoughtfully edited by two leading Chekhov scholars will prove invaluable to students and scholars of theatre theatre practitioners and theoreticians and specialists in Slavic and transcultural studies Marie Christine Autant Mathieu is Director of Research at the National Center For Scientific Research and Assistant Director of Sorbonne CNRS Institute EUR ORBEM She is an historian of theatre and specialist in Russian and Soviet theatre Yana Meerzon is Associate Professor in the Department of Theatre University of Ottawa Her book publications include *Adapting Chekhov The Text and Its Mutations* co-edited with Professor J Douglas Clayton University of Ottawa Routledge 2012 *The Path Of The Actor* Michael Chekhov, 2006-06 Full of illuminating anecdotes and witty accounts this is the first English translation of Chekhov's two volume autobiography Two leading Russian scholars present an extensive and authoritative account of this great actor and extraordinary man **To the Actor** Michael Chekhov, 2002 How does an actor learn to Call up emotion Develop a character Strengthen awareness These are essential techniques for every actor and Michael Chekhov's classic work *To the Actor* explains clearly and

concisely how to develop them Chekhov's simple and practical method successfully used by professional actors all over the world trains the actor's imagination and body to fulfil its potential This handbook for actors and directors has been revised and expanded by Mala Powers It includes a previously unpublished chapter on Psychological Gesture translated into English by the celebrated director Andrei Malaev Babel a new biographical overview by Mala Powers and a foreword by Simon Callow

To the Actor Michael Chekhov, 2017-04-07 In To the Actor Michael Chekhov has recorded brilliantly the results of his many years of experimenting testing and verifying in the professional theater and schools of the theater He brings to actors far greater insight into themselves and the characters they are to portray which enables them to approach any role with new ease and skill To the Actor is by far the best book that I have read on the subject of acting Actors directors writers and critics will be grateful for it It should prove enlightening to theatergoers who wish to deepen their appreciation for fine acting and thus help to invigorate the theatrical art Gregory Peck I think without a doubt every creative person in the theater will want to have it as a constant reference book outside of its being in my opinion absorbing and entertaining reading Yul Brynner from the Preface One of the most remarkable and practical books on the technique of acting I have ever read Enthusiastically recommended to all theatre collections of whatever size Library Journal

**The Art of Acting** Dawn Langman, 2014-04-07 This book will be invaluable to teachers acting students and practitioners alike Langman's inspired methods fed by some 45 years of teaching and practice ensure the highest outcomes for the integration of voice speech and language as a central ingredient of the actor's craft She is the most unique and brilliant master teacher in this area I have ever encountered Rosalba Clemente Head of Acting Drama Centre Flinders University A rite de passage working with Langman's book is an initiation into the practice of Future Theatre Dr Jane Gilmer Assistant Professor of Drama VPA National Institute of Education Singapore A remarkable achievement that communicates a lifetime of teaching artistry with grace and depth and most significantly reveals the profound spiritual impulses at the heart of Michael Chekhov's original impulse A gift for the generations Dr Diane Caracciolo Associate Professor of Educational Theatre Adelphi University Over the past decades there has been a resurgence of interest in Chekhov's acting technique The original publishers of his fundamental text To the Actor removed most of the author's references to Rudolf Steiner but recent studies acknowledge Chekhov's personal interest in anthroposophy as the source of his artistic inspiration Dawn Langman explores the fundamentals of Chekhov's psycho-physical technique and the metaphysical principles on which it is based She examines this technique in relation to the specific challenges and gifts provided by the actor's constitution of body soul and spirit and in the context of the canon of great poetic and dramatic texts illuminated by Steiner's insights into humanity's evolving consciousness The Art of Acting lays the foundation for the second and third books in her series in which Langman explores Rudolf Steiner's art of speech and its integration with Michael Chekhov's methodology Together these books offer a contemporary spiritually enlivened path of development for the actor in which the combined insights of Steiner and Chekhov lead to new possibilities for the
