Cohen, 2015-05-28 Poetry occupied a complex position in the social life of nineteenth century America While some readers found in poems a resource for aesthetic pleasure and the enjoyment of linguistic complexity many others turned to poems for spiritual and psychic wellbeing adapted popular musical settings of poems to spread scandal and satire or used poems as a medium for asserting personal and family memories as well as local and national affiliations Poetry was not only read but memorized and quoted rewritten and parodied collected anthologized edited and exchanged Michael C Cohen here explores the multiplicity of imaginative relationships forged between poems and those who made use of them from the post Revolutionary era to the turn of the twentieth century Organized along a careful genealogy of ballads in the Atlantic world *The Social Lives of Poems in Nineteenth Century America* demonstrates how the

circulation of texts in songs broadsides letters and newsprint as well as in books anthologies and critical essays enabled poetry to perform its many different tasks Considering the media and modes of reading through which people encountered and made sense of poems Cohen traces the lines of critical interpretations and tracks the emergence and disappearance of poetic genres in American literary culture Examining well known works by John Greenleaf Whittier and Walt Whitman as well as popular ballads minstrel songs and spirituals Cohen shows how discourses on poetry served as sites for debates over history literary culture citizenship and racial identity *Wrestling with the Angel* Michael King,2002-03-07 Janet Frame born in 1924 is New Zealand s most celebrated and least public author Her early life in small South Island towns seemed at times engulfed in a tide of doom one brother still born another epileptic two sisters dead of heart failure while swimming Frame herself committed to mental hospitals for the best part of a decade Later her surviving sister was temporarily felled in adulthood by a stroke an uncle cut his throat and a cousin shot his lover his lover s parents and then himself This then is an inspiring biography of a woman who climbed out of an abyss of unhappiness to take control of her life and become one of the great writers of her time And to enable her biographer to write this book scrupulously and honestly Janet Frame spoke for the first time about her whole life She also made available her personal papers and directed her family and friends to be equally communicative The result is a biography of astonishing intimacy and frankness written by multi award winning author Dr Michael King The Gentleman's Magazine: Or, Monthly Intelligencer Edward Cave,1828 **Ward's miscellany (and family magazine).** ,1837 Mentor Texts Lynne R.
