**The Wine Pioneers** Anton Massel,2008 At first there were the horticulturists and wine growers then came the wine makers the coopers and the cellar masters Inevitably there were wine shippers and wine merchants Chemists and biologists added their skills in the past two centuries and only very recently came the oenologists and the professional wine tasters Wine writers play an important role in today s wine trade and there were always wine connoisseurs and wine snobs From 5000BC to the modern day this book provides a chronological history of the wine pioneers through the ages

WineSpeak Bernard Klem,2009-07-01 If you read wine reviews you re already either amused or confused by the soaring language wine writers often use to describe what they re smelling and tasting But do you always know what they mean Have you ever sipped a complex white and sensed what s so colorfully described as a peacock s tail Have you ever savored a full bodied red only to detect the ripe acrid smell of a horse stall If not you re in for a treat because these terms and thousands more are all here to amuse dismay enlighten inspire puzzle and utterly shock you Welcome to the rich linguistic universe of wine speak a world where words and wine intersect in an uncontrolled riot of language guaranteed to keep you entertained for hours The author a lifelong lover of both wine and words has compiled and organized this unique thesaurus of 36 975 wine tasting descriptors into 20 special collections extracted from 27 categories so you can locate exactly the right term or phrase to express yourself clearly or to understand others May your path across the galaxy of wine be paved only with labels from the very best bottles on earth Or much more cautiously with wines that could introduce you to angel pee citronella eastern European fruit soup Godzilla iodine ladies underwear mustard gas old running shoes rawhide hot tar roads bubblegum sweaty saddles crushed ants kitchen drains or even turpentine

**Wine for Every Day and Every Occasion** Dorothy J. Gaiter,John Brecher,2009-10-13 Choosing a bottle of wine should be fun not frightening After all one of the most important elements of enjoying wine is not so much the vintage or the vineyard but the occasion on which it is enjoyed In their new book Wine for Every Day and Every Occasion Dorothy J Gaiter and John Brecher authors of the popular weekly Tastings column in the Wall Street Journal give you the kind of honest accessible wine information that is hard to find In Wine for Every Day and Every Occasion Dottie and John as they are known to their fans answer the most frequently asked questions about what wine to drink on specific occasions They cover all the bases What wine should I put away for my newborn s twenty first birthday What wine is best with Thanksgiving turkey They also suggest ways in which wine can make every day a little bit more of an occasion how to throw a wine tasting how to start a wine tasting group even how to add wine

to your tailgating party And they share scores of tips from people like you Chapters include lists of specific wines and provide readers with suggestions for choosing Champagne to ring in the New Year and for chilled whites and even reds to drink in the summer There is no stodginess about vintages and there are no numbered ratings Wine for Every Day and Every Occasion gives you simple straightforward advice to help you choose the best wines for life s best moments As Dottie and John say The problem with most wine books is that they are about wine Our book is about life So raise your glass to Wine for Every Day and Every Occasion And drink to life

**The Business of Wine** Geralyn G. Brostrom, Jack Brostrom, 2008-12-30 Wine has been a beverage staple since ancient times especially in Europe Today s global wine business is thriving and American consumption of wine has increased dramatically in recent years with the health benefits touted in the media More Americans are becoming interested in learning about wine and they are taking winery tours and attending wine tastings The Business of Wine An Encyclopedia is a necessary part of wine education for everyone from the curious consumer to the oenophile or business student and industry professional It appeals to even the casual browser who wants to be more informed about wine terminology such as terroir or varietal labeling or what constitutes a Pinot Grigio or a Cabernet Sauvignon More than 140 entries illuminate the regions grapes history wine styles business elements events people companies issues and more that are crucial to the wine industry Today s wine industry is an unusually complex network of interrelated businesses that collectively serve to produce wine and get it into the hands of consumers all over the world This A Z encyclopedia shows how production distribution and sales segments work together to bring wine to the public and describes the trade in wine and its related subsidiary elements Written by a host of wine professionals this is the most up to date source to understand what goes into the enjoyment of a glass of wine An appendix with industry data sidebars and a selected bibliography complement the A Z entries
