Rankin,2011-11-11 It seems that much of American Christianity has lost sight of the goal of growing to maturity in Christ This loss of vision has had serious consequences for the quality of our witness and ministry In *Aiming at Maturity* Steven W Rankin seeks to bring back into focus key qualities of spiritual maturity and summarizes important biblical passages to show the scriptural foundations that call for spiritual maturity Rankin also addresses certain tendencies in popular Christian culture to reduce doctrinal truths to sound bites with the laudable but counterproductive goal to make doctrine memorable therefore applicable Thinking more expansively about

certain key doctrines related to the work of Christ and the impact of grace contributes to growth toward maturity in a way that popular descriptions of these doctrines do not Finally Rankin also challenges readers to consider the important role of emotions in developing Christlike dispositions which contribute toward producing the fruit of a mature Christian life By looking at relevant modern research Aiming at Maturity shows the inherent connection between thoughts and feelings that draw us closer to the actual biblical description of the heart *The Sacred Romance Workbook, Updated Edition* John Eldredge, 2024-11-12 The voice catches us off guard whether in the middle of the day or the dead of night It is the voice of God wooing our hearts with words that seem too good to be true Listen to me there is something missing You long to be in a love affair a great adventure You were made for more You know it Yet another voice often louder competes for our attention The Message of the Arrows has assaulted us since childhood The enemy knows if he can get us to lose heart we will lose everything How are we to make sense of these terribly opposed messages The Sacred Romance pulls the curtain back on the cosmic drama that God s been weaving since before time began In this updated edition you will discover How your current life is far too safe compared to the larger story God has for you How to know God as the Great Romancer and embrace his love for you How the enemy tries to destroy you through the Message of the Arrows and How to enter into and remain in the Sacred Romance with Jesus This workbook is a companion to *The Sacred Romance* by John Eldredge and is a guided journey filled with questions exercises journaling ideas and explorations of the arts that will take you into the heart of God and lead to the recovery of your own heart *The Crisis* , 1998-09 The Crisis founded by W E B Du Bois as the official publication of the NAACP is a journal of civil rights history politics and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color For nearly 100 years The Crisis has been the magazine of opinion and thought leaders decision makers peacemakers and justice seekers It has chronicled informed educated entertained and in many instances set the economic political and social agenda for our nation and its multi ethnic citizens *My Exodus* Alan Chambers, 2015-09-29 In sharing his own story of being a committed believer who struggled with same sex attraction early in his life author husband and father Alan Chambers will help you understand the issues from the inside And as the former president of the largest ex gay ministry Alan knows all the arguments the concerns the scriptures and the heartaches My Exodus encourages us to look for and affirm the image of God in everyone It s a reminder that God is still at work and deeply loves his creation And it s a book for everyone who wants to be welcoming and loving to all people without compromising their faith or their biblical theology Through personal and powerful stories and opening the scriptures you will come to understand how to love all people and positively engage our culture in the red hot conversations and topics surrounding LGBT and the Church Ultimately My Exodus equips us all to be better and do better in God honoring ways By embracing the idea of loving well because we want to and not because we have to we will find hope for ourselves for the Church and for our world **The Hallelujah Man** Loretta Hudgins, 2011-11-04 **The Best Contemporary**
