John O'Beirne Ranelagh

Michael Collins And The Irish Republican Brotherhood:

Michael Collins and the Irish Republican Brotherhood Vincent MacDowell, 1997 This is the fascinating story of a secret revolutionary society the Irish Republican Brotherhood which succeeded after 65 years in wresting most of Ireland from the British Empire *With Michael Collins in the Fight for Irish Independence* Batt O'Connor, 1929 **The Irish Republican Brotherhood, 1914-1924** John O'Beirne Ranelagh, 2024-06-20 This captivating book delves into the secretive world of the Irish Republican Brotherhood IRB and its profound impact on Ireland's political landscape between 1914 and 1924 With the aid of new documentation Ranelagh unravels the true influence of the oath bound society without which the 1916 Rising might never have taken shape For Michael Collins the IRB was the true custodian of the Irish Republic and the only body he pledged his loyalty to but its legacy remains obscured by its intense secrecy This book re-introduces the IRB as the organisation that created and furnished the IRA influenced the result of the critical 1918 election and changed the face of Irish history From Eamon de Valera's recollections of how he first learned of the Treaty to narratives from Nora Connolly O'Brien Emmett Dalton et al testimonies from key figures paint a vivid picture of the IRB's inner workings and external influence A fascinating exploration of secret societies political manoeuvres and personal sacrifices *The Irish Republican Brotherhood 1914-1924* casts new light on a pivotal chapter in Ireland's quest for independence *Michael Collins and the Making of a New Ireland* Piaras S. Béaslaí, 1926 **Michael Collins and the Making of a New Ireland Vol. I** Piaras Beaslai, 2019-07-23 *Michael Collins and the Making of a New Ireland* which was first published in 1926 as two volumes was written by Piaras Beaslai a Major General in the Sinn Féin army who was an intimate friend of Michael Collins and his senior in the inner councils of the most extreme section of the party Michael Collins 1890-1922 was an Irish revolutionary soldier and politician who was a leading figure in the early 20th century Irish struggle for independence He was Chairman of the Provisional Government of the Irish Free State from January 1922 until his assassination in August 1922 Collins family had republican connections reaching back to the 1798 rebellion He moved to London in 1906 and became a member of the London GAA through which he became associated with the Irish Republican Brotherhood and the Gaelic League He returned to Ireland in 1916 and fought in the Easter Rising He was subsequently imprisoned in the Frongoch internment camp as a prisoner of war but was released in December 1916 After his release Collins rose through the ranks of the Irish Volunteers and Sinn Féin He became a Teachta Dála for South Cork in 1918 and was appointed Minister for Finance in the First Dáil He was present when the Dáil convened on 21 Jan 1919 and declared the independence of the Irish Republic In the ensuing War of Independence he was Director of Organisation and Adj Gen for the Irish Volunteers and Director of Intelligence of the Irish Republican Army He gained fame as a guerrilla warfare strategist planning and directing many successful attacks on British forces After the July 1921 ceasefire Collins and Arthur Griffith were sent to London by Eamon de Valera to negotiate peace terms A provisional government was formed under his chairmanship in early 1922 but was soon disrupted by the Irish Civil

War in which Collins was commander in chief of the National Army He was shot and killed in an ambush by anti Treaty forces on 22 Aug 1922 *Michael Collins and the Anglo-Irish War* J. B. E. Hittle,2011 How the British Secret Service failed to neutralize Sinn Fein and the IRA *Revolutionary Underground* León Ó Broin,1976 [The Twelve Apostles](#) Tim Pat Coogan,2018-03-20 Ireland 1919 When Sinn F in proclaims D il ireann the parliament of the independent Irish republic London declares the new assembly to be illegal and a vicious guerrilla war breaks out between republican and crown forces Michael Collins intelligence chief of the Irish Republican Army creates an elite squad whose role is to assassinate British agents and undercover police The so called Twelve Apostles will create violent mayhem culminating in the events of Bloody Sunday in November 1920 Bestselling historian Tim Pat Coogan not only tells the story of Collins squad he also examines the remarkable intelligence network of which it formed a part and which helped to bring the British government to the negotiating table [The I.R.A. at War 1916-1923](#) Peter Hart,2003-11-20 Between 1916 and 1923 Ireland experienced rebellion and mass mobilization guerrilla and civil war partition and ethnic conflict and the transfer of power from British to Irish governments The essays in The I R A at War propose a new history of this Irish revolution one that encompasses the whole of the island as well as Britain all of the violence and its consequences and the entire period from the Easter Rising to the end of the Civil War When did the revolution start and when did it end Why was it so violent and why were some areas so much worse than others Why did the I R A mount a terror campaign in England and Scotland but refuse to assassinate British politicians Where did it get its guns Was it democratic What kind of people became guerrillas What kind of people did they kill Were Protestants ethnically cleansed from southern Ireland Did a pogrom take place against Belfast Catholics These and other questions are addressed using extensive new data on those involved and their actions including the first complete figures for victims of the revolution These events have never been numbered among the world s great revolutions but in fact Irish republicans were global pioneers Long before Mao or Tito Sinn F in and the Irish Republican Army were the first to use a popular political front to build a parallel underground state coupled with sophisticated guerrilla and international propaganda and fund raising campaigns Ireland s is also perhaps the best documented revolution in modern history so that almost any question can be answered from who joined the I R A to who ordered the assassination of Sir Henry Wilson The intimacy and precision with which we are able to reconstruct and analyse what happened make this a key site for understanding not just Irish but world history **Great Hatred** Ronan McGreevy,2022-05-24 THE IRISH TOP 10 BESTSELLER A gripping investigation into one of Irish history s greatest mysteries Great Hatred reveals the true story behind one of the most significant political assassinations to ever have been committed on British soil Heart stopping The book is both forensic and a page turner and ultimately deeply tragic for Ireland as much as for the murder victim MICHAEL PORTILLO Gripping from start to finish McGreevy turns a forensic mind to a political assassination that changed the course of history uncovering a trove of unseen evidence in the process ANITA ANAND author of The Patient Assassin Invaluable

IRISH TIMES Intelligent and insightful IRISH INDEPENDENT On 22 June 1922 Sir Henry Wilson the former head of the British army and one of those credited with winning the First World War was shot and killed by two veterans of that war turned IRA members in what was the most significant political murder to have taken place on British soil for more than a century His assassins were well educated and pious men One had lost a leg during the Battle of Passchendaele Shocking British society to the core the shooting caused consternation in the government and almost restarted the conflict between Britain and Ireland that had ended with the Anglo Irish Treaty just five months earlier Wilson s assassination triggered the Irish Civil War which cast the darkest of shadows over the new Irish State Who ordered the killing Why did two English born Irish nationalists kill an Irish born British imperialist What was Wilson s role in the Northern Ireland government and the violence which matched the intensity of the Troubles fifty years later Why would Michael Collins who risked his life to sign a peace treaty with Great Britain want one of its most famous soldiers dead and how did the Wilson assassination lead to Collins tragic death in an ambush two months later Drawing upon newly released archival material and never before seen documentation Great Hatred is a revelatory work that sheds light on a moment that changed the course of Irish and British history for ever McGreevy provides more than the anatomy of a political murder in reconstructing this era of blood poverty and wartime trauma he also gives full expression to the terrible forces that WB Yeats once called the fanatic heart and the great hatred THE TIMES Thoughtful and well researched an important and valuable addition to the library of the Irish Revolution PROFESSOR DIARMAID FERRITER University College Dublin **Conflict, Diaspora, and Empire** Darragh Gannon,2023-06-29 The actions of Irish nationalists in Britain are often characterised as a sideshow to the revolutionary events in Ireland between 1912 and 1922 This original study argues conversely that Irish nationalism in Britain was integral to contemporary Irish and British assessments of the Irish Revolution between the Third Home Rule Bill and the Anglo Irish Treaty Darragh Gannon charts the development of Irish nationalism across the Irish Sea over the course of a historic decade in United Kingdom history from constitutional crisis to war and revolution The book documents successive Home Rule and IRA campaigns in Britain coordinated by John Redmond and Michael Collins respectively and examines the mobilisation of Irish migrant communities in British cities in response to major political crises from the Ulster crisis to the First World War Finally Conflict Diaspora and Empire assesses the impacts of Irish nationalism in metropolitan Britain from Whitehall to Westminster The Irish Revolution this study concludes was defined by political conflicts and cultures across the Irish Sea

500 Great Military Leaders Spencer C. Tucker,2014-12-16 This insightful encyclopedia examines the most influential commanders who have shaped military history and the course of world events from ancient times to the present From Alexander the Great and Attila the Hun to Ho Chi Minh and Colin Powell 500 Great Military Leaders provides readers with insight into the most innovative and prominent individuals who have led armies to victory on battlefields all over the world The broad coverage ranges from military leaders from the ancient world to the present day including political figures who

directed war efforts and those who were responsible for major technological improvements This encyclopedia goes beyond providing factual information about each individual's life to delve into the greater historical context and impact on their contemporaries as well as on future military history The presentation of information is designed to enable readers to both observe the gradual evolution of warfare over time and clearly perceive the differences in tactics used by generals with varying military resources at their disposal The entries include not only information on the individual's life and work but a summary statement that assesses successes and failures across each leader's career and summarizes the overall impact Each entry also provides several references for further reading about that individual The accessible writing style of this resource and in depth information and analyses make it appropriate for high school and undergraduate level students as well as scholars of military history and individuals who simply enjoy reading about military history

Michael Collins Tim Pat Coogan, 1996 An early leader of the Irish Republican Army Collins negotiated and signed the Anglo Irish Treaty that eventually led to the creation of the Republic of Ireland

World War I Spencer C. Tucker, 2014-10-28 Offering exhaustive coverage detailed analyses and the latest historical interpretations of events this expansive five volume encyclopedia is the most comprehensive and detailed reference source on the First World War available today One hundred years after the beginning of World War I in 1914 this conflict still stands as perhaps the most important event of the 20th century World War I toppled all of the existing empires at the time transformed the Middle East and vaulted the United States to becoming the world's leading economic power Its effects were profound and lasting and included outcomes that led to World War II This multivolume encyclopedia provides a wide ranging examination of World War I that covers all of the important battles key individuals both civilian and military weapons and technologies and diplomatic social political cultural military and economic developments Suitable as a reference tool for high school and undergraduate students as well as faculty members and graduate level researchers World War I The Definitive Encyclopedia and Document Collection offers accessible in depth information and up to date analyses in a format that lends itself to quick and easy use The set comprises alphabetically arranged cross referenced entries accompanied by further reading selections as well as a comprehensive bibliography A fifth volume provides chronologically arranged documents and an A Z index

War and Change in Ireland, 1918-1924 Richard McConnell, Brian Malone, 2008-05 This volume looks at the political situation in Ireland before and after the formation of the Irish Free State It examines the major events and political figures during that time including Michael Collins and Eamon de Valera

The Complete Idiot's Guide to Irish History and Culture Sonja Massie, 2004-06-28 You're no idiot of course You know that St Patrick's Day is in March JFK was our only Irish Catholic President and the IRA isn't necessarily a tax deferred account But when it comes to knowing about the history and culture of Ireland you feel as Irish as a box of stale Lucky Charms Don't give up on the luck of the Irish just yet The Complete Idiot's Guide to Irish History and Culture is here to help you learn all about the Emerald Isle from the Celts to the present day In this Complete Idiot's Guide

you get Fascinating details on Celtic culture Blow by blow accounts of Ireland s struggle for freedom from British rule
Exciting tales of great Irish heroes like Brian Boru and Michael Collins Rich cultural traditions from wedding to wakes
Concise profiles of Irish icons in politics and the arts from Daniel O Connell to Oscar Wilde **The IRA in Britain, 1919-1923** Gerard Noonan,2014 A study of the activities of violent republicans in Britain during the Irish War of Independence and Civil War 1919 1923 including gunrunning and their campaign of violence as well as the reaction of the authorities **Historical Dictionary of the British Empire** Kenneth J. Panton,2015-05-07 For much of the nineteenth and early twentieth centuries Britain was the dominant world power its strength based in large part on its command of an Empire that in the years immediately after World War I encompassed almost one quarter of the earth s land surface and one fifth of its population Writers boasted that the sun never set on British possessions which provided raw materials that processed in British factories could be re exported as manufactured products to expanding colonial markets The commercial and political might was not based on any grand strategic plan of territorial acquisition however The Empire grew piecemeal shaped by the diplomatic economic and military circumstances of the times and its speedy dismemberment in the mid twentieth century was similarly a reaction to the realities of geopolitics in post World War II conditions Today the Empire has gone but it has left a legacy that remains of great significance in the modern world The Historical Dictionary of the British Empire covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Britain The IRB Owen McGee,2005 This book analyzes the ideology and organizational traditions of the Irish Republican Brotherhood IRB its role in Irish politics and its place in Irish history While the IRB has long been associated with the insurrections of 1867 and 1916 Owen McGee argues that it was never primarily an insurrectionary conspiracy rather it was a popular fraternal organization and propagandistic body committed to bringing about popular politicization in Ireland along republican lines Focusing primarily on the new departures in Irish politics between the land war of 1879 81 and the outbreak of the First World War this study identifies this period as being a critical phase in the evolution of modern Irish republicanism as well as being the pivotal stage in the history of the IRB itself It throws fresh light on the social and political origins of the Irish revolution of 1912 23 as well as the IRB s intended political role during that eventful epoch Prominent members included Michael Collins James Stephens Arthur Griffith Bulkmer Hobson Eamonn Ceannt and Edward Daly the latter two fought in 1916 and were executed as a result of their involvement British History For Dummies Seán Lang,2011-02-08 History is always a popular subject and British history has created some of the most lively and fascinating stories there are Britain as we know it today has been shaped by centuries of political turmoil between state and church as well as international conflicts making its history a fascinating insight into how modern Britain has emerged For this special hardback edition of British History For

Dummies we've added over 100 black and white and colour photos for an even more explosive experience of British history
British History For Dummies Illustrated Edition British history is still a major topic of interest emphasised by the continual
TV coverage and documentaries Inside you'll find rip roaring stories of power mad kings executions invasions high treason
global empire building and forbidden love not bad for a nation of stiff upper lips Includes fascinating information in the fun
For Dummies style from the Stone Age right through to modern day Britain and everything in between Provides the ultimate
British history experience and the hardback format with over 100 illustrations make it the perfect gift for amateur historians
