Shadow Caster Stephen Colter,2012-11-16 Bobby hasn't seen his grandmother Mae for a while. When she shows up, he isn't sure if it's really her since she arrives while he's dreaming. She returns each time he dreams and then tells him what's going on. He is a Shadow Caster. Strange things continue to happen when he dreams and even stranger things when he's awake. Then his shadow begins to do things not things that are under his control at least not at first. He has to figure out how to use mystical abilities to save Mae because she has answers to his questions since she too is a Shadow Caster. A fast-paced energetic story about Bobby, a boy who discovers a new world around him and inside himself. He and his two friends provide an innocent lighthearted and sometimes comical approach to dealing with situations from saving a dog to fighting with evil spirits. Bobby goes from geek to a supernatural-powered geek by discovering the lost practice of Shadow Casting. With a little help from his friends, the walking dead, and spirits from the past, he overcomes some bizarre obstacles in order to release Mae from being held captive by a evil foe. Many ancient cultures looked to spirits for guidance, religion, healing, physical strength, and protection against evil. The background of the Shadow Caster is derived from Native American lore which provides the underlying theme of spiritualism and atonement with nature. **Shadow in the Mirror** Adele Hewett Veal,2015-05-21

Leslee Cramer suffers from multiple personality disorder, the result of childhood abuse. Because of this illness, she has been known to find herself suddenly in strange places with no understanding of how she got there, having lost time along the way. But when she wakes up in a strange bed with a strange man who claims to be her husband, she knows something drastic has changed. It turns out that Lee Leslee's alter ego has been in control for ten years. During that time, she married and had two children, only to have her escapades terrify the kids and alienate her husband Kevin. Leslee, at sea in a life she doesn't recognize, turns to her longtime friend Veronica Moore for help. Along with her doctor Alex Whitfield, Veronica is one of the few people who are aware of Leslee's disorder. With their help, Leslee must find the strength to hold onto her true identity and to recover the family that she is on the brink of losing. *Shadow in the Mirror* reaches beneath the surface of one woman's life and peers into the mirrored image of her soul to tell a story of love and forgiveness. Cartoons Magazine ,1916 *The Shadow of the Second Mother* Prophecy Coles,2015-02-20 *The Shadow of the Second Mother* explores why there has been such little interest in psychology, social history, and biography in the important contribution that second mothers, such as wet nurses and nannies, have had upon the emotional life of the children they have nursed. For the last three thousand years and throughout most civilisations, they have nurtured the children of the privileged and kept alive the abandoned and unwanted child, and yet there has been a profound silence surrounding the influence they may have had. The author explores the lives of several well-known people who have been wet-nursed, such as Michelangelo, Rousseau, Jack London, Nabokov, and Klein. She speculates

that they all were affected emotionally by their second mother and concludes that a universal feature of such delegated mothering seems to be that the bond between mother and child is broken and the child may be left with a life long distrust of close relationships In *The Shadow of the Second Mother* Coles combines an exploration of attachment theory with neurology making it possible to give an explanation as to why these important figures have lain unnamed and ignored in our social and psychological consciousness This intriguing new approach to an ancient practice will be fascinating reading for psychotherapists psychoanalysts sociologist and students of social history

In the Shadow of the Greatest Generation
Melinda L. Pash, 2014-05-22 Largely overshadowed by World War II's greatest generation and the more vocal veterans of the Vietnam era Korean War veterans remain relatively invisible in the narratives of both war and its aftermath Yet just as the beaches of Normandy and the jungles of Vietnam worked profound changes on conflict participants the Korean Peninsula chipped away at the beliefs physical and mental well being and fortitude of Americans completing wartime tours of duty there Upon returning home Korean War veterans struggled with home front attitudes toward the war faced employment and family dilemmas and wrestled with readjustment Not unlike other wars Korea proved a formative and defining influence on the men and women stationed in theater on their loved ones and in some measure on American culture In *The Shadow of the Greatest Generation* not only gives voice to those Americans who served in the forgotten war but chronicles the larger personal and collective consequences of waging war the American way

ADELA CATHCART - The Complete Fantasy Tales Series: The Light Princess, The Shadows, Christmas Eve, The Giant's Heart, The Broken Swords, The Cruel Painter, The Castle and many more George MacDonald, 2015-10-20 This carefully crafted ebook ADELA CATHCART The Complete Fantasy Tales Series The Light Princess The Shadows Christmas Eve The Giant's Heart The Broken Swords The Cruel Painter The Castle and many more is formatted for your eReader with a functional and detailed table of contents Excerpt I confess I was a little dismayed to find what a solemn turn the club stories had taken But this dismay lasted for a moment only for I saw that Adela was deeply interested again wearing the look that indicates abstracted thought and feeling I said to myself This is very different mental fare from what you have been used to Adela But she seemed able to mark learn and inwardly digest it for she had the appearance of one who is stilled by the strange newness of her thoughts I was sure that she was now experiencing a consciousness of existence quite different from anything she had known before But it had a curious outcome

Long Shadow in Postcolonial Contexts Ana Filipa Prata,Rodrigo Verano,2024-06-10 This interdisciplinary volume explores the ancient Greek myth of Medea and its global analogues found in other mythic and folk tales of deadly exiled women such as those of La Malinche and La Llorona examining the connections between these figures and their depictions from antiquity to modernity The book considers the figure of the foreign woman her exile fratricide and infanticide in its ancient Greek form and in global postcolonial receptions in a range of media including drama film novels and the visual arts The chapters illuminate the contradictions of considering the classical Medea as a central reference point for analysis of other female figures from peripheral territories while simultaneously acknowledging the insights that such comparisons can yield Emphasizing the ways in which Medea s seditious nature enables the establishment of an extensive and heterogeneous intertextual network with other mythic characters who represent a similarly disruptive role in their specific local historical and cultural contexts the book argues for a comparative analysis that is equally attentive to myths and folk tales from all regions These essays by scholars of classics comparative and world literatures and postcolonial studies represent a plurality of perspectives from different academic contexts in Africa Latin America North America and Europe and examine how different cultures have depicted women foreigners crime and abjection The foundations of Greek myth and subsequently of the classical tradition itself are interrogated from a postcolonial perspective In tracing the portrayals of Medea and other mythic women through the overlapping features of different female characters and plots and intertwining local cultural and literary materials with broader debates this volume challenges Eurocentric narratives of power and cultural domination and works to decentralize the discussion of Medea from the exclusive domain of classical studies Medea s Long Shadow in Postcolonial Contexts will be of interest to students and scholars working on Greek tragedy and its reception as well as to those studying postcolonial and global approaches to literature culture and gender studies **Persona Q: Shadow of the**

Mind Philip Sr. LeBreton,2017-07-28 Sandy is a young beautiful girl She could have any man she wanted Finally Sandy thinks

she's found the right man. He's not really that good looking but he's rich and comes from a mother of a very wealthy family. Things go terribly wrong. She had a nice little dinner and had a drink in her hand when there was a knock at the back door. Her boyfriend William goes to answer the door. Sandy thought she heard them arguing and then William stumbled into his living room with blood gushing from his chest. He fell dead on the floor. The two men grabbed little Sandy and she fights hard to get away but they are too strong. A police detective who specializes in murder cases just moved to Maine. Chief of police is an old friend of Ned's and he asks him if he would take over the murder case. Ned agrees to find the murderers.

Dark Shadow of Babylon Julian Speed, 2014-11-07 An evil and ancient Babylonian priest fallen to shadow is mistakenly freed from its entombed prison during an archaeological dig for Roman artifacts by Frederick and his professor. Frederick, a sensitive to the unseen world of the dead since early childhood, has all but abandoned and run from his ability. He flees the excavation and returns to the United States to consult with his sister Mira, also a psychic. Upon returning to the United States, he decides not to contact his sister and forget what transpired on the isle. A rash of murders ensues in two sleepy small towns of West Virginia not long after Frederick returns to the US. Frederick the pretender, his sister Mira a believer, Antonio a skeptic, and Eva an outcast gypsy will all come together to face an evil that will bring doom to the living and the dead. A secret society that will kill at all cost, a vengeful spirit, and a creature of the night looking for redemption will all have a part to play in *Dark Shadow of Babylon*. *Dark Shadow of Babylon* is a horror paranormal novel with light elements of suspense. The bulk of the story takes place in the modern day world in the year 2012, however, the preface of the story begins during the Roman invasion of Britannia in 61 AD.
