

Nutritional Support To Primary Education

MYUPSC

A decorative graphic element consisting of a light blue horizontal bar with a rounded right end, and a red circular shape partially visible behind it.

Nutritional Support To Primary Education:

Nutritional Support To Primary Education Fahimuddin, 2003 The Government Of India In Recent Past Has Initiated Several Incentive Schemes With The Objective To Provide An Inducement To The Parents And Children Of The Socially Backward And Economically Poor Classes Of The Society To Obtain At Least The Basic Education The National Programme Of Nutritional Support To Primary Education Mid Day Meals Scheme Is An Incentive Scheme That Has Remained Under Implementation Since 1995 96 To Give A Boost To The Universalization Of Primary Education By Increasing Enrolment Retention And Attendance And Simultaneously Aiming At Improvement In The Nutritional Level Of Students By Providing Cooked Uncooked Meal Of 100 Gms Of Foodgrains Per School Day Free Of Cost To Each Child Enrolled In Class I To V To Examine The Effectiveness Of The Scheme In Boosting The Basic Education The Planning Commission Government Of India Commissioned The Author To Carry Out An In Depth Study With The Particular Focus On I Examining The Impact Of The Scheme In Increasing Enrolment Retention And Attendance In Primary Schools Ii Assessing The Impact Of The Scheme On The Girls And Socio Economically Poor Students Iii Analyzing The Impact Of The Scheme On The Nutritional Level Of Students Iv Exploring The Views Of The Students Teachers Parents Gram Panchayat Officials About The Scheme And V Suggesting Policy Guidelines To Make The Scheme More Effective And Result Oriented The Findings Of The Study Indicate Both Of Success And Failure Of The Scheme This Book Would Be Very Useful To The Policy Planners Politicians And Researchers Who Are Keen To See India Achieving The Goal I E Universalization Of Basic Education *Implementing school food and nutrition policies*, 2021-09-14 Schools play an important role in promoting healthy diets and good nutrition and can create an enabling environment for children However the school food environment is often not conducive to a healthy diet To address this challenge and to support Member States in implementing policy measures as recommended by the Framework for Action from the 2014 Second International Conference on Nutrition the World Health Organization WHO is in the process of developing evidence informed policy guidelines on the food environment including school food and nutrition interventions and policies with a focus on five interventions and policies that influence the school food environment These five include nutrition standards or rules direct food provision marketing restrictions nudging interventions and pricing policies This review on contextual factors to be considered in the implementation of school food and nutrition policies was prepared as part of the required process for WHO guideline development *Universalisation of Elementary Education* J. Ravindra Babu, 2009-05-05 The success of the primary education system has a direct bearing on the upper primary non formal and adult and continuing education sectors an efficient primary education system is expected to contribute significantly to total literacy an appropriate rise in literacy levels improves the functioning of other systems of education Effective delivery of primary education contributes to bettering India s HDI Human Development Index including our standing in the Human Development Index evolved by UNDP This volume is a study of the District Primary Education Programme DPEP in one of the

states of South India It is a piece of policy evaluation research expected to contribute to the ongoing discussion of policy processes in primary schools It specifically questions to what extent objectives such as access retention quality and equality are achieved by the implementation of the DPEP Figures from before and after the implementation of the DPEP show a significant increase in enrolment levels in primary schools all over the state Thus the major impact of DPEP implementation is seen in enhanced access to primary schools The study shows that the DPEP implementation succeeded in attaining the objective of equality This can be observed from gender equality in dropout rates at various primary grades The DPEP seems to have achieved only moderate success in meeting the objective of retention of students The DPEP does not seem to have approached the quality objective very seriously
