Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1976 **Spirituality for Youth-Work** Phil Daughtry,2016-09-23 This book addresses a systemic gap in existing studies on human services and youth work While the notion of spirituality does make rare appearances in such literature it is often vaguely defined and underdeveloped both as a concept and as a mode of practice This ambiguity is symptomatic of the broader shift in the sociological context of Western and global societies that has been referred to variously as post modern late modern and post secular From the perspective of the relationship between human development and the spiritual theological we live in a time between times We have not yet worked out how to speak of spirit nor how to include its meanings in positive youth intervention and developments in our language for a public spiritual consciousness remain in a state of cultural flux This book offers a coherent vocabulary and narrative from which to construct a more explicit and deliberate practice of spiritual care education and professional identity for youth workers It speaks directly to youth work practitioners managers of youth services those providing youth work education and anyone with an interest in youth and spirituality research and practice

From the Stone Age to Thomas Merton Larry Hart,2018-09-13 This is a book about prayer about Christian prayer about Christian contemplative or meditative prayer as a way of simply being in the loving presence of God It begins with prayer as that natural sense of the divine what has been known for centuries as the *sensus divinitatis* that consciousness of the mystery of God that is in each of us from the time of our birth There are many ways of praying and they all tend toward contemplation or mysticism That is toward heightening our conscious connection to God our awareness of the love of God our wakefulness to the presence of the Father the Son and the Holy Spirit in us through us and around us By tracing the origins of contemplative prayer its practice through the Old and New Testament Scriptures then across the centuries of the Christian era to the contemporary world it is hoped that the reader will develop a keener appreciation for the depth beauty and richness of the Christian spiritual tradition

Care Through Touch Mary Ann Finch,1999-01-10 Most statements about embodied spirituality have been cerebral and abstract presented from a theological or philosophical point of view This massage manual seeks to give the reader an experience of embodied spirituality The introduction situates massage the art of anointing within the framework of Christian spirituality and then proceeds to enliven that through the meditative quality of the massage sequences through the graphic and sensitive portrayal of vulnerability among the various men and women who volunteered to be the models in the sequences and last but not least through the

visible devotion of the massage therapists

Everyday Grace Jessica Thompson, 2015-04-14 Your Grace Filled Guide to Relationships It s hard sometimes to get over that thing your husband said weeks ago or to resolve that tension with your colleague at work or to fix a lifelong friendship that s taken a bad turn The biggest problem with relationships is they always seem to involve sinners including ourselves So how can we form strong resilient bonds with people who like us are bound to mess up Thankfully it s not all on us Through stories and biblical teaching Jessica Thompson helps us move beyond trying to fix the people we interact with and shows us a better way Though our relationships may be marred by tension and frustration because we are welcomed and known by Christ they don t have to stay that way Nothing changes the way we relate to others more than knowing how God relates to us Knowing how God loves us and forgives us and is gracious and merciful toward us and forbears with us inevitably affects the way we think about other people My good friend Jessica Thompson has written a book that articulates who God is for us and then shows how that changes the way we are toward others Thank you Jessica for reminding me that God always meets my mess with his mercy and my failure with his forgiveness Knowing this makes me want to love God and others Tullian Tchividjian founder of Liberate and author of One Way Love Inexhaustible Grace for an Exhausted World We need grace in all our relationships So much loneliness feeling betrayed alienation anger vengeance sadness grief find their roots in relational conflict Jessica humbly guides us to see that only by being a recipient of God s grace can we be agents of grace in our relationships She does this with humor honesty and confession from her own experience not with advice as a relational guru Justin S Holcomb Episcopal priest seminary professor and author of On the Grace of God Everyday Grace is for all who have struggled to accept their children and honor their parents and initiate with their neighbors and forgive their spouses and respect their bosses and celebrate their rivals But it is not filled with practical tips that would trivialize the difficulty of these things Nor is it a book of relational psychology that would strategize a resolution to these things Instead it is filled with the Scriptures that speak to these things helping us to rest in Christ s covering of all our relational failure and inviting us to change by the power of the Holy Spirit Nancy Guthrie Bible teacher and author Relational paradise was lost when our first parents fell into sin Our desire for change in this area is anywhere between cautiously optimistic and downright cynical What I enjoy about Everyday Grace is that Thompson simply cannot get over the one hope for true reconciliation God in Christ has befriended us Gloria Furman author of Glimpses of Grace and Treasuring Christ When Your Hands Are Full Relationships are hard We know this Jessica Thompson knows this too and shares how she fights to take her gaze off herself and onto the only one who can help our broken relationships Jesus Her method doesn t come from a list of ways to implement change rather she focuses on the gospel that transforms hearts and minds Be encouraged by the good news as you read Everyday Grace for it is the gospel that is our only Hope for our relationship problem Trillia Newbell author of Fear and Faith Finding the Peace Your Heart Craves and United Captured by God s Vision for Diversity

Precious Pearls of Faith Barbara Duncan, 2014-07-09 Barbara has used her amazing ability to

apply the living word of The Bible to everyday life through her writing and preaching in this book Rev Dr Blake R Heffner Rejoice in the spiritual blessings of God I was silenced in shock as we descended those stairs my pastor quietly quoted our Lord Jesus Whatever you did for one of the least of these you do for me Matt 25 40 I stopped in my tracks looked back up at that apartment I saw Jesus sitting next to Phoebe with His arm around her That day changed my life That verse from our Lord is at the core of who I am today and what I have believed every day for the past thirty five years as a Christian so shall it always be Jesus has been right by my side giving me His words How blessed we are to have living words from Him This faith discussion is a collection of reflections sermons and meditations we will share as we journey together exploring the spiritual blessings of our faith

Broken Greg Fromholz, 2015-08-18 The growing disconnect between the instructions of Jesus and the actions of his followers has caused a rift Instead of reaching out beyond our walls we hold tight to traditions that seem outdated Instead of exploring other faith perspectives we shake a judgmental fist at a secular society Instead of engaging culture in their questions about what our lives should be like we talk as if God only cares about the next life As a result our witness has become as divisive as sin itself This book is a call to restore the trust that we have lost in our relationships with each other and with God Expounding on stories from the Bible history culture and his own experiences Fromholz explores the source of the disconnect and provides a blueprint for reconnection A snowball fight between soldiers and students demonstrates that trust can overcome fear The biblical story of Abraham and Sarai shows how restoring trust can restore faith in God The author's seventeen year search for his father sends a powerful message new trust brings a new future Through authentic honest and challenging prose Fromholz examines the power trust has in freedom forgiveness and reconciliation Recognizing that we are part of this culture and life around us Broken will inspire us to be who we were always created to be connected and restored so that we can find and multiply hope

Of Good Comfort Stephen Pietsch, 2016-09-16 This is a feast for theologians historians and Christian counselors Pietsch examines 21 of Luther's letters of comfort to explore Luther's pastoral care for souls suffering with depression Pietsch uses interdisciplinary tools of inquiry artfully to examine the letters Luther's pastoral care approaches and the history of the melancholy tradition The practice of seelsorge emerges as an amalgam of art spiritual gift and understanding of affliction all resting comfortably within the authority of scripture and the Lutheran Confessions Pietsch's volume is a significant contribution to spiritual care literature underscoring the conviction of the early church that individual soul care is an essential response to serve those who despair Offering pivotal pastoral care insights that are often lost discredited or entirely absent in the work of caring for those who suffer with depression Pietsch concludes that Luther has given us excellent tools to examine learn and to teach as we assist souls to find hope strength and healing in the gospel of Jesus Christ Professor Beverly Yahnke Concordia University Wisconsin Executive Director of Christian Counsel Doxology Lutheran Centre for Spiritual Care and Counsel

The Mirage Shall Become a Pool Ondrej Hron, 2012-11-01 Few things are as important as our notions of justice and mercy Yet how are we to make sense of

our moral treatment of the poor given all the political philosophical and theological voices While Christian Scripture is not silent on the matters of social justice and charity even here our variously conditioned presuppositions cause us significant interference Only a careful hermeneutical reset can move us beyond our personal and cultural situatedness This requires a thorough exploration of both interpretative strategies and pertinent scriptural witnesses So how would the New Testament witness have us treat the materially needy How do we act justly and love mercy in walking humbly with our God Let's Look Together Wicks, Robert J.,2023-03-02 Spiritual mentoring advice inspired by the writings and life of renowned priest and author Henri Nouwen **McMaster Journal of Theology and Ministry: Volume 16, 2014-2015** Hughson T.
