Ai Ssu-ch'i's Contribution to the Development of Chinese Marxism Joshua A. Fogel,2020-10-26 Before the Cultural Revolution Ai Ssu ch i 1910 1966 was one of Communist China s foremost Marxist philosophers second only to Chairman Mao himself Ai was attracted to Marxism Leninism as a young student in China and Japan and wrote numerous books and articles seeking to explain the complexities of the philosophy in language everyone could understand His writings were enormously popular during the 1930s and 1940s and went through many printings despite continuous harassment from Kuomintang censors This volume is the first full length study of Ai Ssu ch i In spite of his popularity Ai has largely been ignored in recent histories of the Chinese Communist movement because his importance lies in his function as a popularizer rather than as an original thinker However it can be shown that Mao and other leaders of the movement were influenced by him and his writings and translations certainly helped to attract many young Chinese intellectuals to the Communist cause The recent flood of reminiscence literature in China has reserved a special place of prominence for Ai Ssu ch i This is not only because he was so admired by Mao but also because he devoted his life so enthusiastically and wholeheartedly to the Party Joshua Fogel traces the pattern of this devotion via Ai s crucial role in spreading Marxist Leninist thought among Chinese intellectuals **Hearings Regarding Communist Activities in the Territory of Hawaii** United States. Congress. House. Committee on Un-American Activities,1950 **Marxist Philosophy in China : From Qu Qiubai to Mao Zedong, 1923-1945** Nick Knight,2006-01-01 This book recounts the history of Marxist philosophy in China between 1923 and 1945

through the writings and activities of four philosophers Qu Qiubai Ai Siqi Li Da and Mao Zedong Two of these philosophers Qu and Mao were also political activists and leaders but their contribution to this history is as important if not more so than the contribution of Ai and Li who were predominantly philosophers and scholars The inclusion of Qu and Mao underlines the intimate connection between philosophy and politics in the revolutionary movement in China It is not possible to speak credibly of Marxist philosophy in China without considering the political context within which its introduction elaboration and dissemination proceeded Indeed each of the philosophers considered in this book repudiated the notion that the study of philosophy was a scholastic intellectual exercise devoid of political significance Each of these philosophers regarded himself as a revolutionary and considered philosophy to be useful precisely because it could facilitate a comprehension of the world and so accelerate efforts to change it By the same token each of these philosophers took philosophy seriously each bent his mind to the daunting task of mastering the arcane and labyrinthian philosophical system of dialectical materialism

Philosophy might well be political they believed but this was no excuse for philosophical dilettantism **Exposé of the Communist Party of Western Pennsylvania Based Upon Testimony of Matthew Cvetic, Undercover Agent** United States. Congress. House. Committee on Un-American Activities, 1950 pt 2 March 24 1950 testimony of Matthew Cvetic March 25 1950 testimony of Harry A Sherman and Matthew Cvetic pt 3 June 22 1950 testimony of Matthew Cvetic September 28 1950 testimony of Matthew Cvetic October 13 1950 testimony of William Jackson Jones October 21 1950 testimony of Matthew Cvetic **Records and Briefs of the United States Supreme Court ,1832 C.L.R. Dialectics John H. McClendon, 2005-01-01 John H McClendon III s CLR James s Notes on Dialectics Left Hegelianism or Marxism Leninism is the first ever book devoted exclusively to James s magnum opus Notes on Dialectics Hegel Marx Lenin The seed for this study was planted over thirty years ago when James handed the author his personal copy of Notes James s contribution to dialectical philosophy and his vast intellectual and scholarly output is rivalled only by the seemingly bottomless depths of McClendon s own analysis and erudition McClendon provides a thorough going critique of James s exploration into the dialectic of Hegel Marx and Lenin while challenging all the seminal texts on James s Notes A book of this magnitude is rare This is ever more the truth when it is focused on a giant like James who stands at the nexus of so many disciplines philosophy history sociology Caribbean studies cultural studies African and African American studies CLR James s Notes on Dialectics Left Hegelianism or Marxism Leninism is a must read for anyone concerned with how revolutionary theory is a guide to contemporary struggles Turbulent Decade Jiaqi Yan, Gao Gao, 1996-01-01 The Great Proletarian Cultural Revolution occurred in the second decade after Mao Zedong and his comrades came to power in 1949 A comprehensive narrative account of this colossal event written by Yan Jiaqi one of the principal leaders of China s pro democracy movement and his wife Gao Gao a noted sociologist appeared in Hong Kong in 1986 and was quickly banned by the Communist government Not surprisingly censorship and restricted circulation in China resulted in underground

reproduction and serialization The work was thus widely read coveted and appreciated by a populace who had just freed itself from the cultural drought and political dread of the event Yan and Gao later spent two years revising and expanding their work The present volume *Turbulent Decade A History of the Cultural Revolution* is based on the revised edition and has been masterfully edited and translated by D W Y Kwok in consultation with the authors Following Professor Kwok s eloquent introduction and a short foreword in which the authors analyze the basic causes of the Cultural Revolution Part One of the narrative focuses on the years 1965 1967 In two short years Mao managed to turn public opinion against Liu Shaoqi president of the Republic and launch the Cultural Revolution The reader is introduced to the Red Guards and encounters the cult of personality the first resistance to the Cultural Revolution the attack on Zhou Enlai and the persecution and death of Liu Shaoqi Part Two examines the rise and fall of Lin Biao during the years 1959 1971 Lin s bid for power which began with the consolidation of his personal clique in the army and mass level persecution in the late stages of the Cultural Revolution ended in a failed coup and his death in an air crash Part Three follows Jiang Qing from 1966 to her arrest in 1976 for her part in instigating mass violence and the persecution of key figures including Zhou Enlai During this period the political fortunes of Deng Xiaoping rose and fell for a second time the first protest at Tiananmen Square in 1976 ended in a bloody suppression and that same year the Gang of Four were arrested Unlike social scientific treatments of political phenomena *Turbulent Decade* includes little discussion of economics still less of international relations and no institutional analysis Instead the authors fervent belief in the truthful telling of history through its leading personalities pervades the work

New Perspectives on the Chinese Revolution Tony Saich, Hans J. Van De Ven, 2015-03-04 These essays present fresh insights into the history of the Chinese Communist Party CCP from its founding in 1920 to its assumption of state power in 1949 They draw upon considerable archival resources which have recently become available
