Historic Negro Spirituals as Biblical Interpretation Christa Klingbeil Dixon, 2024-12-15 Dr Christa K Dixon 1935 2003 grew up during the time of World War 2 where her father a German Confessing Church pastor regularly visited American POW camps and young Christa heard African American soldiers singing spirituals Her fascination grew but Dixon s interests became quite focused on her interest in how the famous spirituals interpreted the Bible In the mid 1960s Dr Dixon earned her PhD working on Negro Spirituals in Germany and published the text that formed from her years of research and long lasting passion for the spirituals she heard during her visits to the prisoner camps with her father A work of careful analysis and scholarship Dixon s study has since been out of print but now newly translated and presented for an audience to rediscover In John Lovell s important 1972 monograph *Black Song The Forge and Flame* he wrote Perhaps the most intensive study of Biblical influences in the spiritual is found in Christa Dixon s *Wesen und Wandel geistlicher Volkslieder Negro Spirituals* her analyses are not only deeply intensive but quite creative In this book Drs Kim R Harris and Daniel L Smith Christopher provide not only a translation of the published German work but also contribute two new essays to accompany this timeless study as both modern critique and long overdue appreciation
