Preaching The Sacrament Of The Word:

Preaching Donald Coggan, 1988 **The Preached God** Gerhard O. Forde, 2007 The Preached God speaks directly to preachers calling them to deliver the truths of forgiveness life and salvation through both word and sacrament to all who listen

Preaching, Word and Sacrament Nigel Yates, 2009-02-12 This study follows on from Yates standard work Buildings Faith and Worship the Liturgical Arrangement of Anglican Churches 1600 1900 OUP 1991 revised edition 2000 and Liturgical Space in Western Europe since the Reformation Ashgate 2008 to provide the first detailed study of Scottish post Reformation church interiors for fifty years In the intervening period many of the buildings described by George Hay have been demolished converted to non ecclesiastical use or liturgically reordered However this study goes further to include many surviving examples not noted by Hay and extends his work further into the nineteenth century with a detailed study of buildings up to 1860 and with a more general consideration of later nineteenth and early twentieth century church architecture in Scotland The detailed study of developments in Scotland especially those in the Presbyterian churches are set in the context of comparative developments in other parts of Britain and Europe especially those in the Reformed churches of the Netherlands and Switzerland to create a groundbreaking new study by an established author

The Sacrament of the Word Made Flesh Robert J. Stamps, 2013-08-01 Robert Stamps offers us a compelling case for the significance of the theology of Thomas Torrance to current discussions about Trinitarian doctrine and worship He shows that Torrance s Christology and Eucharistic thought validates the Reformed confession of a profound real spiritual presence in the Eucharist This book serves as a helpful introduction to Torrance especially his framing of revelation Moreover it invigorates our understanding of the theological meaning of sacramental devotion Its readers will be stimulated provoked and dare I say inspired by its insights into and critiques of one of the most important and recent Reformed thinkers In sum this is a timely and exciting book It will well serve pastors theologians and thoughtful Christians of many theological perspectives MARK VALERI E T Thompson Professor of Church History Union Theological Seminary Virginia One of the values of this work is that it has deliberately sought not so much to discuss a particular problem or a collection of issues as to identify Torrance as an example of an archetypal Reformed theology of the Eucharist To say that Dr Stamps has been industrious is patently an understatement the truth is that he has been indefatigable in his search for the least morsel that Torrance offers Yet it is not so much as a study of Torrance that this book is to be commended its great value is that it offers a contextualization of Torrance s thinking on the Eucharist in ecclesiology the more general dimension of an incarnational theology as well as his understanding of cosmology and epistemology I hope that Dr Stamps book will not only find grateful readers but will be repaid by profound reflection on this symbol of the heart of faith JOHN HEYWOOD THOMAS Emeritus Professor of Theology University of Nottingham

The Sacramentality of Preaching Todd Townshend, 2009 In the time of the church transformation renewal and the process of coming to faith rely on the symbolic efficacy of speech where God is encountered as a word The

Sacramentality of Preaching examines the thought of Louis Marie Chauvet and incorporates it into contemporary homiletical theory in order to bolster and renew Christian proclamation that has an intentionally sacramental character Liturgical preachers will find practical pathways frameworks and common language through the use of this innovative sacramentology

The Sacrament of the Word Donald Coggan,1987 **Jesus Christ in the Preaching of Calvin and Schleiermacher**

Dawn DeVries,2002-03-01 While the effects of historical criticism on theology in the modern period have been well documented their implications for modern preaching have been largely ignored Dawn DeVries examines the content of and reasoning behind the preaching on the Synoptic Gospels by John Calvin and Friedrich Schleiermacher in order to ascertain their responses to the historical Jesus By doing so DeVries demonstrates that the shifting of emphasis in modern preaching from the miraculous aspects of the Gospel narratives to the internal miracles of faith has historical intellectual and spiritual grounding in the work of these classical theologians The Columbia Series in Reformed Theology represents a joint commitment by Columbia Theological Seminary and Westminster John Knox Press to provide theological resources from the Reformed tradition for the church today This series examines theological and ethical issues that confront church and society in our own particular time and place **Enflamed by the Sacramental Word** Vincent J. Pastro,2010-04-15 Christian proclamation says Dietrich Bonhoeffer is the living Christ walking among the people Preachers know that Jesus is the living Word and that the Spirit of Jesus animates the preaching event Preaching is an epiclesis an invocation of the Holy Spirit over God's holy people As such it must touch their imagination Pastro proposes that preaching is the living ecclesial presence of Jesus Christ Sacramental Word of the God of the poor The Word speaks from the imagination of the poor the economic poor but also the new poor of the twenty first century entire indigenous cultures women those marginalized because of their sexuality undocumented immigrants in dominant cultures and many others All Christian preachers in every context are called to solidarity with the poor Publisher info **Essentials of Christian Theology** Stanley James Grenz,William Carl

Placher,2003-01-01 This splendid introductory textbook for Christian theology presents two essays by leading scholars on each of the major theological questions William Placher provides an excellent discussion of the history and current state of each doctrine while the essays explore the key elements and contemporary issues relating to these important theological concepts The Holy Preaching Paul Janowiak,2000 The reform of the liturgy has dramatically changed the way Roman Catholics and all Christians understand their worship The arena of the encounter has shifted from a passive experience of observation of the great Mysteries to one that invites active participation on many levels Yet the imagination of many who preach preside and gather to worship continues to be shaped by a passive model as well as by the notion of sacramental activity as a product to be received or given In The Holy Preaching Janowiak deepens the discussion of Christ's presence in the Word by offering reflection on the disparity between the theology and the practice of preaching and some explanation as to why that disparity exists

Word and Sacrament Donald Macleod,1960 **Preach the Word** Stephen Oliver

Stout,2014-12-09 At some time or another every preacher has entered the pulpit wondering What shall I preach This study finds the answer in the preaching charge of 2 Timothy 4 1 5 summarized in the command Preach the Word In this careful examination of the preaching ministry of Paul as recorded in his letters and sermons in the book of Acts a Pauline theology of preaching emerges What this work discovers is that the governing activity of the ministry of the Apostle Paul is the verbal proclamation of the gospel of Christ All other activities in his ministry are subservient to this overriding concern and they find meaning only if preaching is primary That being the case this book takes seriously the words of Paul when he encourages future preachers to follow his teaching conduct and purpose 2 Tim 3 10 offering Paul as the model for the Christian preacher As readers will discover anyone who desires to preach biblically should seek to preach like Paul and the way to do that is to Preach the Word *The Oxford Handbook of Sacramental Theology* Hans Boersma,Matthew

Levering,2015-08-06 As a multi faceted introduction to sacramental theology the purposes of this Handbook are threefold historical ecumenical and missional The forty four chapters are organized into the following parts five parts Sacramental Roots in Scripture Patristic Sacramental Theology Medieval Sacramental Theology From the Reformation through Today and Philosophical and Theological Issues in Sacramental Doctrine Contributors to this Handbook explain the diverse ways that believers have construed the sacraments both in inspired Scripture and in the history of the Church s practice In Scripture and the early Church Orthodox Protestants and Catholics all find evidence that the first Christian communities celebrated and taught about the sacraments in a manner that Orthodox Protestants and Catholics today affirm as the foundation of their own faith and practice Thus for those who want to understand what has been taught about the sacraments in Scripture and across the generations by the major thinkers of the various Christian traditions this Handbook provides an introduction As the divisions in Christian sacramental understanding and practice are certainly evident in this Handbook it is not thereby without ecumenical and missional value This book evidences that the story of the Christian sacraments is despite divisions in interpretation and practice one of tremendous hope **The Bible in Worship** Victoria Raymer ,2018-02-27 Biblical

proclamation is central to Christian worship The Bible witnesses to the foundational experiences of the Church Its proclamation invites worshippers into encounter with Christ the living Word The Bible in Worship seeks to make visible how the Bible is encountered in the worship of mainstream Western churches Focusing in turn on the Roman Catholic Reformed and Anglican traditions Victoria Raymer offers a detailed and lively consideration of the contemporary practices of proclamation in each considers their respective patterns of reading the Bible as part of public worship and reflects on the place the Bible takes in daily prayer Raymer also draws our attention towards the role the psalms play in contemporary formal liturgy and offers a chapter on how the Bible is weaved into less formal forms of worship including contemporary sung worship Offering a truly holistic study of the scripture in worship the book will resource readers to reflect on how proclamation invites response in understanding and resolve and to consider how it might do so more effectively **Holy**

Presence, Holy Preaching Maria Teresa Montes Lara OP, Vincent J. Pastro, 2023-08-31 Almost 500 years ago a Mexican survivor of the conquista was on his way to catechism lessons just outside present day Mexico City. He experienced a holy presence on the hill of Tepeyac that changed the hermeneutic of the dignity of the poor forever. This book is about Our Lady of Guadalupe under her popular title Santa Maria Tonantzin Guadalupe. It centers on her indigenous and feminine identity as the Preaching Woman. She and the people she animates, the Hispanic Latino community, are icons of the presence of the Holy Trinity. As Sacrament of the Holy Spirit and bearer of the Sacramental Word, she enables the pueblo, the people of God, to exercise their baptismal ministry as holy preachers. Baptism and the Anglican Reformers G. W. Bromiley, 2023-02-23 Writing in the middle of the twentieth century G. W. Bromiley was acutely aware of the renewal of debates surrounding baptism taking place within the Anglican church and elsewhere. These debates, which are still the cause of denominational division, can be best understood by tracing them back to their origins in the sixteenth century. Analysing the Anglican Reformers' views on baptism's sacramental status, its liturgical format, and its theological substance, Bromiley places the current diversity of positions in its proper context. The legitimacy of infant baptism, the authority of ministers, and the efficacy of grace are all discussed. Whether a scholar of ecclesiological and doctrinal history or of the current debate within and between churches, this study is essential reading on the question of baptism past and present. The Preached God Gerhard O. Forde, 2017-01-01 The Preached God speaks directly to preachers, calling them to deliver the truths of forgiveness, life, and salvation through both word and sacrament to all who listen. One with Christ Marcus Peter Johnson, 2013 Foundational to believers' salvation is their union with Christ. In this accessible introduction, Johnson argues that this neglected doctrine is the lens through which all other facets of salvation should be understood. John Calvin's Ecclesiology Gerard Mannion, Eduardus Van der Borght, 2011-06-02 Many events were staged and a plethora of new books appeared to mark the quincentenary of the birth of John Calvin in 2009. But one area received considerably less attention in that anniversary year: namely Calvin's ecclesiology. This study explores the development and fundamental legacy of Calvin's perspectives on and relationship with the church. Contributions are included which explore the later development and denominational variations of Calvin's ecclesiology, along with ecumenical discussions, responses to, and implications of Calvin's understanding of the church. There are further chapters which focus on particular aspects such as Calvin's ecclesiological method, understanding of ministry, the sacramental principle, the invisible church, etc. Contributions on the use of Calvin's ecclesiology by later and modern contemporary ecclesiologists also feature. This is a volume that brings together leading and emerging theological voices from Europe, North America, and Latino America, and from across the different theological sub-disciplines. Significantly, the book has a decidedly ecumenical perspective, with writers from several different denominational traditions contributing.

Embodied Words, Spoken Signs Rhodora E. Beaton, 2014-01-01 The twentieth century witnessed renewed interest in a Roman Catholic theology of the word. The contributions of Karl Rahner and sacramental theologian Louis Marie Chauvet

demonstrate the Roman Catholic conviction that the word is fundamentally sacramental it has the capacity to bear God's presence to humanity Rhodora Beaton examines the work of Rahner and Chauvet to articulate the relationship between word and sacrament within the context of language culture and an already graced world as the place of divine self expression and analyzes the implications for Trinitarian theology sacramentality liturgy and action
