Jesus Many people are fascinated by the Cowboy way of life just look at the popularity of the show Yellowstone Many people have a romantic version of the Cowboy in their mind You know the white knight rides in to save the day or the battered weather beaten cowboy rides in to save a baby calf from predators Or they see the cowboy treating an animal and a child like they are the most important thing in the world or sticking up for someone in distress All these things are true and can be true but there is so much more to a Cowboy and the standard to which he holds himself But where does this come from This comes from Jesus being the true King of the Cowboys and exemplifying the character traits many associate with Cowboys But not only exemplifying but creating the standard to which most Cowboys hold themselves This book is about how Jesus shows us the Cowboy way by creating the tenants of the Cowboy Code in the way He lived His life He shows us that by following the tenants He has established we can have a Cowboys heart regardless of what we wear on our feet or our head or what profession we are in This book is about Jesus showing us the Cowboy Code and provides a story of a young horse and biblical truths to show each tenant of the Code In the simple manner that the context is explained it is hoped that the reader find meaning in the words here and if not a Christian becomes one *American Cowboy* ,1996-11 Published for devotees of the cowboy and the West American Cowboy covers all aspects of the Western lifestyle delivering the best in entertainment personalities travel rodeo action human interest art poetry fashion food horsemanship history and every other facet of
