American Motorcyclist ,2005-10 American Motorcyclist magazine the official journal of the American Motorcyclist Associaton tells the stories of the people who make motorcycling the sport that it is It s available monthly to AMA members Become a part of the largest most diverse and most enthusiastic group of riders in the country by visiting our website or calling 800 AMA JOIN **Massachusetts & Western Connecticut Adventure Guide** Elizabeth Dugger,2009 I bought this travel guide out of curiosity when I went back home to visit my parents I grew up in N H went to school at UCONN and spent a lot of time in Massachusetts so I am familiar with the area Sometimes when you live in a place however you take your home for granted and don t see the sights in your back yard Traveling 1500 miles back home however I felt like I needed to get my moneys worth the sure sign of a native east coaster This book led me to some incredible old towns and restaurants and shops

that I had missed while living there I highly recommend the book It was great to have it on my laptop because after work I was able plan the remainder of my day in a snap Amazon reviewer I ve been toting Elizabeth L Dugger s new Adventure Guide to Massachusetts Western Connecticut around for about a month now ever since I received it I had all the best intentions of being the first reviewer to publish my commentary on the travel guide but with one project after another eating up my hours I m not sure that I can claim that honor I have however really bulked up my biceps by lugging the Adventure Guide around In a word the book is massive and before I ever lifted the cover I was perplexed as to how Dugger could possibly have found enough bungee jumping cliff diving and vine swinging type adventures in the stately and somewhat subdued states of Massachusetts and Connecticut to fill 496 pages When I opened to page 113 to find a section on Antique Shopping on Cape Cod I was surprised and delighted to realize that the range of adventures Dugger suggests includes those that pose great danger only to my credit card balance In the book s introduction Dugger explains that adventure travel doesn t have to mean hanging from a cliff by your fingernails Her enormous catalog of exciting escapes includes family friendly ideas outdoor fun for people of all ages and abilities out of the ordinary sightseeing suggestions and of course the full complement of hiking biking fishing boating and other recreational opportunities in central New England Adventure travel makes you feel alive wakes you up to yourself as well as to your surroundings Dugger explains Just being in open lands or along the coast most of the time can give you that get away feeling Adventure travel gets the blood flowing the heart pumping Also the author of the Adventure Guide to New Hampshire and the Adventure Guide to Vermont Dugger quickly debunks the notion that Massachusetts is a tamer less challenging playground than its mountainous northern neighbors After a brief introductory section that includes a short history of Massachusetts a map of and information on getting to the region road rules and safety information on such important topics as avoiding bears the book is broken up into six regional chapters the Seacoast Region Boston and Nearby Adventures Central Massachusetts the Pioneer Valley the Berkshires and the Litchfield Hills of Connecticut Within each geographic section adventures are organized in category groupings On Foot On Horseback On Wheels On Water On Snow Ice and In the Air Each chapter has information on Eco Travel and where to Stay Eat as well While the emphasis of this guide is decidedly on the outdoors and on planning a Massachusetts vacation that takes you to the lesser known attractions that the state offers it is actually one of the most comprehensive and delightful guides to the region available While many travel guides contain the obligatory paragraph on each historic attraction and sightseeing venue the Adventure Guide to Massachusetts Western Connecticut artfully leads the traveler to those awe inspiring stimulating and unique excursions that are likely to make for a most memorable trip Detailed maps black and white photos cute graphics and sidebars on special events kid friendly and accessible spots recommended reading and mor
