

The Right to Refuse Mental Health Treatment:

A Therapeutic Jurisprudence Analysis

Bruce J. Winick*

Introduction

The controversy concerning the recognition and definition of a right to refuse mental health treatment has largely ignored the question of whether such recognition would be therapeutically beneficial or detrimental to the patient. Would such recognition lead to refusal of needed treatment so that patients will "rot with their rights on," as some have suggested?¹ Will allowing offenders the choice whether to participate in correctional rehabilitation programs increase recidivism? Will patients forced to accept mental health treatment over objection improve and come, in time, to thank their doctor, retrospectively approving beneficial treatment they never would have accepted voluntarily?² On the

*Professor of Law, University of Miami School of Law, Coral Gables, Florida, P.O. Box 248087, 33124-8087, U.S.A.

Preliminary versions of this article were presented at meetings of the International Academy of Law and Mental Health and the American Psychology-Law Society, and I appreciate the comments of colleagues at these meetings. I also appreciate the research assistance of Ingey Golden and Karen Kaminsky. This article, in a somewhat revised form, will appear as a chapter in my forthcoming book, *THE RIGHT TO REFUSE MENTAL HEALTH TREATMENT: A CONSTITUTIONAL AND THERAPEUTIC JURISPRUDENCE ANALYSIS*.

¹See, e.g., Appelbaum & Gutheil, *The Boston State Hospital Case: "Involuntary Mind Control," the Constitution, and the "Right to Rot,"* 137 AM. J. PSYCHIATRY 720 (1980); Gutheil, *In Search of True Freedom: Drug Refusal, Involuntary Medication, and "Rotting with Your Rights On,"* 137 AM. J. PSYCHIATRY 327 (1980) (editorial).

²See, e.g., A. STONE, *MENTAL HEALTH LAW: A SYSTEM IN TRANSITION* 69-70 (1975) (describing this reaction as the "thank-you" theory); D. WEXLER, *MENTAL HEALTH LAW* 45-48 (1981) (analyzing the "thank you" theory in context of narcotics abusers); Gove & Fain, *A Comparison of Voluntary and Committed Psychiatric Patients*, 34 ARCH. GEN. PSYCHIATRY 669, 673 (1977); Kane, Quirk, Rifkin, Wegner, Rosenberg & Borenstein, *Attitudinal Changes of Involuntarily Committed Patients Following Treatment*, 40 ARCH. GEN. PSYCHIATRY 374, 376 (1983); Schwartz, Vingiano & Beziganian-Perez, *Autonomy and the Right to Refuse Treatment: Patients' Attitudes After Involuntary Medication*, 39 HOSP. & COMMUNITY PSYCHIATRY 1049 (1988) (empirical study showing that medication refusers treated over objection, if rehospitalized, would assent to drug treatment); but see Beck & Golowka, *A Study of Enforced Treatment in Relation to Stone's "Thank You" Theory*, 6 BERKE. CAL. & L. 327, 302 (1988) (empirical study of involuntarily hospitalized patients showing no evidence to support "thank you" theory in 62% of cases).

Right To Refuse Mental Health Treatment

Bruce J. Winick

Right To Refuse Mental Health Treatment:

The Right to Refuse Mental Health Treatment Bruce J. Winick, 1997-01-01 The Right to Refuse Mental Health Treatment is the most comprehensive analysis in print of the legal issues raised by involuntary treatment Under our legal system the state has the right to impose mental health treatment on certain people treatment that includes everything from psychotropic medication to shock therapy to psychosurgery This book provides a systematic analysis of the mental health treatment techniques and the constitutional issues implicated by involuntary treatment *Risk Management in Health Care Institutions* Florence Kavalier, Allen D. Spiegel, 2003 Risk management for health care institutions involves the protection of the assets of the organizations agencies and individual providers from liability A strategic approach can result in significant cost savings Risk Management in Health Care Institutions A Strategic Approach offers governing boards chief executive officers administrators and health profession students the opportunity to organize and devise a successful risk management program Experts in risk management have contributed comprehensive up to date syntheses of relevant topics to assist with practical risk management strategies **Rethinking Rights-Based Mental Health Laws** Bernadette McSherry, Penny Weller, 2010-08-16 Mental health laws exist in many countries to regulate the involuntary detention and treatment of individuals with serious mental illnesses Rights based legalism is a term used to describe mental health laws that refer to the rights of individuals with mental illnesses somewhere in their provisions The advent of the United Nations Convention on the Rights of Persons with Disabilities makes it timely to rethink the way in which the rights of individuals to autonomy and liberty are balanced against state interests in protecting individuals from harm to self or others This collection addresses some of the current issues and problems arising from rights based mental health laws The chapters have been grouped in five parts as follows Historical Foundations The International Human Rights Framework and the United Nations Convention on the Rights of Persons with Disabilities Gaps Between Law and Practice Review Processes and the Role of Tribunals Access to Mental Health Services Many of the chapters in this collection emphasise the importance of moving away from the limitations of a negative rights approach to mental health laws towards more positive rights of social participation While the law may not always be the best way through which to alleviate social and personal predicaments legislation is paramount for the functioning of the mental health system The aim of this collection is to encourage the enactment of legal provisions governing treatment detention and care that are workable and conform to international human rights documents **Legal Issues in Mental Health Care** B.A. Weiner, R. Wettstein, 2013-06-29 I OVERVIEW Legal Issues in Mental Health Care is aimed at the mental health clinician who provides services on either an inpatient or an outpatient basis It is written for psychiatrists psychologists social workers nurses and other therapists to help them understand and manage legal issues in their daily practice The issues covered apply to therapists who work for an agency or hospital as well as those who work independently The book is meant to serve as a handbook but it also provides a quick resource as legal questions arise which

are related to the obligations of the therapist. It addresses the legal issues that confront the clinician. It is not aimed at the clinician who specializes in forensic mental health issues because the information provided does not reach that level of detail or sophistication. Nor is it aimed at the scholar because our goal is to provide practical information in a clear and concise format. We have not addressed the wide array of laws protecting the mentally disabled from discrimination, most notably the Americans with Disabilities Act 1990 and the Fair Housing Act. Most states also have laws that prohibit discrimination in employment services and housing. These issues are beyond the scope of this book because we are addressing the legal issues that arise in providing care rather than the rights of mentally disabled persons.

11 ORGANIZATION OF THE BOOK

The book consists of eleven chapters and a Glossary of Legal Terms. *The Risk Manager's Desk Reference* Barbara J. Youngberg, 1998

The Risk Manager's Desk Reference Second Edition is the definitive guide to ensure quality in your organization and save thousands of dollars in costly lawsuits. It puts at your fingertips the information you need on integrating quality assurance and risk management, understanding risk management in a managed care environment and program development. With this book you learn how to integrate patient support services and facilitate physician participation. This handy reference offers concise information on your most challenging concerns and various ethical issues.

Refusing Care Elyn R. Saks, 2024-05-31 It has been said that how a society treats its least well off members speaks volumes about its humanity. If so, our treatment of the mentally ill suggests that American society is inhumane, swinging between overintervention and utter neglect. We sometimes force extreme treatments on those who do not want them and at other times discharge mentally ill patients who do want treatment without providing adequate resources for their care in the community. Focusing on overinterventionist approaches, *Refusing Care* explores when, if ever, the mentally ill should be treated against their will. Basing her analysis on case and empirical studies, Elyn R. Saks explores dilemmas raised by forced treatment in three contexts: civil commitment, forced hospitalization for noncriminals, medication and seclusion, and restraints. Saks argues that the best way to solve each of these dilemmas is paradoxically to be both more protective of individual autonomy and more paternalistic than current law calls for. For instance, while Saks advocates relaxing the standards for first commitment after a psychotic episode, she also would prohibit extreme mechanical restraints such as tying someone spread eagled to a bed. Finally, because of the often extreme prejudice against the mentally ill in American society, Saks proposes standards that as much as possible should apply equally to non-mentally ill and mentally ill people alike. Mental health professionals, lawyers, disability rights activists, and anyone who wants to learn more about the way the mentally ill are treated and ought to be treated in the United States should read *Refusing Care*.

Psychiatric Mental Health Nursing Patricia O'Brien, 2008-08-15 *Psychiatric Nursing* provides a focused, thorough introduction to psychiatric mental health nursing, including nursing assessment and intervention of the most common mental disorders as classified in the DSM-IV. This text guides nurses in managing special populations, clarifying neurobiologic theories, and conducting psychiatric nursing.

evaluations Additionally Psychiatric Nursing presents the latest on psychotropic drugs addresses legal and ethical concerns within psychiatric nursing and discusses complementary and alternative therapies Perfect for undergraduate courses the text features Learning Objectives Key Terms Critical Thinking Questions Case Studies Clinical Examples Care Plans Diagnostic Criteria Patient and Family Education Internet Resources Implications for Evidence Based Practice Client Teaching Guides

Mental Health and Psychiatric Nursing Janet L. Davies, Ellen Hastings Janosik, 1991 **Clinical Psychiatry and the Law** Robert I. Simon, 2003-07-01 Updates to this edition Clinical and legal issues in the use of clozapine in treatment of schizophrenia Clinical information and new cases involving tardive dyskinesia Changes in civil and criminal law regarding right to refuse treatment An update of clinical guidelines and legal regulations of ECT An update on suicide risk assessment and new legal cases involving suicide An update on violence risk assessment and new legal cases involving the duty to protect endangered third parties New statutes and criminal sanctions regarding sexual misconduct New statutes limiting the liability of therapists toward third parties who are injured or killed by patients Changes in the relationship between psychiatrists and nonmedical therapists Regulatory developments regarding physician impairment Numerous tables and an updated glossary of legal terms New section on common terms and abbreviations in legal citations Youth Violence and Delinquency Frank P. Williams, Marilyn D. McShane, 2007-05-30 Juvenile crime and violence has always piqued the public's interest Indeed each generation of Americans tends to define the youth crime problem as more serious than any previous generation Even though juvenile homicides have been decreasing since the mid 1990s the media is still quick to provide dramatic examples of juvenile monsters who are terrorizing their communities Shootings at school gang banging and trafficking drugs school bullies and charging juveniles as adults are subjects that have recently received wide media coverage This three volume set on the nature incidence consequences and treatment of youth crime and violence will help readers understand the true nature of youth crime and violence from a variety of perspectives Each volume covers a different area and experts write on topics ranging from sex offending to fire starting from gangs to guns from juvenile probation to charging youths as adults from mandatory mental health treatment to police in school settings and more What drives a teenager to steal To kill Why does youth crime and violence occur Why are youths such vulnerable targets What can be done to stop youth offenders and what can be done to help youthful victims How does the criminal justice system respond What do communities do to punish and protect youths What can schools do to intervene All these questions and more are answered in this set on this timely and important topic Our youth are our most precious commodity and protecting vulnerable children as well as helping offenders is of paramount importance for steering them toward safe and productive lives These volumes help readers better understand the causes and consequences of youth violence and crime and consider ways to address the problems *Contemporary Debates in Bioethics* Arthur L. Caplan, Robert Arp, 2013-09-10 Contemporary Debates in Bioethics features a timely collection of highly readable debate style arguments contributed by many of today's top bioethics

scholars focusing on core bioethical concerns of the twenty first century Written in an engaging debate style format for accessibility to non specialists Features general introductions to each topic that precede scholarly debates Presents the latest cutting edge thoughts on relevant bioethics ideas arguments and debates **Mental Health Practice and the Law** Ronald Schouten,2017-03-31 Mental health professionals more than any other clinicians encounter legal issues on a regular basis This is a book for anyone in the field at any stage in their training or practice who has ever found themselves scratching their head in confusion or dreading that they will expose themselves to liability as they navigate the complexities at the interface of law and mental health Written by established experts and the rising stars of the next generation the 16 chapters in this book offer readers a basic understanding of legal principles encountered in clinical practice as well as practical advice on how to manage situations at the interface of law and clinical practice Using case examples and clear language this book helps clinicians understand the underlying principles behind the legal requirements of clinical care It aims to enhance the reader s knowledge of legal issues and ability to deliver good clinical care when those issues are encountered This book is unique in that it is first and foremost for mental health clinicians in training and those already in practice While it is not a textbook for lawyers or forensic clinicians forensic specialists and other professionals who encounter mental health issues in their work such as law enforcement professionals will benefit from its practical and clear discussion of legal and mental health issues

Mental Health Services: A Public Health Perspective Bruce Lubotsky Levin MD,Kevin D. Hennessy,John Petrila JD, LLM,2010-07-30 This revised and expanded third edition text utilizes a public health framework and the latest epidemiological treatment and service systems research to promote a comprehensive understanding of the organization financing and delivery of mental health and substance abuse services in the United States Written by national experts in the field this timely work will provide policymakers administrators clinicians and public health and behavioral health graduate students with the knowledge base needed to manage and transform mental health service systems both nationally and locally The book is unique in providing a public health framework of the most significant issues facing mental health policy makers administrators planners and practitioners It combines issues e g evaluation law ethnicity that extend across different age groups treatment settings and disorders with issues that are population and disorder specific The publication of this book is timely for those involved with the debate over national health care reform legislation and provides important and timely information on populations at risk for mental disorders services and systems issues for those responsible for implementing policies and programs resulting from this reform effort *Principles and Practice of Forensic Psychiatry, 2Ed* Richard Rosner,2003-02-28 The second edition of this award winning textbook has been thoroughly revised and updated throughout Building on the success of the first edition the book continues to address the History and Practice of Forensic Psychiatry Legal Regulation of the Practice of Psychiatry Psychiatry in relation to Civil Law Criminal Law and Family Law Important sections such as Special Issues in Forensic Psychiatry Law and the Legal System and Landmark Cases in Mental Health Law

are included Designed to meet the needs of practitioners of forensic psychiatry for residents in forensic psychiatry and those preparing for the specialty examination in Forensic Psychiatry of the American Board of Psychiatry and Neurology this volume will also answer the many questions faced by mental health professionals mental health administrators correctional health professionals and correctional health administrators attorneys judges probation and parole officers and administrators all of whom at one time or another require a substantive presentation of the entire field of forensic psychiatry in the USA

Liberation by Oppression Thomas Szasz, 2017-09-29 Originally called mad doctoring psychiatry began in the seventeenth century with the establishing of madhouses and the legal empowering of doctors to incarcerate persons denominated as insane Until the end of the nineteenth century every relationship between psychiatrist and patient was based on domination and coercion as between master and slave Psychiatry its emblem the state mental hospital was a part of the public sphere the sphere of coercion The advent of private psychotherapy at the end of the nineteenth century split psychiatry in two some patients continued to be the involuntary inmates of state hospitals others became the voluntary patients of privately practicing psychotherapists Psychotherapy was officially defined as a type of medical treatment but actually was a secular medical version of the cure of souls Relationships between therapist and patient Thomas Szasz argues was based on cooperation and contract as is relationships between employer and employee or between clergyman and parishioner

Psychotherapy its emblem the therapist's office was a part of the private sphere the contract Through most of the twentieth century psychiatry was a house divided half slave and half free During the past few decades psychiatry became united again all relations between psychiatrists and patients regardless of the nature of the interaction between them are now based on actual or potential coercion This situation is the result of two major reforms that deprive therapist and patient alike of the freedom to contract with one another Therapists now have a double duty they must protect all mental patients involuntary and voluntary hospitalized or outpatient incompetent or competent from themselves They must also protect the public from all patients Persons designated as mental patients may be exempted from responsibility for the deleterious consequences of their own behavior if it is attributed to mental illness

Law, Psychology, and Justice Christopher R. Williams, Bruce A. Arrigo, 2002-01-01 A provocative critique of the relationship between the legal system and psychology that uses chaos theory to offer a more humane alternative

Mental Health and Social Problems Nina Rovinelli Heller, Alex Gitterman, 2010-11 Mental Health and Social Problems is a textbook for social work students and practitioners It explores the complicated relationship between mental conditions and societal issues as well as examining risk and protective factors for the prevalence course adaptation to and recovery from mental illness The introductory chapter presents bio psycho social and life modeled approaches to helping individuals and families with mental illness The book is divided into two parts Part I addresses specific social problems such as poverty oppression racism war violence and homelessness identifying the factors which contribute to vulnerabilities and risks for the development of mental health problems including the barriers to accessing quality services Part II presents the most current empirical findings and practice knowledge about prevalence diagnosis assessment and intervention options for a range of common mental health problems including personality conditions eating conditions and affective conditions Focusing throughout upon mental health issues for children adolescents adults and older adults each chapter includes case studies and web resources This practical book is ideal for social work students who specialize in mental health

Punishing the Mentally Ill Bruce A. Arrigo, 2012-02-01 A powerful sophisticated and original critique on how the disciplines of law and psychiatry behave and on how the mental health and justice systems operate Punishing the Mentally Ill reveals where how and why the identity and humanity of persons with psychiatric disorders are consciously and unconsciously denied Author Bruce A Arrigo contends that despite periodic and well intentioned efforts at reform the current law psychiatry system functions to punish the mentally ill for being different The book synthesizes a wide range of mainstream and critical literature in sociology law philosophy history psychology and psychoanalysis to establish a new theory of punishment at the law psychiatry divide To situate the analysis enduring psycholegal issues are explored including the meaning of mental illness definitions and predictions of dangerousness the ethics of advocacy the right to community based treatment the logic of forensic courtroom verdicts transcarceration and the execution of mentally disordered offenders among others Punishing the Mentally Ill shows that current mental disability law research programming and policy are

seriously flawed and that wholesale reform is necessary if the goals of citizen justice social well being and humanism are to be realized Handbook of Treatment for Eating Disorders David M. Garner,Paul E. Garfinkel,1997-04-18 Updated to reflect recent DSM categorizations this edition includes coverage of binge eating disorder and examines pharmacological as well as psychotherapeutic approaches to treating eating disorders

Whispering the Strategies of Language: An Psychological Quest through **Right To Refuse Mental Health Treatment**

In a digitally-driven earth where monitors reign supreme and immediate transmission drowns out the subtleties of language, the profound techniques and mental nuances hidden within phrases frequently get unheard. However, situated within the pages of **Right To Refuse Mental Health Treatment** a charming fictional treasure blinking with natural feelings, lies an extraordinary journey waiting to be undertaken. Penned by a talented wordsmith, this wonderful opus attracts viewers on an introspective trip, gently unraveling the veiled truths and profound influence resonating within ab muscles fabric of each word. Within the emotional depths of the emotional evaluation, we can embark upon a genuine exploration of the book is core themes, dissect its interesting writing model, and succumb to the effective resonance it evokes strong within the recesses of readers hearts.

Right To Refuse Mental Health Treatment Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Right To Refuse Mental Health Treatment free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Right To Refuse Mental Health Treatment free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for

offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Right To Refuse Mental Health Treatment free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Right To Refuse Mental Health Treatment. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Right To Refuse Mental Health Treatment any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Right To Refuse Mental Health Treatment Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What's the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Right To Refuse Mental Health Treatment is one of the best books in our library for free trial. We provide a copy of Right To Refuse Mental Health Treatment in digital format, so the resources that you find are reliable. There are also many eBooks related to Right To Refuse Mental Health Treatment. Where to download Right To Refuse Mental Health Treatment online for free? Are you looking for Right To Refuse Mental Health Treatment PDF? This is definitely going to save you time and cash in something you should think about. If you're trying to find then search around for online. Without a doubt, there are numerous of these available and many of them have the freedom. However, without a doubt, you receive whatever you purchase. An alternate way to get ideas is always

to check another Right To Refuse Mental Health Treatment. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Right To Refuse Mental Health Treatment are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Right To Refuse Mental Health Treatment. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Right To Refuse Mental Health Treatment To get started finding Right To Refuse Mental Health Treatment, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Right To Refuse Mental Health Treatment So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Right To Refuse Mental Health Treatment. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Right To Refuse Mental Health Treatment, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Right To Refuse Mental Health Treatment is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Right To Refuse Mental Health Treatment is universally compatible with any devices to read.
