

Right To Read The Battle Against Censors

Carl Jensen, Project Censored

Right To Read The Battle Against Censors:

The Right to Read; the Battle Against Censorship Paul Blanshard, 1955 **Censoring Sex** John E.

Semonche, 2007-07-20 In this gracefully written accessible and entertaining volume John Semonche surveys censorship for reasons of sex from the nineteenth century up to the present He covers the various forms of American media books and periodicals pictorial art motion pictures music and dance and radio television and the Internet The tale is varied and interesting replete with a stock of colorful characters such as Anthony Comstock Mae West Theodore Dreiser Marcel Duchamp Opie and Anthony Judy Blume Jerry Falwell Alfred Kinsey Hugh Hefner and the Guerilla Girls Covering the history of censorship of sexual ideas and images is one way of telling the story of modern America and Semonche tells that tale with insight and flair Despite the varieties of censorship running from self censorship to government bans a common story is told Censorship whether undertaken to ward off government regulation to help preserve the social order or to protect the weak and vulnerable proceeds on the assumption that the censor knows best and that limiting the choices of media consumers is justified At various times all of the following groups were perceived as needing protection from sexually explicit materials children women the lower classes and foreigners As social and political conditions changed however the simple fact that someone was a woman or a day laborer did not support stereotyping that person as weak or impressionable What would remain as the only acceptable rationale for censorship of sexual materials was the protection of children and unconsenting adults For each mode of media Semonche explains via abundant examples how and why censorship took place in America Censoring Sex also traces the story of how the cultural territory contested by those advocating and opposing censorship has diminished over the course of the last two centuries Yet Semonche argues the censorship of sexual materials that continues in the United States poses a challenge to the free speech that is part of the foundation upon which the nation is built Indeed in an era in which sexual images are pervasive and the need for reliable information about sex and sexuality is growing he questions the remaining rationales for censorship and the justification for placing obscenity outside the protection of the U S Constitution **How Sex Became a Civil Liberty** Leigh Ann Wheeler, 2013 How Sex Became a Civil Liberty shows how we came to see sexual expression sexual practice and sexual privacy as fundamental rights enshrined in the Constitution thanks to the work of ACLU leaders and attorneys who forged legal principles that advanced the sexual revolution

Defending the Written Word: The Librarian's Battle Against Book Banning in America Donovan Bailey, In an age where the freedom to read is under siege a formidable voice rises to challenge the tide of censorship This compelling narrative delves into the heart of the struggle to protect one of society's most cherished institutions the public library Through gripping storytelling and insightful analysis readers are transported into the epicenter of a battle that seeks to preserve the right to access diverse ideas and perspectives The book explores the multifaceted landscape of book banning in America shedding light on the motivations and tactics employed by those who seek to control what the public can read It uncovers the historical

context of censorship illustrating how this issue has evolved over time and the significant impact it has on democratic values By presenting real life examples and case studies the narrative exposes the often overlooked consequences of restricting literature from stifling creativity to eroding the foundations of free speech At the core of this struggle are the librarians the unsung heroes who stand as guardians of intellectual freedom The book highlights their relentless efforts to defend the written word against attempts at suppression

The Right to Read Mordecai Lionel Gabriel,1955

Redacted Jonathan Abel,2012-09-13 At the height of state censorship in Japan more indexes of banned books circulated more essays on censorship were published more works of illicit erotic and proletarian fiction were produced and more passages were Xed out than at any other moment before or since As censors construct and maintain their own archives their acts of suppression yield another archive filled with documents on against and in favor of censorship The extant archive of the Japanese imperial censor 1923 1945 and the archive of the Occupation censor 1945 1952 stand as tangible reminders of this contradictory function of censors As censors removed specific genres topics and words from circulation some Japanese writers converted their offensive rants to innocuous fluff after successive encounters with the authorities But another coterie of editors bibliographers and writers responded to censorship by pushing back using their encounters with suppression as incitement to rail against the authorities and to appeal to the prurient interests of their readers This study examines these contradictory relationships between preservation production and redaction to shed light on the dark valley attributed to wartime culture and to cast a shadow on the supposedly bright open space of free postwar discourse Winner of the 2010 2011 First Book Award of the Weatherhead East Asian Institute Columbia University

Human Rights and the South African Legal Order John Dugard,2015-03-08 As an Advocate of the Supreme Court John Dugard observes the South African legal order daily in operation In this book he provides a thorough description and probing analysis of the workings of the system He places South Africa s legal order in a comparative context examining the climate of legal opinion crucial judicial decisions and their significance in relation to contemporary thought and practice in England America and elsewhere He also considers South Africa s laws in the light of its history politics and culture Originally published in 1978 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

True Stories of Censorship Battles in America's Libraries Valerie Nye,Kathy Barco,2012-01-27 Those facing censorship challenges can find support and inspiration in this book which compiles dozens of stories from library front lines

Censorship Bulletin ,1956

Digital Totalitarianism Michael Filimowicz,2022-02-15 Digital Totalitarianism Algorithms and Society focuses on important challenges to democratic values posed by our computational regimes policing

the freedom of inquiry risks to the personal autonomy of thought NeoLiberal management of human creativity and the collapse of critical thinking with the social media fueled rise of conspiranoia Digital networks allow for a granularity and pervasiveness of surveillance by government and corporate entities This creates power asymmetries where each citizen s daily data exhaust can be used for manipulative and controlling ends by powerful institutional actors This volume explores key erosions in our fundamental human values associated with free societies by covering government surveillance of library based activities cognitive enhancement debates the increasing business orientation of art schools and the proliferation of conspiracy theories in network media Scholars and students from many backgrounds as well as policy makers journalists and the general reading public will find a multidisciplinary approach to questions of totalitarian tendencies encompassing research from Communication Rhetoric Library Sciences Art and New Media **Censorship and the Limits of the Literary** Nicole Moore,2017-02-23 Explores the defining relationship of literature to censorship across the globe

Purifying America Alison Marie Parker,1997 Debates over censorship often become debates over the influence of culture on society s morals and the perceived need to protect women and children Purifying America explores the widespread middle class advocacy of censorship as a popular reform around the turn of the century and provides a historical perspective on contemporary debates over censorship morality and pornography that continue to divide women

1945-1978 Maria Witt,2013-02-07 No detailed description available for 1945 1978 **Censored 1996** Carl Jensen,Project Censored,1996-04-09 The yearly volumes of Censored in continuous publication since 1976 and since 1995 available through Seven Stories Press is dedicated to the stories that ought to be top features on the nightly news but that are missing because of media bias and self censorship The top stories are listed democratically in order of importance according to students faculty and a national panel of judges Each of the top stories is presented at length alongside updates from the investigative reporters who broke the stories Beyond the Top 25 stories additional chapters delve further into timely media topics The Censored News and Media Analysis section provides annual updates on Junk Food News and News Abuse Censored D j Vu signs of hope in the alternative and news media and the state of media bias and alternative coverage around the world In the Truth Emergency section scholars and journalists take a critical look at the US NATO military industrial media empire And in the Project Censored International section the meaning of media democracy worldwide is explored in close association with Project Censored affiliates in universities and at media organizations all over the world A perennial favorite of booksellers teachers and readers everywhere Censored is one of the strongest life signs of our current collective desire to get the news we citizens need despite what Big Media tells us **War and Press Freedom** Jeffery A. Smith,1999-02-25 War and Press Freedom The Problem of Prerogative Power is a groundbreaking and provocative study of one of the most perplexing civil liberties issues in American history What authority does or should the government have to control press coverage and commentary in wartime First Amendment scholar Jeffery A Smith shows convincingly that no

such extraordinary power exists under the Constitution and that officials have had to rely on claiming the existence of an autocratic higher law of survival Smith carefully surveys the development of statutory restrictions and military regulations for the news media from the ratification of the Bill of Rights in 1791 through the Gulf War of 1991 He concludes that the armed forces can justify refusal to divulge a narrow range of defense secrets but that imposing other restrictions is unwise unnecessary and unconstitutional In any event as electronic communication becomes almost impossible to constrain soldiers and journalists must learn how to respect each other's obligations in a democratic system [International Encyclopedia of Information and Library Science](#) John Feather,Paul Sturges,2003-09-02 This eagerly awaited new edition has been fully revised and updated to take full account of the many and radical changes which have taken place since the Encyclopedia was originally conceived

Keep Them Reading ReLeah Cossett Lent,Gloria Pipkin,2015-04-25 Keep Them Reading is a concise handbook for teachers librarians administrators and district personnel about how to prevent censorship in a school or district and what to do if it happens Written by two award winning authors who have devoted much of their careers to anti censorship work this book discusses the overall importance of reading in all academic endeavors and demonstrates how challenges and censorship can derail even the best literacy program Each chapter contains practical tools advice and resources for building understanding about issues of intellectual freedom and for creating a plan to help all parties work through challenges before they turn into damaging censorship incidents The last chapter contains advice from authors who have dealt with censorship such as Judy Blume and experts on the subject such as Joan Bertin executive director of the National Coalition Against Censorship Book Features Procedures for dealing with censorship challenges before they arise Protocols to help teachers and librarians meet challenges and resist censorship Samples of actual letters teachers can use to defend their selection of a text Detailed suggestions for conducting meetings with parents and district personnel Helpful lists of books dealing with censorship relevant court cases and national organizations offering support and resources The first academic freedom book of 2013 an excellent one Read the article on the Huffington Post Education Blog There are no easy answers but there are lessons to be learned from the good fight of classroom teachers who have been victims of the censorship wars Keep Them Reading offers sage advice and guidance about what to do when the censor calls From the Foreword by Pat Scales past president ALSC American Library Association Sooner or later every reading and literature teacher will encounter someone who wants to limit students experiences with a text Keep Them Reading lays out a very common sense pro active mechanism that is both respectful of parents and community values and students and teachers rights Every teacher and administrator should read this handbook and then establish the processes that Lent and Pipkin recommend Nancy G Patterson co editor Language Arts Journal of Michigan Associate Professor Literacy Studies College of Education Grand Valley State University The real heroes are the librarians and teachers who at no small risk to themselves refuse to lie down and play dead for censors Bruce Coville bestselling author The topic of this book censorship can strike fear

in any educator's heart. So it is a delightful surprise that what seeps through these pages is love love for the families whose concerns for their children Pipkin and Lent remind us are occasions for respectful engagement and above all a deep love for books and the readers who are comforted challenged transported and transformed by them Maja Wilson author of Rethinking Rubrics in Writing Assessment **Wisconsin Library Bulletin** ,1963 Freedom Versus Suppression and Censorship Charles H. Busha,1972 **Censorship** Derek Jones,2001-12-01 Censorship A World Encyclopedia presents a comprehensive view of censorship from Ancient Egypt to those modern societies that claim to have abolished the practice For each country in the world the history of censorship is described and placed in context and the media censored are examined art cyberspace literature music the press popular culture radio television and the theatre not to mention the censorship of language the most fundamental censorship of all Also included are surveys of major controversies and chronicles of resistance Censorship will be an essential reference work for students of the many subjects touched by censorship and for all those who are interested in the history of and contemporary fate of freedom of expression
