

CHRISTIAN ETHICS

A wooden cross stands in the center of the frame, with a vibrant red cloth draped over its horizontal beam. The background is a dramatic sky with warm, golden light from a low sun, creating a hazy, ethereal atmosphere. The text "CHRISTIAN ETHICS" is overlaid in large, white, bold, sans-serif capital letters, centered horizontally and partially obscured by the cross and the red cloth.

Rights And Christian Ethics:

Rights and Christian Ethics Kieran Cronin,1992 Kieran Cronin helps philosophers and theologians to understand each other's perspectives on rights making this book a significant contribution to Christian ethics and moral philosophy **The Cambridge Companion to Christian Ethics** Robin Gill,2001 Provides a comprehensive introduction to Christian ethics which is both authoritative and up to date *Christian Ethics* John Elliot Ross,1919 **The value of the language of rights in Christian ethics, with particular reference to reproductive rights** Kieran Cronin,1988 **Economic Compulsion and Christian Ethics** Albino Barrera,2005-09-08 Markets can often be harsh in compelling people to make unpalatable economic choices any reasonable person would not take under normal conditions Thus workers laid off in mid career accept lower paid jobs that are beneath their professional experience for want of better alternatives Economic migrants leave their families and cross borders legally or illegally in search of a livelihood These are examples of economic compulsion These economic ripple effects have been virtually ignored in ethical discourse because they are generally accepted to be the very mechanisms that generate the market's much touted allocative efficiency Albino Barrera argues that Christian thought on economic security offers an effective framework within which to address the consequences of economic compulsion **Christian Ethics** John Elliot Ross,1923 The Common Good and Christian Ethics David Hollenbach,2002-08 The Common Good and Christian Ethics rethinks the ancient tradition of the common good in a way that addresses contemporary social divisions both urban and global David Hollenbach draws on social analysis moral philosophy and theological ethics to chart new directions in both urban life and global society He argues that the division between the middle class and the poor in major cities and the challenges of globalisation require a new commitment to the common good and that both believers and secular people must move towards new forms of solidarity Christians on the Right John Kater,1982 Surveys the history of Christian conservative political movements in the United States and examines the policies of the Moral Majority from the perspective of traditional Christian ethics **T&T Clark Handbook of Christian Ethics** Tobias Winright,2020-12-10 The T T Clark Handbook of Christian Ethics provides an ecumenical introduction to Christian ethics its sources methods and applications With contributions by theological ethicists known for their excellence in scholarship and teaching the essays in this volume offer fresh purchase on and an agenda for the discipline of Christian ethics in the 21st century The essays are organized in three sections following an introduction that presents the four font approach and elucidates why it is critically employed through these subsequent sections The first section explores the sources of Christian ethics including each of the four fonts scripture tradition experience and reason The second section examines fundamental or basic elements of Christian ethics and covers different methods approaches and voices in doing Christian ethics such as natural law virtue ethics conscience responsibility narrative worship and engagement with other religions The third section addresses current moral issues in politics medicine economics ecology criminal justice and other

related spheres from the perspective of Christian ethics including war genetics neuroethics end of life decisions marriage family work sexuality nonhuman animals migration aging policing incarceration capital punishment and more Tensions in Christian Ethics Malcolm Brown, 2011-01-01 The book draws on the author's teaching of ethics at undergraduate and postgraduate level for the Cambridge Theological Federation since 2000 Its purpose is to introduce the reader to questions in Christian ethics through a careful examination of the fundamental meta ethical questions posed by the state we're in whether understood as a new phase of modernity or as postmodernity Brown draws on sources and authors from a variety of Christian traditions and from Britain the U S A and Europe The book will be of use not only to university departments and denominational and ecumenical teaching institutions but also as a more general exposition of the current state of ethical thinking in the Christian churches *Christian Ethics Introduced* Hans O. Tiefel, 2024-03-11 *Christian Ethics Introduced* asks why humans count as ends in themselves The biblical answer was is that humans have standing inherent worth as creatures in the image of God This traditional answer yielded to seventeenth and eighteenth century enlightenment secularism To these secularists human reason promised to be a surer and more peaceable foundation for a just culture than religion Human rationality the light of human reason would enlighten and improve the human condition Two world wars and more realistic trends in new social sciences created not just awareness of human irrationality but fostered skepticism of sound foundations for morality and justice It seemed that both traditional religion and enlightened reason fell short of what had been hoped And the cause of failure may not lie in traditional religion or in human irrationality Rather the problem might lie in human conduct Specifically it may lie in the human inclination to favor self over others of the me outranking the we Christian responses to the human failure to live a moral and just life recognize the persistence of immoral conduct acknowledge it in regard to oneself ask for forgiveness and make amends and peace with God and with those wronged

The Global Face of Public Faith David Hollenbach, 2003-10-09 *The Global Face of Public Faith* addresses the hotly debated question of the role religion should play in politics in both the American and international contexts It engages the fears that public religion threatens American democracy and could lead to a global clash of civilizations and new wars of religion It analyzes how Christianity can attain common ground with other religious communities thus becoming a force for peace and human rights The separation of church from state need not mean the privatization of religion Religious engagement in public life can strengthen civic life by encouraging active citizen participation that promotes both justice and peace The question of religion and politics should thus become an argument about how faith becomes public not whether it does Religious communities Christianity in particular should be vigorous advocates of human rights democratic governance and economic development worldwide In so doing they will also become peacemakers David Hollenbach is a calm voice of reason in a chaotic world with an eye that sees beyond national horizons to where human needs and human rights converge He is convinced that religious traditions can find common ground through the use of rights and rights language *The Global*

Face of Public Faith reinforces his commitment to confronting such issues as poverty and economic development globalism and interreligious dialogue He focuses here on faith and the Catholic tradition in politics the role of the church in American public life and the wider issues of global challenges and ethics in a search for a common set of moral standards and a international ethic through a commitment to universal human rights While not denying the difficulties of forging such a consensus he nonetheless sees the possibility for justice and reasons for hope And hope is something the world can always use

The Environment and Christian Ethics Michael S. Northcott,1996-09-28 A new approach to environmental ethics from within the Christian tradition *Reenvisioning Christian Ethics* Darryl W. Stephens,2020-12-29 Christian ethics is a wide and varied field so diverse are the methods and approaches theological perspectives and starting points and scopes of inquiry and purposes dare we even call it a discipline that the field is rarely considered as a whole Christian ethics includes historical descriptive critical constructive and applied projects on countless topics Lending creative energy to this field of study are a range of partner disciplines including most prominently theology philosophy and sociology each containing multiple schools themselves To envision the entire field of Christian ethics is a difficult task to reenvision the entire field may perhaps be impossible for one person Thus this publication includes original research by multiple scholars each offering a distinct perspective from their primary partner discipline Chapters include Roman Catholic and Protestant voices from Europe Asia and North America In aggregate these writings contribute to a composite reenvisioning of Christian ethics refracting our collective vision through the prisms of diverse academic and methodological perspectives in this vast field of inquiry study and practice

How To Do Christian Ethics Brian Brock,Nadine Hamilton,Daniel R. Patterson,2025-05-29 Discover how pressing contemporary moral issues can be approached and discussed in a distinct and coherently theological fashion This book displays a more direct approach that has the distinct advantage of being approachable dramatic and contemporary It introduces the reader to the grammar of Christian moral reasoning and expands upon its intricate inner workings By demonstrating ways in which a Christian believer or congregation can think through specific moral issues the volume serves a church desiring to witness God s love in genuine and contextually truthful ways Each chapter approaches its subject matter by demonstrating how the sources of Christian moral reasoning Scripture and church doctrine can be imaginatively brought to bear on contemporary moral perplexities The form of teaching practices here makes tangible the ways in which the Christian gospel clearly and even penetratingly illumines our contemporary moral contexts

Women's Rights and the Bible Richard H. Hiers,2012-05-03 In this volume Richard Hiers challenges the popular assumption that the Bible has a low view of women and that biblical law either ignores women or requires them to be subject and subservient to men He does so by identifying and carefully examining hundreds of biblical texts and allowing them to speak for themselves Among the findings that biblical tradition generally represents women positively as strong and independent persons that no text represents wives as subject to their husbands and that no biblical law requires such subjection that biblical laws provide

many protections for women's rights and interests in several instances rights equal to those enjoyed by men The book focuses particularly on the Old Testament and Old Testament law and argues that Old Testament laws and their underlying values provide important resources for Christian ethics and social policy today *New Dictionary of Christian Ethics & Pastoral Theology* David J. Atkinson, David F. Field, Arthur F. Holmes, Oliver O'Donovan, 2013-11-21 Encompassing a wide range of topics from the timely health care and business ethics to the traditional atonement suffering and the kingdom of God this work features an easy to use reference system and eighteen articles that introduce readers to key themes in moral pastoral and practical theology Edited by David J Atkinson and David F Field with consulting editors Arthur Holmes and Oliver O Donovan

Outline of Christian Ethics Kwing Hung, 2014-10-14 Outline of Christian Ethics is a Q yet the extent of the book is broad and deep Dr Hung does not use purely rational and argumentative methods he employs the method of lighthearted conversation with the reader Every chapter is introduced with some stories to stir up the interest of the reader Furthermore statistical facts are added to strengthen the persuasive power of the points made The wealth of information contained in this book will help busy pastors and Christians find the necessary information quickly Rev Dr Peter Au principal Canadian Chinese School of Theology at Tyndale Seminary Toronto

[Christian Ethics and the Church](#) Philip Turner, 2015-09-29 This book introduces Christian ethics from a theological perspective Philip Turner widely recognized as a leading expert in the field explores the intersection of moral theology and ecclesiology arguing that the focus of Christian ethics should not be personal holiness or social reform but the common life of the church A theology of moral thought and practice must take its cues from the notion that human beings upon salvation are redeemed and called into a life oriented around the community of the church This book distills a senior scholar's life work and will be valued by students of Christian ethics theology and ecclesiology
