**The Rights of Reporters** Joel M. Gora, 1974-01-01 Explains the substance and implications of First Amendment principles federal and state laws and court decisions pertaining to news gathering and publishing protection of sources libel and special problems The Rights of Reporters Joel M. Gora, 1974 Journalism Jo A. Cates, 2004-05-30 Journalism A Guide to the Reference Literature is a critically annotated bibliographic guide to print and electronic sources in print and broadcast journalism The first edition was published in 1990 the second in 1997 It has been described as one of the critical reference sources in journalism today and it is a key bibliographic guide to the literature Choice magazine called it a benchmark publication for which there are no comparable sources The format is similar to the second edition What makes this edition significantly different is the separation of Commercial Databases and Internet Resources Commercial Databases includes standard fee based resources The new chapter on Internet sources features Web based resources not included in the commercial databases chapter as well as portals other online files listservs newsgroups and Web logs blogs All chapters have been revised and there are significant revisions in Directories Yearbooks and Collections Miscellaneous Sources Core Periodicals Societies and Associations and Research Centers and Archives The second edition has 789 entries The third edition contains almost 1 000 entries James Carey of Columbia University who provided the foreword for the first two editions has updated his foreword for this edition *Gertz V. Robert Welch, Inc* Elmer Gertz, 1992 Elmer Gertz recalls his long battle in what legal scholars regard as the second most important libel case in legal history Gertz v Robert Welch Inc Gertz's ordeal began in Chicago during the violent peace demonstrations of 1968 A youth Ronald Nelson was killed by a Chicago policeman Richard Nuccio Gertz represented the Nelson family in civil suits against Nuccio and the Chicago police department After Nuccio was convicted of murder the John Birch Society published an article in its journal American Opinion claiming that Nuccio was framed by Communists Gertz was targeted as a prime Communist instigator After reading and studying the article Gertz filed suit against Robert Welch Inc charging that it had defamed him by publishing highly harmful lies impugning his reputation and patriotism Gertz writes in detail of his landmark case which involved two trials two reviews in the court of appeals and two battles in the Supreme Court Although the case was finally decided in April 1981 when a U S district court jury awarded him 100 000 compensatory damages and 300 000 punitive damages Gertz did not receive payment until May 1983 after Robert Welch Inc had filed two unsuccessful appeals **The Essential Feature** Millicent V. Hay, 1990 This helpful guidebook for prospective journalists provides the skills needed to be a successful magazine or newspaper feature writer The Essential Feature is a writing guide a file of examples and a style manual all in one book The author concentrates on those aspects of nonfiction writing that editors find wanting in beginning journalists research accuracy and the skills needed to tell a story not just report news This book tells novice writers what editors want them to know The Essential Feature explains how to apply research and literary techniques to journalistic writing provides eight

examples of successful prize winning published articles combines approaches to writing with practical advice on working as a staff or freelance writer and supplies publishing tips to give the beginning writer a better understanding of the market

**Law and the Company We Keep** Aviam Soifer,1995 The ability to step outside traditional doctrinal boxes that concentrate on relationships between individuals and government will help not only legal thinkers but every person to reason toward justice      **Library of Congress Catalogs** Library of Congress,1978      **Shaping History** Helen Geracimos

Chapin,1996-07-01 Just a decade after the first printing press arrived in Honolulu in 1820 American Protestant missionaries produced the first newspaper in the islands More than a thousand daily weekly or monthly papers in nine different languages have appeared since then Today they are often considered a secondary source of information but in their heyday Hawai i s newspapers formed one of the most diversified vigorous and influential presses in the world In this original and timely work Helen Geracimos Chapin charts the role Hawai i s newspapers played in shaping major historic events in the islands and how the rise of the newspaper abetted the rise of American influence in Hawai i Shaping History is based on a wide selection of written and oral sources including extensive interviews with journalists and others working in the newspaper industry Students of journalism and Hawaiian history will find this comprehensive history of Hawai i s newspapers especially valuable

**Library** Law Library (Calif.),1974      *Women's Rights Law Reporter* ,1995      One World Emerging? Convergence And Divergence In Industrial Societies Alex Inkeles,2019-12-06 In One World Emerging Alex Inkeles clarifies the meaning of convergence in the social organization of modern societies shows how it can be measured and illustrates in detail the manner and degree of convergence across national boundaries Inkeles assesses the extent to which convergence in institutional patterns is reflected in the emergence of more common attitudes values and daily behaviors in different national populations as individuals and communities engage with and respond to the standardizing pressures of national development and global modernization One popular image of the probable condition of humanity in the twenty first century anticipates a new Armageddon with all the great civilizations at war with each other This model neglects a less dramatic but deeper seated process of worldwide change in which national economic and political systems become more alike and populations worldwide

come to adopt similar lifestyles and develop similar attitudes and values for daily living Alex Inkeles penetrating analysis focuses on this process of convergence In One World Emerging Inkeles clarifies the meaning of convergence in the social organization of modern societies shows how it can be measured and illustrates in detail the manner and degree of convergence across national boundaries Sensitive to evidence counter to the main trend he gives close attention to the many instances in which national differences persist and nations and their populations diverge from a common path At the national level he compares and contrasts the modernization of the United States Russia China and India Focusing on particularly important institutions he reviews the process of convergence in prestige hierarchies the family education and communications Capping the enterprise Inkeles assesses the extent to which convergence in institutional patterns is reflected in the emergence of more common attitudes values and daily behaviors in different national populations as individuals and communities in North America Europe and increasingly in Asia engage with and respond to the standardizing pressures of national development and global modernization
