Rikas Stories From The Other Side:

Rika's Stories from the Other Side Erika M L Babcock,1998-03-01 Stories Without End Judith Binney,2021-05-07
Stories Without End is a testament to nearly 40 years of groundbreaking historical research by one of New Zealand's leading scholars. Sitting alongside her major works including the 2010 Book of the Year *Encircled Lands*, these essays explore sidepaths and previously unexamined histories. They notably delve into the lives of powerful early Mōri figures including the prophets Rua Kenana and Te Kooti, their wives and their descendants, and the leaders of the Urewera. Binney brings figures out of the shadows, explores place, and revives memory, ensuring that the histories that matter do indeed become stories without end.

Rika Mechanized M. D. Cooper,2018-04-24 Rika is a scout mech, once human, now she is the property of the Genevian military. Rika's crime was small: stealing food. But when faced with a five-year prison term or conscription in the Genevian military, she chose war. She had no idea what that conscription would entail. Now, little of Rika's human body remains, and she serves as an SMI-2 scout mech, the meat inside a cyborg body. She and others like her are sent in ahead of the human soldiers to tip the scales of war. But the enemy has upped the ante, and the mechs of Rika's fireteam will have to go up against unimaginable odds if they want to serve their time and become human again.

Rika Redeemed M. D. Cooper,2017-11-02 Rika is a Marauder. After years of drifting aimlessly after the war with the Nietzscheans, she has finally found a home with the Marauders, a mercenary outfit comprised of Genevian veterans. Back in the war, Rika hated her government but always fought for the woman next to her. Now she fights for her teammates in Basilisk, an elite spec ops team that takes on the toughest missions. When General Mill CO of the Marauders comes to Rika with a top secret solo operation, she wants to turn it down. But the mission comes with a chance to save Silva, her old team leader from the Nietzschean war. Without team Basilisk, without the Marauders, Rika must stand on her own against all odds and save the woman who once saved her.

Botanical Imagination Jon L. Pitt,2025-04-15 *Botanical Imagination* explores the complicated legacy and enduring lure of plant life in modern Japanese literature and media. Using critical plant studies, Jon L. Pitt examines an unlikely group of writers and filmmakers in modern Japan, finding in their works a desire to become botanical in both content and form. For nearly one hundred years, a botanical imagination grew in response to moments of crisis in Japan's modern history. Pitt shows how artists were inspired to seek out botanical knowledge in order to construct new forms of subjectivity and attempt to resist certain forms of state violence. As he follows plants through the tangled histories of imperialism and state control, Pitt also uncovers the ways plants were used in the same violence that drove artists to turn to the botanical as a model of resistance. In the first place, *Botanical Imagination* calls on us to rethink plants as significant but ambivalent actors and to turn to the botanical realm as a site of potentiality.
