Environmental Issues and Social Inclusion in a Sustainable Era R. Iqbal Robbie, Ali Roziqin, Shannaz Mutiara Deniar, Ardik Praharjo, Kenny Roz, 2023-10-31 The Sustainable Development Goals SDG and the Paris Climate Agreement are examples of initiatives where countries show recognition of their interconnected interests and goals This is particularly evident in the case of global environmental issues because they require global decision making The emergence of global environmental issues such as climate change marine pollution and biodiversity loss has brought new challenges to

governance and requires political support and innovation of global public policies In addition many social problems arise because of the environmental crisis Environmental Issues and Social Inclusion in a Sustainable Era discusses environmental and social inclusion in a socio economic perspective The contributions analyse the management of global environmental problems at local national and international levels with a special focus on multilevel governance innovative public policies and economic development finance and business The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license Funded by Universitas Muhammadiyah Malang

Being and Becoming Ramsey Elkholy, 2016-05-01 For the Orang Rimba of Sumatra and tropical foragers in general life in the forest engenders a kind of connectedness that is contingent not only on harmonious relations between people but also between people and the non human environment including those supernatural agencies of the forest that people depend on for their spiritual and emotional wellbeing Exploring this world anthropologist Ramsey Elkholy treats embodied action and perception as the basis of shared experience and shows how various forms of embodied experience constitute the very foundations of human culture In a unique methodological contribution Elkholy adopts a set of body centered approaches that reflect and capture the day to day moment to moment ways in which people engage with the world Being and Becoming is an important contribution to phenomenological anthropology hunter gatherer studies and to Southeast Asian ethnography more generally
