*Surrealism* Will Atkin,2021-12-10 The Surrealist Movement is an international intellectual movement that has led a sustained  
 questioning of the basis of human experience under twentieth and twenty first century modernity since its founding in the  
 early 1920s Influenced by the psychoanalytical teachings of Sigmund Freud Surrealism emerged among the generation that  
 had witnessed the insanity and horror of the First World War and was conceived of as a framework for investigating the little  
 understood phenomena of dreams and the unconscious In these territories the surrealists recognized an alternative axis of  
 human experience that did not align with the rational workaday rhythms of modern life and which instead revealed the extent  
 to which individual subjectivity had been constrained by post Enlightenment rationalism and by the economic forces  
 governing the post industrial world Against these trends the Surrealist Movement has sought to re evaluate the foundations  
 of modern society and reassert the primacy of the imagination for almost a century to date This book offers focused  
 introductions to numerous writers poets artists filmmakers precursors groups movements events concepts cultures nations  
 and publications connected to Surrealism providing orientation for students and casual readers alike Historical Dictionary of  
 Surrealism Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has

more than 200 cross referenced entries on the Surrealist Movement's engagement with the realms of politics philosophy science poetry art and cinema and charts the international surrealist community's diverse explorations of specific thematic territories such as magic occultism mythology eroticism and gothicism This book is an excellent resource for students researchers and anyone wanting to know more about surrealism      *The Cinema of Todd Haynes* James Morrison, 2007 Todd Haynes has emerged from the trenches of independent American film in the 1990s to become one of the twenty first century's most audacious filmmakers In a series of smart informative essays this book traces his career from its roots in New Queer Cinema to the Oscar nominated *Far from Heaven* 2002 Along the way it covers such landmark films as *Poison* 1991 *Safe* 1995 and *Velvet Goldmine* 1998 Contributors look at these films from a variety of angles including his debts to the avant garde and such noted precursors as Rainer Werner Fassbinder his adventurous uses of melodrama and his incisive portrayals of contemporary life      *Myth* Laurence Coupe, 2006-05-23 Laurence Coupe offers students a crucial overview of the evolution of myth from the ancient Greek definitions to those of a range of contemporary thinkers This introductory volume provides an introduction to both the theory of myth and the making of myth explores the uses made of the term myth within the fields of literary criticism anthropology cultural studies feminism Marxism and psychoanalysis discusses the association between modernism postmodernism myth and history familiarises the reader with themes such as the dying god the quest for the grail the rela
