Gentleman of the Press Paul Lancaster, 1992 A portrait of the American newspaper business during the Gilded Age focusing on the career of one its reporters Using Ralph's career as a narrative framework this book introduces him and his colleagues and re creates the journalistic world of the gaslight era Final Draft David Carr, 2020 A career spanning selection of the legendary reporter David Carr's writing for the New York Times Washington City Paper New York Magazine the Atlantic and more Throughout his 25 year journalistic career David Carr was noted for his sharp and fearless observations his uncanny sense of fairness and justice and his remarkable compassion and wit His writing was informed both by his own hardships as an addict and his intense love of the journalist's craft His range from media politics to national politics from rock n roll celebrities to the unknown civil servants who make our daily lives function was broad and often timeless Whether he was breaking exclusives about Amazon or mourning Philip Seymour Hoffman's death or taking aim at editors who valued political trivia over substance Carr s voice and concerns remain enormously influential and relevant In these hundred or so articles from a range of publications we read his stories with fresh eyes Edited by his widow Jill Rooney Carr and with an introduction written by one of the many journalists David Carr mentored and promoted Ta Nehisi Coates Final Draft is a singular event in the world of writing news an art increasingly endangered in these troubled times Sportswriter's Life Gerald Eskenazi, 2003 In 1959 Gerald Eskenazi dropped out of City College not for the first time and made his way to the New York Times That day the paper had two openings one in news and one in sports Eskenazi was offered either for thirty eight dollars a week He chose sports based on his image of the sports department as a cozier place than the news department Forty one years and more than eighty four hundred stories later New Yorkers know he made the right decision When Eskenazi started reporting sports journalism had a different look than it does today There was a camaraderie

between the reporters and the players due in part to the reporters deference to these famous figures Unlike today journalists stayed out of the locker rooms and didn t ask questions about the players home lives or their feelings about matters other than the sports that they played In A Sportswriter's Life Eskenazi details how much sports and America have changed since then His anecdotes regarding famous and infamous sports figures from baseball great Joe DiMaggio to boxer Mike Tyson illustrate the transformation that American culture and journalism have undergone in the past fifty years Eskenazi gives a behind the scenes look into the journalistic techniques that go into crafting a story as well as the pitfalls reporters fall into There are cautionary tales of journalistic excess as well as moments of triumph such as the time Eskenazi got Joe Namath to open up to him by admitting he was a sportswriter who knew nothing about football Along the way Eskenazi discusses interviewing other reluctant subjects and writing under the intense pressure of a deadline A Sportswriter's Life is a revealing look at the people and events that were part of the history of sports from a perspective usually unavailable to the public Eskenazi s inside stories of sports are not always flattering but they are always amusing touching and revealing This entertaining volume will be enjoyed by anyone with an interest in reporting sports or just a good story Trillin, 2024-02-13 NEW YORK TIMES BESTSELLER A fascinating portrait of journalism and the people who make it told through pieces collected from the incomparable six decade career of bestselling author and longtime New Yorker writer Calvin Trillin The Lede contains profiles that are acknowledged classics of the form and will be studied until A I makes hash out of all of us Dwight Garner The New York Times LONGLISTED FOR THE PEN DIAMONSTEIN SPIELVOGEL AWARD I ve been writing about the press almost as long as I ve been in the game At some point it occurred to me that disparate pieces from various places in various styles amounted to a picture from multiple angles of what the press has been like over the vears since I became a practitioner and an observer Calvin Trillin has reported serious pieces across America for The New Yorker covered the civil rights movement in the South for Time and written comic verse for The Nation But one of his favorite subjects over the years a superb fit for his unique combination of reportage and humor has been his own professional environment the American press In The Lede Trillin gathers his incisive often hilarious writing on reporting reporters and the media world that is their orbit He writes about a legendary crime reporter in Miami a swashbuckling New York Times reporter and an erudite film critic in Dallas who once a week transformed himself from an appreciator of the French nouvelle vague into a crude connoisseur of movies like Mother Riley Meets the Vampire There are pieces on the House of Lords aspirations of a North American press baron the paucity of gossip columns in Russia the embroilment of a weekly newspaper in a missing person case and the founding of a publication called Beautiful Spot A Magazine of Parking Uniting all of this is Trillin's signature combination of empathy humor and graceful prose The Lede is an unparalleled portrait of one of our fundamental American institutions from a master journalist
