The Rinehart Guide to Grammar and Usage Bonnie Carter, Craig Barnwell Skates, 1990-01-01 **The Rinehart Guide to Grammar and Usage** B. Brinegar, 1990-01-01 **English Usage Guides** Ingrid Tieken-Boon van Ostade, 2018 This volume explores both historical and current issues in English usage guides or style manuals Chapters look at how and why these guides are compiled and by whom what sort of advice they contain how they differ from grammars and dictionaries and how attitudes to usage have changed The Rinehart Guide to Grammar and Usage Bonnie Carter, 1993 Describing Prescriptivism Ingrid Tieken-Boon van Ostade, 2019-10-08 Describing Prescriptivism provides a topical and thought provoking analysis of linguistic prescriptivism in British and American English from a historical as well as present day perspective Focusing on usage guides and usage problems the book takes a three fold approach to present an in depth analysis of the topic featuring a detailed study of the advice provided in usage guides over the years an authoritative comparison of this advice with actual usage as recorded in British and American corpora including the HUGE Hyper Usage Guide of English database developed specifically to enable this line of study as well as more mainstream corpora such as COCA COHA and the BNC a close analysis of the attitudes to particular usage problems among the general public based on surveys distributed online through the Bridging the Unbridgeable research project s blog With extensive case studies to illustrate and support claims throughout this comprehensive study is key reading for students and researchers of prescriptivism the history of English and sociolinguistics Found at <https://bridgingtheunbridgeable.com> **Processes of Change** Sandra Jansen, Lucia Siebers, 2019-08-15 The present volume brings together leading scholars studying language change from a variety of sociolinguistic perspectives complementing and enriching the existing literature by providing readers with a kaleidoscopic perspective of aspects of change in English from around 1700 until the present day The volume presents a collection of in depth studies on a broad spectrum of phonetic lexical grammatical and discourse variation drawing on historical corpora dictionaries metalinguistic commentary ego documents spoken language and survey data Apart from advancing our knowledge of processes of language change in varieties of English including British English Irish English Australian English South African English American English and Canadian English the individual chapters contribute to the theoretical debates on variation and change in Late Modern as well as Present day English **Language Prescription** Don Chapman, Jacob D. Rawlins, 2020-09-21 This book is a detailed examination of social connections to language evaluation with a specific focus on the values associated with both prescriptivism and descriptivism The chapters written by authors from many different linguistic and national backgrounds use a variety of approaches and methods to discuss values in linguistic prescriptivism In particular the chapters break down the traditional binary approaches that characterize prescriptive discourse to create a view of the complex phenomena associated with prescriptivism and the values of those who practice it Most importantly this volume continues serious academic conversations about prescriptivism and lays the foundation for

continued exploration *Norms and Conventions in the History of English* Birte Bös, Claudia Claridge, 2019-06-15 This volume explores changing norms and conventions in the English language as displayed in a broad range of historical data from more than five centuries The contributions discuss the interplay of sociocultural conditions specific discourse traditions and structural aspects of language paying special attention to the communities where norms and conventions are displayed and shaped in verbal interaction The volume is enriched by systematic terminological clarifications interdisciplinary approaches and the introduction of new methods like network analysis and advanced analytical tools and forms of visualisation into the diachronic investigation of historical texts Garner's Modern American Usage Bryan Garner, 2009-08-27 A guide to proper American English word usage grammar pronunciation and style features examples of good and bad usage from the media *Copy(write)* Martine Courant Rife, Shaun Slattery, 2011-10-09 Brings together stories theories and research that can further inform the ways in which writing teachers situate and address intellectual property issues in writing classrooms The essays in the collection identify and describe a wide range of pedagogical strategies consider theories present research explore approaches and offer both cautionary tales and local and contextual successes *WPA, Writing Program Administration* ,1990 Center Will Hold Michael Pemberton, 2003-12-01 In *The Center Will Hold* Pemberton and Kinkead have compiled a major volume of essays on the signal issues of scholarship that have established the writing center field and that the field must successfully address in the coming decade The new century opens with new institutional demographic and financial challenges and writing centers in order to hold and extend their contribution to research teaching and service must continuously engage those challenges Appropriately the editors offer the work of Muriel Harris as a key pivot point in the emergence of writing centers as sites of pedagogy and research The volume develops themes that Harris first brought to the field and contributors here offer explicit recognition of the role that Harris has played in the development of writing center theory and practice But they also use her work as a springboard from which to provide reflective descriptive and predictive looks at the field **Rinehart Guide Grammar Use** Carter, 1988-01-01 *The Cumulative Book Index* ,1995 A world list of books in the English language **Forthcoming Books** Rose Army, 1989-05 Guide to Library Research in Public Administration Antony E. Simpson, 1976 **Codes and Consequences** Carol Myers-Scotton, 1998-08-20 Carol Myers Scotton has edited a collection of essays that covers the choice of one style of English over another in everything from Bible translations to surprise in poetry to supervisor worker interactions on the automobile assembly line An important theme developed to varying degrees in these papers is the notion that speakers and writers as rational actors exploit the unmarked marked opposition regarding audience expectations so as to convey messages of intentionality charged with social or psychological import **South Atlantic Review** ,1992 **The Software Encyclopedia** ,1988 **Subject Guide to Books in Print** ,1971
