Michael J. Towle

Ring Of Power The White House Staff And Its Expanding Role In Government:

The White House Staff Bradley H. Patterson, 2004-05-13 Shrouded in anonymity protected by executive privilege but with no legal or constitutional authority of their own the 5 900 people in 125 offices collectively known as the White House staff assist the chief executive by shaping focusing and amplifying presidential policy Why is the staff so large How is it organized and what do those 125 offices actually do In this sequel to his critically appraised 1988 book Ring of Power Bradley H Patterson Jr a veteran of three presidential administrations takes us inside the closely guarded turf of the White House In a straightforward narrative free of partisan or personal agendas Patterson provides an encyclopedic description of the contemporary White House staff and its operations He illustrates the gradual shift in power from the cabinet departments to the staff and for the first time in presidential literature presents an accounting for the total budget of the modern White House White House staff members control everything from the monumental to the mundane They prepare the president for summit conferences but also specify who sits on Air Force One They craft the language for the president to use on public occasions from a State of the Union Address to such Rose Garden rubbish as the pre Thanksgiving pardon for the First Turkey The author provides an entertaining yet in depth overview of these responsibilities Patterson also illuminates the astounding degree to which presidents personally conduct American diplomacy and personally supervise U S military actions The text is punctuated with comments by senior White House aides and by old Washington hands whose careers go back more than half a century The book provides not only a comprehensive key to the offices and activities that make the White House work but also the feeling of belonging to that exclusive membership inside the West Wing

Governing the White House Charles Eliot Walcott, Karen Marie Hult, 1995 Charles Walcott and Karen Hult maintain that the organization of the White House influences presidential performance much more than commonly thought and that organization theory is an essential tool for understanding that influence Their book offers the first systematic application of organizational governance theory to the structures and operations of the White House Office Using organizational theory to analyze what at times has been a rather ad hoc and disorganized office might seem quixotic After all the White House Office exists within a turbulent political environment that encourages expedient decision making And every four to eight years it must be reinvented by presidents who have their own theories and preferences about how to organize a staff to serve their policy needs But Walcott and Hult argue that White House staffs are not simply puppets of presidential preference and style Yes staff structures evolve primarily from presidents strategic responses to external demands But those structures in turn significantly influence how the executive branch perceives and responds to further demands The first part of their book lays out the theoretical argument The second examines White House outreach congressional liaison press relations personnel selection executive branch oversight and interest group and intergovernmental liaison The third focuses on White House handling of policy development and implementation The fourth analyzes staff structures that facilitate the operation of the presidency itself

presidential writing and scheduling staff management and cabinet coordination The book concludes by identifying general patterns in the emergency nature and stability of governance structures in the White House Original and instructive *Governing the White House* provides a much needed primer on the inner workings of the White House staff and will be an essential volume for anyone studying the presidency

Guide to the Presidency and the Executive Branch Michael Nelson, 2012-08-13 This comprehensive two volume guide is the definitive source for researchers seeking an understanding of those who have occupied the White House and on the institution of the U S presidency Readers turn *Guide to the Presidency and the Executive Branch* for its wealth of facts and analytical chapters that explain the structure powers and operations of the office and the president's relationship with Congress and the Supreme Court The fifth edition of this acclaimed reference completes coverage of the George W Bush presidency the 2008 election and the first 3 years of the presidency of Barack Obama This includes coverage of their handling of the economic crisis wars abroad and Obama's healthcare initiatives The work is divided into eight distinct subject areas covering every aspect of the U S presidency and all chapters in each subject area have been revised and updated

Origins and Development of the Presidency including constitutional beginnings history of the presidency and vice presidency and presidential ratings Selection and Removal of the President including the electoral process a chronology of presidential elections removal of the president and vice president and succession Powers of the Presidency including the unilateral powers of the presidency and those as chief of state chief administrator legislative leader commander in chief and chief economist The President the Public and the Parties including presidential appearances the president and political parties the president and the news media the presidency and pop culture public support and opinion and the president and interest groups The Presidency and the Executive Branch including the White House Office the Office of the Vice President supporting organizations the cabinet and executive departments presidential commissions and executive branch housing pay and perquisites Chief Executive and Federal Government including the president and Congress the president and the Supreme Court and the president and the bureaucracy Presidents their Families and Life in the White House and Beyond including the daily life of the president the first lady the first family friends of presidents and life after the presidency Biographies of the Presidents Vice Presidents First Ladies This new volume also features more than 200 textboxes tables and figures Major revisions cover the supporting White House organizations and the president's role as chief economist Additional reference materials include explanatory headnotes as well as hundreds of photographs with detailed captions

The Japanese Prime Minister and Public Policy Kenji Hayao, 2014-08-09 Despite the undeniable importance of Japan in world affairs both politically and economically the office of the Japanese prime minister has received far less attention from scholars than have the top political offices in other advanced industrialized democracies This book is the first major systemic analysis of the Japanese prime minister's role and influence in the policy process Kenji Hayao argues that the Japanese prime minister can play a major if not critical role in bringing

about a change in policy In Japan the prime minister s style is different from what is considered usual for parliamentary leaders rather than being strong and assertive he tends to be reactive How did the role develop in this way If he is not a major initiator of policy change how and under what conditions can the prime minister make his impact felt Finally what are the consequences of this rather weak leadership In answering these questions Professor Hayao presents two case studies educational reform and reform of the tax system involving Nakasone Yasuhiro to see how he became involved in the policy issues and how he affected the process Hayao then examines a number of broad forces that seem important in explaining the prime minister s role in the policy process how a leader is chosen his relationships with other important actors in the political system the political parties and the subgovernments and the structure of his inner staff and advisors **The National**

Security Constitution Harold Hongju Koh,1990-01-01 Discusses the Iran Contra affair and its implications **Presidential Lightning Rods** Richard J. Ellis,2021-10-08 H R Haldeman President Nixon s former chief of staff is said to have boasted

Every president needs a son of a bitch and I m Nixon s I m his buffer and I m his bastard I get done what he wants done and I take the heat instead of him Richard Ellis explores the widely discussed but poorly understood phenomenon of presidential lightning rods cabinet officials who take the heat instead of their bosses Whether by intent or circumstance these officials divert criticism and blame away from their presidents The phenomenon is so common that it s assumed to be an essential item in every president s managerial toolbox But Ellis argues such assumptions can oversimplify our understanding of this tool Ellis advises against indiscriminate use of the lightning rod metaphor Such labeling can hide as much as it reveals about presidential administration and policymaking at the cabinet level The metaphor often misleads by suggesting strategic intent on the president s part while obscuring the calculations and objectives of presidential adversaries and the lightning rods themselves Ellis also illuminates the opportunities and difficulties that various presidential posts especially secretaries of state chiefs of staff and vice presidents have offered for deflecting blame from our presidents His study offers numerous detailed and instructive examples from the administrations of Truman Dean Acheson Eisenhower Richard Nixon John Foster Dulles Herbert Brownell and Ezra Taft Benson LBJ Hubert Humphrey Ford Henry Kissinger and Reagan James Watt These examples Ellis suggests should guide our understanding of the relationship between lightning rods and presidential leadership policymaking and ratings Blame avoidance he warns does have its limitations and may even backfire at times Nevertheless President Clinton and his successors may need to rely on such tools The presidency Ellis points out finds itself the object of increasingly intense partisan debate and microscopic scrutiny by a wary press Lightning rods can deflect such heat and help the president test policies gauge public opinion and protect his political power and public image Ellis s book is an essential primer for helping us understand this process **Presidential Power** Robert Y. Shapiro,Martha Joynt

Kumar,Lawrence R. Jacobs,2000-08-31 Richard Neustadt s seminal work Presidential Power The Politics of Leadership has endured for nearly four decades as the core of academic study of the American presidency Now building on and challenging

many of the arguments in Neustadt's work *Presidential Power Forging the Presidency for the Twenty first Century* offers reflections and implications from what we have learned about presidential power as the new century dawns These essays including a new contribution by Neustadt himself forge a solid reexamination of Neustadt's *Presidential Power* that address questions raised but not resolved by his work A notable aspect of this volume's analysis is the transformed institution of the presidency in the wake of the impeachment hearings of the country's last twentieth century president Bill Clinton From the portrayal of presidents as persuaders to the politics of presidential transitions each of the constituent essays in this volume provides an engaging look at the state of the American presidency

Mismanaging America Walter Williams, 1990 Is the federal government inept Walter Williams says yes Thanks to Ronald Reagan's ill conceived cutbacks reliable policy advice is no longer available to the president The result has been the S L bailout the HUD scandal mismanagement on an unprecedented scale

Encyclopedia of the American Presidency, Fourth Edition Michael Genovese, 2021-04-01 Praise for the first edition An altogether excellent introduction to the study of the presidency of the United States Library Journal entries are well written an excellent addition American Reference Books Annual an excellent resource recommended Booklist Highly recommended Choice The most up to date reference of its kind *Encyclopedia of the American Presidency Fourth Edition* is the definitive guide to the role of the president from the American Revolution through the present day Offering a complete account of the presidency in U S history this A to Z encyclopedia will make a great first stop for students and general readers looking for information on the executive branch of the American government Its comprehensive scope spans the relationship between the executive and the other branches of government court cases elections political opponents scandals and more A valuable resource that provides concise information *Encyclopedia of the American Presidency Fourth Edition* contains more than 750 entries Entries include Bully pulpit Commander in chief Economic policy Executive privilege Kamala Harris Impeachment Iraq War Thomas Jefferson Middle East Military tribunals New Deal Oval Office Franklin D Roosevelt Situation room Donald Trump Veto power War powers Watergate White House and more

[The Occupation of Alcatraz Island](#) Troy R. Johnson, 1996 The occupation of Alcatraz Island by American Indians from November 20 1969 through June 11 1971 focused the attention of the public on Native Americans and helped lead to the development of organized Indian activism In this first detailed examination of the takeover Troy Johnson tells the story of those who organized the occupation and those who participated some by living on the island and others by soliciting donations of money food water clothing or electrical generators Johnson documents growing unrest in the Bay Area urban Indian population and draws on interviews with those involved to describe everyday life on Alcatraz during the nineteen month occupation To describe the federal government's reactions as Americans rallied in support of the Indians he turns to federal government archives and Nixon administration files The book is a must read for historians and others interested in the civil rights era Native American history and contemporary American Indian issues

The American President's Cabinet Anthony J. Bennett, 2016-07-27

The American President's Cabinet examines the very different ways in which the seven presidents from Kennedy to Bush used the institution of the cabinet. It considers the way presidents appoint cabinet members as well as the conduct of cabinet meetings. It also studies the sometimes fraught relationships between the cabinet members working in the various departments scattered throughout Washington and those who work in the White House itself in the Executive Office of the President. A postscript on the Clinton cabinet is also included.

The Development of the American Presidency Richard Ellis, 2022-05-02. A full understanding of the institution of the American presidency requires us to examine how it developed from the founding to the present. This developmental lens analyzing how historical turns have shaped the modern institution allows for a richer, more nuanced understanding. The Development of the American Presidency pays great attention to that historical weight but is organized by the topics and concepts relevant to political science with the constitutional origins and political development of the presidency its central focus. Through comprehensive and in-depth coverage, Richard J. Ellis looks at how the presidency has evolved in relation to the public, to Congress, to the executive branch, and to the law, showing at every step how different aspects of the presidency have followed distinct trajectories of change. Each chapter promotes active learning, beginning with a narrative account of some illustrative puzzle that brings to life a central concept. A wealth of photos, figures, and tables allow for the visual presentations of concepts. New to the Fourth Edition: Explicit and expanded attention to the role of norms in shaping and constraining presidential power, with special focus on Trump's norm-breaking and Biden's efforts to shore up norms. Enhanced focus on the prospects for institutional reform, including in the electoral college, presidential relations with Congress, war powers, and the selection of Supreme Court justices. A full reckoning with the Trump presidency and its significance for the future of American democracy: presidential rhetoric, the unilateral executive, and the administrative state. Coverage of the first year of Biden's presidency, including presidential rhetoric, relations with Congress, and the bureaucracy, use of the war powers, and unilateral directives. Comprehensive updating of debates about the removal power, including the Supreme Court cases of *Seila Law v. CFPB* and *Collins v. Yellen*. In-depth exploration of the impact of partisan polarization on the legislative presidency and effective governance. Analysis of the 2020 election and its aftermath. Expanded discussion of impeachment to incorporate Trump's two impeachments. Examination of presidential emergency powers, with special attention to Trump's border wall declaration. Review of Biden's and Trump's impact on the judiciary. Assessment of Biden's and Trump's place in political time.

Out of Touch Michael J. Towle, 2004. For the three cases observed, growing out of touch did not cause declining public support; but rather, declining support led to the phenomenon of growing out of touch. Relying on extensive use of material from presidential archives, Towle examines how these administrations altered their interpretation of public opinion and how their motivations to consider public opinion changed over their terms. He concludes that the modern presidential need for public support interferes with the ability of administrations to be responsive to public opinion.

Jacket The Presidency and Political Science: Paradigms of Presidential

Power from the Founding to the Present: 2014 Raymond Tatalovich, Steven E Schier, 2014-12-18 This history of presidential studies surveys the views of leading thinkers and scholars about the constitutional powers of the highest office in the land from the founding to the present

Speechwriting in the Institutionalized Presidency Kenneth Collier, 2018-04-18 This book traces the evolution of the speechwriting process for presidents in the White House from the administration of Franklin Roosevelt to the present While institutionalization of the speechwriting process has often been blamed for bland presidential rhetoric this book draws out the many varied consequences of institutionalization on the speechwriting process Ultimately it concludes that the institutionalization of the process has actually served the presidency well by helping presidents avoid the adverse effects of poorly chosen words

Organizing the Presidency Stephen Hess, James P. Pfiffner, 2020-10-20 Examining how the White House works or doesn't before and after Trump Donald Trump has reinvented the presidency transforming it from a well oiled if sometimes cumbersome institution into what has often seemed to be a one man show But even Trump's unorthodox presidency requires institutional support from a constantly rotating White House staff and cabinet who have sought to carry out and sometimes resist the president's direct orders and comply with his many tweets Nonetheless the Trump White House still exhibits many features of its predecessors over the past eight decades When Franklin D Roosevelt was inaugurated the White House staff numbered fewer than fifty people and most federal departments were lightly staffed as well As the United States became a world power the staff of the Executive Office increased twentyfold and the staffing of federal agencies blossomed comparably In the fourth edition of *Organizing the Presidency* a landmark volume examining the presidency as an institution Stephen Hess and James P Pfiffner argue that the successes and failures of presidents from Roosevelt through Trump have resulted in large part from how the president deployed and used White House staffers and other top officials responsible for carrying out Oval Office policy Drawing on a wealth of analysis and insight *Organizing the Presidency* addresses best practices for managing a presidency that is itself a bureaucracy

George Humphrey, Charles Wilson and Eisenhower's War on Spending James Worthen, 2019-09-09 The first Republican president since the Great Depression Dwight Eisenhower was the victorious supreme allied commander of World War II's European theater but a political novice when he moved into the White House in 1953 To help make domestic policy he recruited two of the country's richest businessmen Cleveland industrialist George Humphrey and General Motors president Charles Wilson with the goals of ensuring American postwar prosperity and developing a defense posture against the nuclear threat of the Soviet Union This book provides the first detailed examination of how Humphrey and Wilson helped shape Eisenhower's policies and priorities Persuasive and charming Treasury Secretary Humphrey was obsessed with cutting spending Defense Secretary Wilson whose departmental funding comprised most of the federal budget bore the brunt of Humphrey's anti spending campaign while struggling to master his brief and control the restive military bureaucracy The frugality of the Humphrey Wilson years manifested in an unambitious domestic agenda and a military that seemed to lag behind the Soviets in key areas

leading to disastrous Republican losses in the elections of 1958 and 1960 Presidents and Protestors Theodore Windt, 1991-12-19 Windt's fresh interpretations are based on solid rhetorical analysis A fine work that makes a valuable contribution to the field both in methodology and findings Robert V. Friedenberg *Guide to the Presidency* Michael Nelson, 2015-05-01 The Guide to the Presidency is an extensive study of the most important office of the U.S. political system Its two volumes describe the history workings and people involved in this office from Washington to Clinton The thirty seven chapters of the Guide arranged into seven distinct subject areas ranging from the origins of the office to the powers of the presidency to selection and removal cover every aspect of the presidency Initially dealing with the constitutional evolution of the presidency and its development the book goes on to expand on the history of the office how the presidency operates alongside the numerous departments and agents of the federal bureaucracy and how the selection procedure works in ordinary and special circumstances Of special interest to the reader will be the illustrated biographies of every president from Washington to the present day and the detailed overview of the vice presidents and first ladies of each particular office Also included are two special appendices one of which gathers together important addresses and speeches from the Declaration of Independence to Clinton's Inaugural Address and another which provides results from elections and polls and statistics from each office **The First War on Terrorism** David C. Wills, 2004-10-26 The events of September 11 2001 brought terrorism to the forefront but Al Qaeda is not the first group to try using political violence against the United States to make Washington change its policies In the 1980s terrorism was rampant from Latin America to Europe and the Middle East a host of groups demanded changes in American foreign policy and were willing to bomb assassinate kidnap and hijack to pressure the government to act The First War on Terrorism examines the response of the Reagan Administration to the political violence it confronted during the 1980s David Wills takes the reader inside the negotiations over how to respond to terrorist acts and shows how the Reagan Administration's decision making process was a crucial obstacle to formulating a consistent and effective terrorism policy Compelling and enlightening The First War on Terrorism serves as a powerful guide to what should be emulated and avoided from America's previous battles with shady foes

Ring Of Power The White House Staff And Its Expanding Role In Government Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Ring Of Power The White House Staff And Its Expanding Role In Government free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Ring Of Power The White House Staff And Its Expanding Role In Government free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Ring Of Power The White House Staff And Its Expanding Role In Government free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be

cautious and verify the authenticity of the source before downloading Ring Of Power The White House Staff And Its Expanding Role In Government. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Ring Of Power The White House Staff And Its Expanding Role In Government any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Ring Of Power The White House Staff And Its Expanding Role In Government Books

1. Where can I buy Ring Of Power The White House Staff And Its Expanding Role In Government books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
