*Index to Short Stories*, 1929      **The Captain of the "Pole-star,"** Arthur Conan Doyle, 1895      *Index to Short Stories--Supplement* Ina Ten Eyck Firkins, 1929      **The Captain of the Polestar, and Other Tales** Sir Arthur Conan Doyle, 2021 This morning I saw a star twinkling just over the fore yard the first since the beginning of May There is considerable discontent among the crew many of whom are anxious to get back home to be in time for the herring season when labour always commands a high price upon the Scotch coast As yet their displeasure is only signified by sullen countenances and black looks but I heard from the second mate this afternoon that they contemplated sending a deputation to the Captain to explain their grievance I much doubt how he will receive it as he is a man of fierce temper and very sensitive about anything approaching to an infringement of his rights I shall venture after dinner to say a few words to him upon the subject I have always found that he will tolerate from me what he would resent from any other member of the crew Amsterdam Island at the north west corner of Spitzbergen is visible upon our starboard quarter a rugged line of volcanic rocks intersected by white seams which represent glaciers It is curious to think that at the present moment there is probably no human being nearer to us than the Danish settlements in the south of Greenland a good nine hundred miles as the crow flies A captain takes a great responsibility upon himself when he risks his vessel under such circumstances No whaler has ever remained in these latitudes till so advanced a period of the year 9 P M I have spoken to Captain Craigie and though the result has been hardly satisfactory I am bound to say that he listened to what I had to say very quietly and even deferentially When I had finished he put on that air of iron determination which I have frequently observed upon his face and paced rapidly backwards and forwards across the narrow cabin for some minutes      **The Polestar and Other Tales**,      **The Great Keinplatz Experiment and Other Tales of Twilight and the Unseen** Arthur Conan Doyle, 2022-10-13 The Great Keinplatz Experiment and Other Tales of Twilight and the Unseen is a volume collecting 12 short stories written by Arthur Conan Doyle and published in 1925 by George H Doran Co      **The Captain of the Polestar and Other Tales** Arthur Conan Doyle, 2015-12-27 Arthur Conan Doyle's anthology *The Captain of the Polestar and Other Tales* takes readers on a captivating journey through the mystifying and often harsh realities of the 19th century The titular story *The Captain of the Polestar* sets the stage with an intense narrative of a whaling crew trapped in the icy Arctic under the enigmatic leadership of Captain Craigie As whispers of ghosts and the threat of starvation loom the crew's fears and superstitions create a tense atmosphere of suspense and dread In this collection Doyle masterfully blends elements of isolation madness and the supernatural exploring the depths of human endurance and psychological complexity Each tale delves into different aspects of human nature providing a glimpse into the social life and customs of 19th century Great Britain With themes of adventure mystery and the human condition this anthology is an enthralling read for those who appreciate stories set on the edge of civilization and sanity Through rich storytelling Doyle brings to life the perilous seafaring world and the intricate dynamics of

its characters The Captain of the Polestar and Other Tales is not just a collection of short stories but a profound exploration of the era's social fabric making it an essential read for fans of historical fiction and English short stories Whether you're drawn to tales of the supernatural or the stark realities of human survival this anthology offers a deep dive into the captivating and chilling narratives only Doyle can craft The Captain of the Polestar, and Other Tales Артур Конан Дойл, 2021-03-16 The Captain of the Polestar, and Other Tales Arthur Conan Doyle, 1892 The Great Keinplatz Experiment and Other Tales of Twilight and the Unseen Артур Конан Дойл, 2017-04-10 *The Great Keinplatz Experiment* Arthur Conan Doyle, 1919 The Great Keinplatz Experiment and Other Tales of Twilight and the Unseen by Sir Arthur Conan Doyle - Delphi Classics (Illustrated) Sir Arthur Conan Doyle, 2017-07-17 This eBook features the unabridged text of The Great Keinplatz Experiment and Other Tales of Twilight and the Unseen from the bestselling edition of The Complete Works of Sir Arthur Conan Doyle Having established their name as the leading publisher of classic literature and art Delphi Classics produce publications that are individually crafted with superior formatting while introducing many rare texts for the first time in digital print The Delphi Classics edition of Doyle includes original annotations and illustrations relating to the life and works of the author as well as individual tables of contents allowing you to navigate eBooks quickly and easily eBook features The complete unabridged text of The Great Keinplatz Experiment and Other Tales of Twilight and the Unseen Beautifully illustrated with images related to Doyle's works Individual contents table allowing easy navigation around the eBook Excellent formatting of the text Please visit [www.delphiclassics.com](http://www.delphiclassics.com) to learn more about our wide range of titles

**Ireland, India and Nationalism in Nineteenth-Century Literature** Julia M. Wright, 2007-04-19 In this innovative study Julia M Wright addresses rarely asked questions how and why does one colonized nation write about another Wright focuses on the way nineteenth century Irish writers wrote about India showing how their own experience of colonial subjection and unfulfilled national aspirations informed their work Their writings express sympathy with the colonised or oppressed people of India in order to unsettle nineteenth century imperialist stereotypes and demonstrate their own opposition to the idea and reality of empire Drawing on Enlightenment philosophy studies of nationalism and postcolonial theory Wright examines fiction by Maria Edgeworth and Lady Morgan gothic tales by Bram Stoker and Oscar Wilde poetry by Thomas Moore and others as well as a wide array of non fiction prose In doing so she opens up new avenues in Irish studies and nineteenth century literature **Encountering Material Culture Through Archaeological Fiction** Kerry Dodd, 2024-12-12 Investigating the representation of artefacts objects and things in a range of predominantly Western archaeological fiction from the late Victorian period to the modern day this book examines the narratives through which humanity represents its own material heritage in relation to notions of enchantment exhibition estrangement adventure tourism and waste Kerry Dodd asserts that comprehending the structures through which material culture is presented within archaeological media reveals the structures that transform an object from rubbish to relic Calling upon such indicative

literature films TV series and video games as Tomb Raider Indiana Jones Uncharted and Relic Hunter this book explores the depiction of material culture through three principal areas relics exhibition and adventure Outlining a critical framework of artefact representation Dodd argues that such iconic moments as Howard Carter s remark that he saw wonderful things when he broke into the antechamber of Tutankhamun s tomb remain recognisable through the evocation of a spectacular visual despite little concrete definition of the objects witnessed This book offers a unique exploration of how such figures as Indiana Jones Lara Croft and Carter have cemented a cultural recognition of what an artefact constitutes as being dependent on how an object is encountered It is through the very wonder of things that Dodd breaks down the boundaries between popular and professional archaeology by pushing forward critical considerations of material culture

**Museum Trouble** Ruth Hoberman, 2011-06-10 By 1901 the public museum was firmly established as an important national institution in British life Its very centrality led to its involvement in a wide range of debates about art knowledge national identity and individual agency Ruth Hoberman argues that these debates concerned writers as well Museum Trouble focuses on fiction written between 1890 and 1914 and the ways in which it engaged the issues dramatized by and within the museum Those issues were many Art critics argued about what kind of art to buy on behalf of the nation how to display it and whether salaried professionals or aristocratic amateurs should be in charge Museum administrators argued about the best way to exhibit scientific and cultural artifacts to educate the masses while serving the needs of researchers And novelists had their own concerns about an increasingly commercialized literary marketplace the nature of aesthetic response the impact of evolution and scientific materialism and the relation of the individual to Britain s national and imperial identity In placing the many crucial museum scenes of Edwardian fiction in the context of late nineteenth century and early twentieth century cultural discourse Museum Trouble shows how this turn of the century literature anticipated many of the concerns of the modernist writers who followed
