Rip Some Lips:

Thin Slice of Life Miles Arceneaux, 2012-09-25 Charlie Sweetwater returns to his hometown to visit his brother but arrives to find he is a no show The Coast Guard has discovered Johnny's shrimp boat drifting abandoned in the Gulf Is it death by misadventure as the authorities presume or something more sinister Meanwhile Fulton Harbor where Charlie's family have docked their shrimp boats for generations has changed and not for the better Hard working Vietnamese fishermen are under the thumb of Col Nguyen Ngoc Bao a ruthless exiled gangster who aims to recreate his criminal enterprise in a New World setting Confronting Bao and his thugs are Charlie and a mismatched group of good guys and gals a fast and loose Cajun hustler a salty cast of Third Coast barroom regulars a handful of courageous Vietnamese migrants a menacing ex convict and a misplaced Texas Ranger who discovers a slice of the Lone Star State that the cowboy movies of his boyhood never prepared him for Along the way Charlie finds himself falling for his brother's girlfriend whose zealous desire to see justice served tests his own limits for loyalty and commitment Unlikely heroes arise from improbable circumstances and the denizens of the small seaside community find their fortunes and fates ebbing and flowing like the tidal flux of the ocean itself

Paper Movies Max Morteman, 2001-06-19 Paper Movies is a book containing two novellas and two long short stories The title is derived from the fact that the tales contained herein are graphic and of a visual nature This will hopefully put the reader into a state of mind that makes him/her smell buttered popcorn and want to pull a sweaty cardboard cup of a favorite beverage from the circular drink holder on the arm of a theater chair that isn't there The Fishermen is the longest of these four Paper Movies and well worth the price of admission In this story eleven year old Zack Bonding goes on a fishing trip with his father What happens to them will take you places you may wish you had never gone Max Morteman in The Fishermen will make you wonder if you have as firm a grip on reality as you previously thought Upon A Star is based upon a premise that resides within us all What if you could really have absolutely anything your greedy little heart desires What if you could have every wish you make come true in an instant And we're talking twenty four hours a day folks And you're only sixteen years old Come on Adolescence is hard enough without that The repercussions can be devastating Tick Woman shows us that the most innocent actions and altruistic intentions can have outcomes beyond imagining Max Morteman is not a nice guy I fear All Marjorie Hormel wants to do is pick enough blueberries to make a

birthday cake for her twins tenth birthday and two pies and a cake for a church social cum birthday party for the area's oldest resident Good God Max Morteman how could you do this Finally if you are brave enough to continue this trip to the Paper Movies the book closes with Walking Small Walking Small is the story of a small town principal of a rural school in the north central region of Pennsylvania in 1967 The summer of that year 1967 is now commonly referred to by historians as The Summer Of Love Suffice it to say that the principal of Ogosh Elementary School Rollo Jervis is not a very loving guy He is a fanatical believer in the biblical adage Spare the rod and spoil the child So pop some corn or can tabs take the phone off the hook and sit back and open the book Added bonus you don't need to worry about the batteries in the remote Max Morteman truly hopes you'll enjoy your trip to the Paper Movies You just better hope he isn't there sitting beside you Tails of the Smokies Jim Parks,2021-02-03 Driving toward the Great Smoky Mountains National Park you may decide to take one of the numerous backroads to avoid the traffic of the more touristy areas One of those backroads Highway 15 takes you across the Harvey Pop Powell Memorial Bridge where Homer is selling copies of the Laurel Cove Banner for a quarter and through the fictional town of Laurel Cove population 278 Laurel Cove has one traffic light really a flashing yellow light slowing down visitors Otherwise you may miss the whittlin bench in front of Webb's Grocery or Boots Barber Shop owned by the only barber and one of several part time moonshiners in town Further down Main Street you turn left at the light in front of First Fidelity Bank once robbed by Public Enemy Number 1 John Dillinger and onto Church Street After crossing Big Bear Fork Reverend Mitchell waves as you notice the sign shows Sunday's sermon The Prodigal Son Most residents know the sign is referencing Dr Jay McMahan fresh out of medical school who grew up in Laurel Cove and is now returning home to assume the role of retiring Doc Hembree Also welcoming Jay is his best friend from birth Dillon Webb As the two friends resume their friendship and love for fly fishing they remember their first trip to Big Creek where Dillon's grandfather Pop Powell taught them to catch trout As Jay and Dillon continue their trips into the mountains they do so surrounded by the unique characters and humorous events that can only transpire in a small town on the edge of the Great Smoky Mountains **A One on One Guide: Basic Training for Spiritual Combat** Jay Carty,2005-04-06 There is a battle raging and we are the objects of the fight between good and evil Daily the enemy attacks us with anger immorality and priorities that push God out of the picture But how do we fight an adversary that we can't see When we choose to become aware of the battle we can don protection and arm ourselves with the arsenal that God has given us Learn why your prayers sometimes seem powerless how you can resist temptation and how to be delivered from the bondage of sin **Pale Morning Done** Jeff Hull,2005-06-01 Marshall is learning to love the land He's in the process of transforming his father's ranch into prime spring creek fishing literally molding the land as he attempts to fashion himself He's a guide along with his two closest friends Molly and Alton All three are trying to step out of a youthful fascination with the freewheeling fish guiding life and into a sustainable life on the land and water of Montana Pale Morning Done is a coming of place novel in which Marshall must decide between the woman who

wants him and the woman who loves him between the future desired by his father and the future created by himself between the truth that will bind and the omission that will free It is about the tides that toss friends sometimes against each other and ultimately unites them against enemies It is about the delicate balance of our lives that violence can abruptly topple Beautifully written this first novel scours the landscape of emotion as it revels in the physical landscape of Montana Pale Morning Done is sure to place Jeff Hull in the company of other great chroniclers of the new West including Norman McLean William Kittredge and Tom McGuane

Graced by Waters John Dietsch,Paul VanDevelder,2020-04-28 In this inspirational and humorous collection of essays author John Dietsch sees his addiction to and passion for fishing as a parable that can help us shift from compulsive thinking to mindfulness and a closer connection to God From creating fishing scenes on the set of A River Runs Through It in Montana to directing fly fishing shows in New Zealand and from exploring deep canyons in California to guiding in Colorado John shares his experiences and asks the question what are we really fishing for Through John s journeys across the globe we discover that the same pursuit in fishing of what is elusive but attainable can be applied to our own spiritual journey In the end Dietsch uncovers his own truth under the rocks of a childhood river recognizing the loss of both his brothers as the path of acceptance and faith that is graced by waters

Rip Some Lips J. Kevin Curry,2005-03-31 years my wife and I had dreamt of fishing in Alaska Sure we had done a lot of fishing and hunting down south but there was a burning desire to risk life and limb to catch or hunt something that might just end up having us for lunch instead Every year for five years we went to the Denver Sportsman s show and lusted after

those mighty salmon and halibut finally we decided that enough was enough We were going to do it But if we were going to do it we might as well do it right We decided Yeah we could spend 5000 00 on a two week fishing trip or we could spend the same amount and just move there Here we are This book contains the tales of our adventures in the Great Sometimes we catch fish and sometimes it really is about the experience And sometimes it just gets stupid and that is when we love it the most So kick back and enjoy And remember our motto The family that slays together stays together J Kevin Curry
