**How to Become an American** Daniel Wolff,2022-12-13 An odyssey from pre Civil War Charleston to post World War II Minneapolis through Jewish immigrants eyes The histories of US immigrants do not always begin and end in Ellis Island and northeastern cities Many arrived earlier and some migrated south and west fanning out into their vast new country They sought a renewed life fresh prospects and a safe harbor despite a nation that was not always welcoming and not always tolerant How to Become an American begins with an abandoned diary and from there author Daniel Wolff examines the sweeping history of immigration into the United States through the experiences of one unnamed seemingly unremarkable Jewish family and in the process makes their lives remarkable It is a deeply human odyssey that journeys from pre Civil War Charleston South Carolina to post World War II Minneapolis Minnesota In some ways the family s journey parallels that of the nation as it struggled to define itself through the Industrial Age A persistent strain of loneliness permeates this story and Wolff holds up this theme for contemplation In a country that prides itself on being a nation of immigrants where all men are created equal why do we end up feeling alone in the land we love
