Rise Of Ancient Israel

Hershel Shanks

Rise Of Ancient Israel:

The Rise of Ancient Israel Hershel Shanks, 1992 This work is composed of three outstanding lectures about the emergence of the ancient Israelites and their religion presented at a symposium held at the Smithsonian Institution in the fall of 1991 Professors William Dever Baruch Halpern and P Kyle McCarter Jr specialists in the fields of biblical archaeology and Near Eastern studies present provocative theories on the arrival of the Israelites in ancient Canaan and the provenance of their religion Did the Israelites enter Canaan according to the books of Joshua and Judges or were they already there as part of the indigenous population Is there any reality to the biblical account of the Exodus Where and when did belief in the God Yahweh originate Edited under the aegis of Shanks the well known editor of Biblical Archaeological Review and Bible Review this work can easily be understood by interested lay readers Highly recommended for larger collections Robert A Silver Shaker Heights P L Ohio Library Journal Special Issue: the Rise of Ancient Israel ,2019 **Habiru** Gary Arthur Thomson, 2011-08-08 In the Year 1230 BCE the stately city of Shechem cradled between Mount Gerizim and Mount Ebal was suddenly disturbed out of her reserved formality her closely watched market her liturgical inner temple routine her orderly sentinelled turrets A ood of people from every direction poured into her gates and thronged her narrow streets A new nation called Israel was about to come into being A fact validated by two corroborative Egyptian inscriptions hieroglyphed in stone At Shechem in the Year 931 BCE two historians began to write the story of Israel Two women Civil war triggered their need to write A tragicomic situation was unfolding and the two insightful women could see it coming They were in the royal court but being women they were powerless to avert the catastrophe Being educated they did have the power of the pen Rehoboam the successor to King Solomon was being crowned at Shechem and his cocky arrogance created a catastrophe the breakup of Israel Professor Thomsons skill as a teacher and writer enables his students and reader to think through the ancient stories and give them context in archaeological settings in life like Shechem Dr Lucie Lavoie Universit de Montral The State of Old Testament Studies H. H. Hardy, II, M. Daniel Carroll R., 2024-11-05 This book surveys the current landscape of Old Testament studies offering readers a concise guide to contemporary academic discussions Bringing together a diverse group of experts The State of Old Testament Studies provides an informed introduction to the many fields of Old Testament research by recognized scholars presents basic questions in each subfield surveys the primary methods of answering these questions engages prominent solutions and cites relevant and up to date resources It is an extensive guide to current research and an ideal supplemental textbook for a variety of courses on the Old Testament **Palestine in Transition** David Noel Freedman, David Frank Graf, 1983 *The Invention of Ancient Israel* Keith W. Whitelam, 1996 Argues that ancient Israel has been invented by scholars in the image of a European nation state influenced by the Israeli state created in 1948 Biblical scholars have contributed to dispossessing the Palestinians of their land and their past **The Emergence of Israel in Ancient Palestine** Emanuel Pfoh, 2016-04-01 Taking advantage of critical methodology for history writing and the

use of anthropological insights and ethnographic data from the modern Middle East this study aims at providing new understandings on the emergence of Israel in ancient Palestine and the socio political dynamics at work in the Levant during antiquity The book begins with a discussion of matters of historiography and history writing both in ancient and modern times and an evaluation on the incidence of the modern theological discourse in relation to history and history writing Chapter 2 evaluates the methodology used by biblical scholars for gaining knowledge on ancient Israelite society Pfoh argues that such attempts often apply socio scientific models on biblical narratives without external evidence of the reconstructed past producing a virtual past reality which cannot be confirmed concretely Chapter 3 deals with the archaeological remains usually held as clear evidence of Israelite statehood in the tenth century BCE The main criticism is directed towards archaeological interpretations of the data which are led by the biblical narratives of the books of Judges and Samuel resulting in a harmonic blend of ancient literature and modern anthropological models on state formation Chapter 4 continues with the discussion on how anthropological models should be employed for history writing Socio political concepts such as chiefdom society or state formation should not be imposed on the contents of ancient literary sources i e the Bible but used instead to analyse our primary sources the archaeological and epigraphic records in order to create a socio historical account The final chapter attempts to provide an historical explanation regarding the emergence of Israel in ancient Palestine without relying on the Bible but only on archaeology epigraphy and anthropological insights This Israel is not the biblical one This is the Israel from history the one that the modern historian aims at recovering from the study of ancient epigraphic and archaeological remains The arguments presented challenge the idea that the biblical writers were recording historical events as we understand this practice nowadays and that we can use the biblical records for creating critical histories of Israel in ancient Palestine It also questions the existence of undisputable traces of statehood in the archaeological record from the Iron Age as the biblical images about a United Monarchy might lead us to believe Thus drawing on ethnographic insights we may gain a better knowledge on how ancient Levantine societies functioned providing us with a context for understanding the emergence of historical Israel as a major highland patronate with a socio political life of almost two centuries It is during the later periods of ancient Palestines history the Persian and the Graeco Roman that we find the proper context into which biblical Israel is created beginning a literary life of more than two millennia

Interpreting the Old Testament Craig C. Broyles, 2001-10-01 A guide to essential aspects of Old Testament exegesis

The Face of Old Testament Studies David W. Baker, Bill T. Arnold, 2004-10 Leading scholars provide an overview of current issues in Old Testament studies

[Joshua 1-12, Volume 7A](#) Trent C. Butler, 2017-10-10 Trent C Butler s excellent commentary on Joshua is updated and revised This new edition takes into account the most recent scholarly work on the book of Joshua The commentary includes Butler s translation of the text explanatory notes and commentary to help any professor student or pastor with research and writing Features include solid biblical scholarship for teachers pastors and students updated bibliography commentary for deeper

study thorough coverage of the biblical languages close analysis of ancient manuscripts of Joshua The Word Biblical Commentary series offers the best in critical scholarship firmly committed to the authority of Scripture as divine revelation It is perfect for scholars students of the Bible ministers and anyone who wants a theological understanding of Scripture

How Israel Became a People Dr. Ralph K. Hawkins,2013-02-01 How did Israel become a people Is the biblical story accurate In what sense if any is the biblical story true Are the origins of these ancient people lost in myth or is there hope to discovering who they were and how they lived These questions divide students and scholars alike While many believe the Conquest is only a fable this book will present a different view Using biblical materials and the new archaeological data this title tells how the ancient Israelites settled in Canaan and became the people of Israel The stakes for understanding the history of ancient Israel are high The Old Testament tells us that Yahweh led the Hebrews into the land of Canaan and commanded them to drive its indigenous inhabitants out and settle in their place This account has often served as justification for the possession of the land by the modern state of Israel Archaeology is a weapon in the debate used by both Israelis and Palestinians trying to write each other out of the historical narrative This book provides needed background for the issues and will be of interest to those concerned with the complexity of Arab Israeli relations *The Land of Canaan in the Late Bronze Age* Lester L. Grabbe,2017-02-09 This volume provides a series of contributions on the crucial aspects relating to the Bible and the Late Bronze Age period The volume is introduced with a background essay surveying the main areas of history and current scholarship relating to Late Bronze Age Palestine and to the Egyptian New Kingdom Dynasties 18 20 domination of the region as well as the question of the biblical account of the same geographical area and historical period Specific chapters address a range of key concerns the history of Egypt s dealing with Canaan is surveyed in chapters by Grabbe and Dijkstra The Amarna texts are also dealt with by Lemche Mayes and Grabbe The archaeology is surveyed by van der Steen The Merenptah Stela mentioning Israel is of considerable interest and is discussed especially by Dijkstra This leads on to the burning question of the origins of Israel which several of the contributors address Another issue is whether the first Israelite communities practised egalitarianism an issue taken up by Guillaume with a response by Kletter

Biblical History and Israel's Past Megan Bishop Moore,Brad E. Kelle,2011-05-17 Although scholars have for centuries primarily been interested in using the study of ancient Israel to explain illuminate and clarify the biblical story Megan Bishop Moore and Brad E Kelle describe how scholars today seek more and more to tell the story of the past on its own terms drawing from both biblical and extrabiblical sources to illuminate ancient Israel and its neighbors without privileging the biblical perspective Biblical History and Israel s Past provides a comprehensive survey of how study of the Old Testament and the history of Israel has changed since the middle of the twentieth century Moore and Kelle discuss significant trends in scholarship trace the development of ideas since the 1970s and summarize major scholars viewpoints issues and developments *Historical Biblical Archaeology and the Future* Thomas Evan Levy,2016-04-08 Joint winner of the 2011

Biblical Archaeology Society Publication Award in the category Best Scholarly Book on Archaeology The archaeology of the Holy Land is undergoing major change Historical Biblical Archaeology and the Future describes the paradigm shift brought about by objective science based dating methods geographic information systems anthropological models and digital technology tools The book serves as a model for how researchers can investigate the relationship between ancient texts both sacred and profane and the archaeological record Influential archaeologists and biblical scholars examine a range of texts materials and cultures the Vedas and India the Homeric legends and Greek Classical Archaeology the Sagas and Icelandic archaeology Islamic Archaeology and the Umayyad Abbasid and Ayyubid periods The groundbreaking essays offer a foundation for future research in biblical archaeology ancient Jewish history and biblical studies

The Geography of Religion Roger W. Stump, 2008-04-04 The only book of its kind this balanced and accessibly written text explores the geographical study of religion Roger W Stump presents a clear and meticulous examination of the intersection of religious belief and practice with the concepts of place and space He begins by analyzing the factors that have shaped the spatial distributions of religious groups including the seminal events that have fostered the organization of religions in diverse hearths and the subsequent processes of migration and conversion that have spread religious beliefs The author then assesses how major religions have diversified as they have become established in disparate places producing a variety of religious systems from a common tradition Stump explores the efforts of religious groups to control secular space at various scales relating their own uses of particular spaces and the meanings they attribute to space beyond the boundaries of their own communities Examining sacred space as a diverse but recurring theme in religious belief the book considers its role in religious forms of spatial behavior and as a source of conflict within and between religious groups Refreshingly jargon free and impartial this text provides a broad comparative view of religion as a focus of geographical inquiry

The Dawn of Israel Lester L. Grabbe, 2022-11-17 In this companion volume to his bestselling Ancient Israel What Do We Know and How Do We Know It Lester L Grabbe provides the background history of the main ancient Near Eastern peoples and empires Babylonia Assyria Urartu Hittites Amorites Egyptians Grabbe's focus is on Palestine Canaan and covers the early second millennium including the Middle Bronze Age and the Second Intermediate Period and Hyksos rule of Egypt Grabbe also addresses the question of a patriarchal period The main focus of the book is on the second half of the second millennium Late Bronze and early Iron Age the Egyptian New Kingdom the Amarna letters the Sea Peoples the question of the exodus the early settlements in the hill country of Palestine and the first mention of Israel in the Merenptah inscription Archaeology and the contribution of the social sciences both feature heavily as does inscriptional and iconographic material As such this volume provides a fascinating portrayal of ancient Israel and this definitive work by one of the world's leading biblical historians will be of interest to all students and scholars of biblical history

Israel in Transition Lester L. Grabbe, 2008-12-01 For more than a decade the European Seminar in Historical Methodology has debated the history of

ancient Israel or Palestine or the Southern Levant as some prefer A number of different topics have been the focus of discussion and published collections but several have centered on historical periods The really seminal period one of great debates over a number of different topics is the four centuries between the Late Bronze II and Iron IIA but it seemed appropriate to leave it toward the end of the various historical periods It was also important to give a prominent place to archaeology and the best way to do this seemed to be to have a special Seminar session devoted entirely to archaeology

Introducing the Old Testament Rolf A. Jacobson, Michael J. Chan, 2023-03-14 This lively engaging introduction to the Old Testament is critical and theological lavishly illustrated and accompanied by a variety of pedagogical aids It serves as the Old Testament counterpart to Mark Allan Powell's successful *Introducing the New Testament* over 105 000 copies sold *Introducing the Old Testament* presents disputed and controversial issues fairly neither dictating conclusions nor privileging skepticism over faith based perspectives The full color interior is illustrated with photographs and fine art and includes sidebars maps a glossary and further reading suggestions A companion website through Baker Academic's Textbook eSources features a wealth of additional resources for students and instructors Resources for students include chapter objectives study questions flash cards and self quizzes Resources for professors include chapter objectives discussion prompts pedagogical suggestions PowerPoint slides and a test quiz bank

Critical Issues in Early Israelite History Richard S. Hess, Gerald A. Klingbeil, Paul J. Ray Jr., 2008-06-30 The origin of the Israelites is one of the most frequently discussed issues among archaeologists and biblical scholars Only a few decades ago biblical stories such as the Conquest were heralded as confirmed by archaeology But in the 1970s Thomas L Thompson and John Van Seters were in the vanguard of a movement among scholars that was intent on reassessing the historical reliability of the biblical narratives This reassessment gained momentum during the 1980s and 1990s today the mainstream opinion is that there was no Conquest and the Israelites if they can be identified as a national entity or as a people did not arrive in Canaan by means of a military conquest For three days in March 2004 a group of scholars met to consider the state of the question and to provide a response to the predominant academic skepticism a response that considers the biblical text to be an important datum in the construction of the history of the people of Israel To do so the authors of the papers read at the conference take into account both biblical and extrabiblical literary evidence as well as the contributions of archaeology to describe as completely as possible what may be known about the early history of Israel *Critical Issues in Early Israelite History* publishes the papers read at this conference in the hope that the result will be a balanced portrayal of this watershed event based on all of the currently available evidence

Archaeology and Biblical Interpretation John R. Bartlett, 2002-01-04 The contributors in this book use the most recent research in key areas the early settlements of Israel early Israelite religion Qumran Jerusalem early Christian churches to show that ancient writings and modern archaeology can illuminate each other but only when used with professional care The essays represent a new generation of archaeologists and historians with new social political and

religious concerns who draw a fresh and vital picture of the emergence of ancient Israel

Rise Of Ancient Israel Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its capability to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**Rise Of Ancient Israel**," written by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound impact on our existence. Throughout this critique, we will delve to the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.

Rise Of Ancient Israel Introduction

In today's digital age, the availability of Rise Of Ancient Israel books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rise Of Ancient Israel books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rise Of Ancient Israel books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rise Of Ancient Israel versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rise Of Ancient Israel books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rise Of Ancient Israel books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Rise Of Ancient Israel books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rise Of Ancient Israel books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rise Of Ancient Israel books and manuals for download and embark on your journey of knowledge?

FAQs About Rise Of Ancient Israel Books

What is a Rise Of Ancient Israel PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Rise Of Ancient Israel PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Rise Of Ancient Israel PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Rise Of Ancient Israel PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Rise Of Ancient Israel PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe

Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
