

THE **RISE** OF **BAPTIST** **REPUBLICANISM**

ORAN P. SMITH

Rise Of Baptist Republicanism

Edward H. Miller

Rise Of Baptist Republicanism:

The Rise of Baptist Republicanism Oran P Smith, 2000-05-01 A Choice Outstanding Academic Book By championing the ideals of independence evangelism and conservatism the Southern Baptist Convention SBC has grown into the largest Protestant denomination in the country The Convention's mass democratic form of church government its influential annual meetings and its sheer size have made it a barometer for Southern political and cultural shift Its most recent shift has been starboard toward fundamentalism and Republicanism While the Convention once offered a happy home to Harry Truman Jimmy Carter and church state separationists in the past two decades the SBC has become an uncomfortable institution for Democrats progressive theologians and other moderate voices Current SBC member heroes include Senators Trent Lott and Jesse Helms Despite this seeming marginalization Southern Baptist politicians have grown from political obscurity to occupying the four highest positions in the constitutional order of succession to the presidency President Bill Clinton Vice President Al Gore Senate President pro tempore Strom Thurmond and House Speaker Newt Gingrich are all Southern Baptists In its emerging Republicanism the SBC has taken on characteristics of its more active fellow travelers in the Christian Right forging alliances with former enemies African Americans and Roman Catholics playing presidential politics establishing a Washington lobbying presence working the political grassroots and declaring war on Walt Disney Each of these missions has been accomplished with calculating political precision The Rise of Baptist Republicanism traces the Republicanization of the SBC's Republicanism in the context of the rise of the Fundamentalist Right and the emergence of a Republican majority in the South Describing the SBC's political roots Oran P Smith contrasts Baptist Republicans with the rest of the Christian Right while revealing the theological cultural and historical factors which have made Southern Baptists receptive to Republican Fundamentalist Right influences The book is a must read for anyone wishing to understand the intersection of religion and politics in America today [The Rise of Baptist Republicanism](#) Oran P. Smith, 1997-09 In its emerging Republicanism the SBC has taken on characteristics of its more active fellow travelers in the Christian Right forging alliances with former enemies African Americans and Roman Catholics playing presidential politics establishing a Washington lobbying presence working the political grassroots and declaring war on Walt Disney Each of these missions has been accomplished with calculating political precision **Recapturing the Oval Office** Brian Balogh, Bruce J. Schulman, 2015-09-04 Several generations of historians figuratively abandoned the Oval Office as the bastion of out of fashion stories of great men And now decades later the historical analysis of the American presidency remains on the outskirts of historical scholarship even as policy and political history have rebounded within the academy In Recapturing the Oval Office leading historians and social scientists forge an agenda for returning the study of the presidency to the mainstream practice of history and they chart how the study of the presidency can be integrated into historical narratives that combine rich analyses of political social and cultural history The authors demonstrate how bringing the presidency back

in can deepen understanding of crucial questions regarding race relations religion and political economy The contributors illuminate the conditions that have both empowered and limited past presidents and thus show how social cultural and political contexts matter By making the history of the presidency a serious part of the scholarly agenda in the future historians have the opportunity to influence debates about the proper role of the president today Contributors Brian Balogh University of Virginia Michael A Bernstein Tulane University Kathryn Cramer Brownell Purdue University N D B Connolly The Johns Hopkins University Frank Costigliola University of Connecticut Gareth Davies University of Oxford Darren Dochuk Washington University Susan J Douglas University of Michigan Daniel J Galvin Northwestern University William I Hitchcock University of Virginia Cathie Jo Martin Boston University Alice O Connor University of California Santa Barbara Bruce J Schulman Boston University Robert O Self Brown University Stephen Skowronek Yale University *The American South* William J. Cooper, Jr., Thomas E. Terrill, 2009-01-16 In *The American South* William J Cooper Jr and Thomas E Terrill demonstrate their belief that it is impossible to divorce the history of the south from the history of the United States Each volume includes a substantial biographical essay completely updated for this edition which provides the reader with a guide to literature on the history of the South Coverage now includes the devastation of Hurricane Katrina in 2005 up to date analysis of the persistent racial divisions in the region and the South s unanticipated role in the 2008 presidential primaries

God Speaks to Us, Too Susan M. Shaw, 2021-10-21 Raised as a Southern Baptist in Rome Georgia Susan M Shaw earned graduate degrees from the Southern Baptist Theological Seminary in Louisville Kentucky was ordained a Southern Baptist minister and prepared herself to lead a life of leadership and service among Southern Baptists However dramatic changes in both the makeup and the message of the Southern Baptist Convention during the 1980s and 1990s a period known among Southern Baptists as the Controversy caused Shaw and many other Southern Baptists especially women to reconsider their allegiances In *God Speaks to Us Too* Southern Baptist Women on Church Home and Society Shaw presents her own experiences as well as those of over 150 other current and former Southern Baptist women in order to examine the role identity and culture of women in the largest Protestant denomination in the country The Southern Baptist Convention was established in the United States in 1845 after a schism between Northern and Southern brethren over the question of slavery Shaw sketches the history of the Southern Baptist faith from its formation through its dramatic expansion following World War II to the Controversy and its aftermath The Controversy began as a successful attempt by fundamentalists within the denomination to pack the leadership and membership of the Southern Baptist Convention the denomination s guiding body with conservative and fundamentalist believers Although no official strictures prohibit a Southern Baptist woman from occupying the primary leadership role within her congregation or her own family rhetoric emanating from the Southern Baptist Convention during the Controversy strongly discouraged such roles for its women and church leadership remains overwhelmingly male as a result Despite the vast difference between the denomination s radical beginnings and its current

position among the most conservative American denominations freedom of conscience is still prized Shaw identifies soul competency or the notion of a free soul that is responsible for its own decisions as the principle by which many Southern Baptist women reconcile their personal attitudes with conservative doctrine These women are often perceived from without as submissive secondary citizens but they are actually powerful actors within their families and churches God Speaks to Us Too reveals that Southern Baptist women understand themselves as agents of their own lives even though they locate their faith within the framework of a highly patriarchal institution Shaw presents these women through their own words and concludes that they believe strongly in their ability to discern the voice of God for themselves

Uneasy in Babylon Barry Hankins, 2002-04-24 As these self professed culture warriors believe women should be submissive to their husbands Disney World should be boycotted because of its tacit support of homosexuality and multiculturalism is tolling a death knell for the American way of life BOOK JACKET

Cowboy Conservatism Sean P. Cunningham, 2010-07-02 During the 1960s and 1970s Texas was rocked by a series of political transitions Despite its century long heritage of solidly Democratic politics the state became a Republican stronghold virtually overnight and by 1980 it was known as Reagan Country Ultimately Republicans dominated the Texas political landscape holding all twenty seven of its elected offices and carrying former governor George W Bush to his second term as president with more than 61 percent of the Texas vote Sean P Cunningham examines the remarkable history of Republican Texas in *Cowboy Conservatism* Texas and the Rise of the Modern Right Utilizing extensive research drawn from the archives of four presidential libraries gubernatorial papers local campaign offices and oral histories Cunningham presents a compelling narrative of the most notable regional genesis of modern conservatism Spanning the decades from Kennedy s assassination to Reagan s presidency Cunningham reveals a vivid portrait of modern conservatism in one of the nation s largest and most politically powerful states The newest title in the New Directions in Southern History series Cunningham s *Cowboy Conservatism* demonstrates Texas s distinctive and vital contributions to the transformation of postwar American politics

The Rights Turn in Conservative Christian Politics Andrew R. Lewis, 2017-10-19 Explains how abortion politics influenced a fundamental shift in conservative Christian politics teaching conservatives to embrace rights arguments

Nut Country Edward H. Miller, 2015-09-03 Taps the fascinating history of a surprisingly understudied place Dallas to reorient our understanding of America s Republican Right Darren Dochuk author of *Anointed with Oil* On the morning of November 22 1963 President Kennedy told Jackie as they started for Dallas We re heading into nut country today That day s events ultimately obscured and revealed just how right he was Oswald was a lone gunman but the city that surrounded him was full of people who hated Kennedy and everything he stood for led by a powerful group of ultraconservatives who would eventually remake the Republican party in their own image In *Nut Country* Edward H Miller tells the story of that transformation showing how a group of influential far right businessmen religious leaders and political operatives developed a potent mix of hardline anticommunism biblical literalism and racism to generate a violent populism

and widespread power Though those figures were seen as extreme in Texas and elsewhere mainstream Republicans nonetheless found themselves forced to make alliances or tack to the right on topics like segregation As racial resentment came to fuel the national Republican party s divisive but effective Southern Strategy the power of the extreme conservatives rooted in Texas only grew Drawing direct lines from Dallas to DC Miller s captivating history offers a fresh understanding of the rise of the new Republican Party and the apocalyptic language conspiracy theories and ideological rigidity that remain potent features of our politics today Well researched and briskly written A timely intelligent and penetrating book The New York Times Book Review

A Companion to Lyndon B. Johnson Mitchell B. Lerner, 2012-02-13 This companion offers an overview of Lyndon B Johnson s life presidency and legacy as well as a detailed look at the central arguments and scholarly debates from his term in office Explores the legacy of Johnson and the historical significance of his years as president Covers the full range of topics from the social and civil rights reforms of the Great Society to the increased American involvement in Vietnam Incorporates the dramatic new evidence that has come to light through the release of around 8 000 phone conversations and meetings that Johnson secretly recorded as President

Southern History on Screen Bryan M. Jack, 2019-01-08 Hollywood films have been influential in the portrayal and representation of race relations in the South and how African Americans are cinematically depicted in history from The Birth of a Nation 1915 and Gone with the Wind 1939 to The Help 2011 and 12 Years a Slave 2013 With an ability to reach mass audiences films represent the power to influence and shape the public s understanding of our country s past creating lasting images both real and imagined in American culture In Southern History on Screen Race and Rights 1976 2016 editor Bryan Jack brings together essays from an international roster of scholars to provide new critical perspectives on Hollywood s relationships between historical films Southern history identity and the portrayal of Jim Crow era segregation This collection analyzes films through the lens of religion politics race sex and class building a comprehensive look at the South as seen on screen By illuminating depictions of the southern belle in Gone with the Wind the religious rhetoric of southern white Christians and the progressive identity of the white heroes in A Time to Kill 1996 and Mississippi Burning 1988 as well as many other archetypes found across films this book explores the intersection between film historical memory and southern identity

American Denominational History Keith Harper, 2008-09-24 This book brings the rigor of scholarly assessment of the current literature to various important topics and groups in American religious history The contributors carefully examine the fruitful historiographic questions that are posed by the positions and experiences of the various groups American Denominational History points the way for the next decade of scholarly effort

Open Friendship in a Closed Society Peter Slade, 2009-10-09 Peter Slade examines Mission Mississippi s model of racial reconciliation which stresses one on one individual friendships among religious people of different races and considers whether it can effectively address the issue of social justice Slade argues that Mission Mississippi s goal of changing Mississippi one relationship at a time is both a pragmatic strategy and a theological statement

of hope for social and economic change in Mississippi *Exiled* Carl L. Kell, 2006 It has been one of the major news stories in religion and culture of the past twenty five years From 1979 to 1995 the Southern Baptist Convention SBC was rocked by assaults on its leadership by fundamentalists who used questionable tactics to gain top positions and then used their power to purge Baptist seminary presidents and professors church pastors lay leaders and women from positions of responsibility America's largest Christian non Catholic denomination is firmly locked in a holy war to secure its churches and membership for a never ending struggle against a liberal culture *Exiled Voices of the Southern Baptist Convention Holy War* is a compilation of first person narratives by conservative and moderate ministers and lay leaders who were stripped of their positions and essentially became pariahs in the churches to which they had devoted their lives While other books have described the takeover in historical political and theological terms *Exiled* is different Individual people tell their personal stories revealing the struggle and heartache that resulted from being vilified dispossessed and exiled Kell includes a variety of perspectives from lay preachers and church members to prominent former SBC leaders such as James Dunn and Carolyn Crumpler The emotion captured on the pages sadness shock disbelief resignation and anger will make *Exiled* moving even to readers who know little about the Southern Baptist movement *Exiled* will also be of particular interest to historians sociologists philosophers of religion and rhetorical historians **American Theocracy** Kevin Phillips, 2006-03-21 An explosive examination of the coalition of forces that threatens the nation from the bestselling author of *American Dynasty* In his two most recent bestselling books *American Dynasty* and *Wealth and Democracy* Kevin Phillips established himself as a powerful critic of the political and economic forces that rule and imperil the United States tracing the ever more alarming path of the emerging Republican majority's rise to power Now Phillips takes an uncompromising view of the current age of global overreach fundamentalist religion diminishing resources and ballooning debt under the GOP majority With an eye to the past and a searing vision of the future Phillips confirms what too many Americans are still unwilling to admit about the depth of our misgovernment **Phyllis Schlafly and Grassroots Conservatism** Donald T. Critchlow, 2008-01-15 Based on access to Schlafly's papers and sixty other archival collections offers a look at the private life and public convictions of the arch conservative and determined opponent of the Equal Rights Amendment gay rights and reproductive freedom *The Encyclopedia of Politics and Religion* Robert Wuthnow, 2013-12-04 Containing over 200 articles from prominent scholars *The Encyclopedia of Politics and Religion* examines ways in which politics and religion have combined to affect social attitudes spark collective action and influence policy over the last two hundred years With a focus that covers broad themes like millenarian movements and pluralism and a scope that takes in religious and political systems throughout the world the *Encyclopedia* is essential for its contemporary as well as historical coverage Special Features Encompasses religions individuals geographical regions institutions and events Describes the history of relations between religion and politics Longer articles contain brief bibliographies Attractively designed and produced *The Encyclopedia of Politics and Religion* will

be invaluable for any library public and academic which serves those interested in politics sociology religious studies international affairs and history Contents include Abortion Algeria Anabaptists China Christian Democracy Ethnic Cleansing Gandhi Israel Italy Jesuits Jihad Just War Missionaries Moral Majority Muslim Brethren Temperance Movements Unification Church War Zionism America Right or Wrong : An Anatomy of American Nationalism Anatol Lieven Senior Associate for Foreign and Security Policy Carnegie Endowment for International Peace,2004-10-15 America keeps a fine house Anatol Lieven writes but in its cellar there lives a demon whose name is nationalism In this controversial critique of America s role in the world Lieven contends that U S foreign policy since 9 11 has been shaped by the special character of our national identity which embraces two contradictory features One The American Creed is a civic nationalism which espouses liberty democracy and the rule of law It is our greatest legacy to the world But our almost religious belief in the Creed creates a tendency toward a dangerously messianic element in American nationalism the desire to extend American values and American democracy to the whole world irrespective of the needs and desires of others The other feature populist or what is sometimes called Jacksonian nationalism has its roots in an aggrieved embittered and defensive White America centered largely in the American South Where the Creed is optimistic and triumphalist Jacksonian nationalism is fed by a profound pessimism and a sense of personal social religious and sectional defeat Lieven examines how these two antithetical impulses have played out in recent US policy especially in the Middle East and in the nature of U S support for Israel He suggests that in this region the uneasy combination of policies based on two contradictory traditions have gravely undermined U S credibility and complicated the war against terrorism It has never been more vital that Americans understand our national character This hard hitting critique directs a spotlight on the American political soul and on the curious mixture of chauvinism and idealism that has driven the Bush administration **New Directions in Rhetoric and Religion** James W. Vining,2021-08-10 New Directions in Rhetoric and Religion reflects the complex and fluid natures of religion rhetoric and public life in our globalized digital and politically polarized world by bringing together a diverse group of rhetorical scholars to provide a comprehensive and forward looking collection on rhetoric and religion This volume addresses these topics in three separate sections 1 Rhetorics of religion at work in public activism 2 Rhetorics of religion in contemporary public discourse and 3 Ways that rhetoric scholars study religion Scholars of rhetoric religion and social sciences will find this book particularly interesting Politics and Religion in the White South Glenn Feldman,2005-09-30 Politics and Religion in the White South examines the powerful ways in which religious considerations have shaped American political discourse Since the inception of the Republic politics have remained a subject of lively discussion and debate Although based on secular ideals American government and politics have often been peppered with Christian influences Especially in the mostly Protestant South religion and politics have been nearly inextricable This collection of thirteen essays from prominent historians and political scientists including Mark K Bauman Charles S Bullock III Natalie M Davis Andrew M Manis Mark J

Rozell and Clyde Wilcox explores the intersection of religion politics race relations and Southern culture from post Civil War America to the present when the religious right has begun to exercise a profound influence on the course of American politics

Rise Of Baptist Republicanism Introduction

In today's digital age, the availability of Rise Of Baptist Republicanism books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rise Of Baptist Republicanism books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rise Of Baptist Republicanism books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rise Of Baptist Republicanism versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rise Of Baptist Republicanism books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rise Of Baptist Republicanism books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Rise Of Baptist Republicanism books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to

borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rise Of Baptist Republicanism books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rise Of Baptist Republicanism books and manuals for download and embark on your journey of knowledge?

FAQs About Rise Of Baptist Republicanism Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rise Of Baptist Republicanism is one of the best book in our library for free trial. We provide copy of Rise Of Baptist Republicanism in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rise Of Baptist Republicanism. Where to download Rise Of Baptist Republicanism online for free? Are you looking for Rise Of Baptist Republicanism PDF? This is definitely going to save you time and cash in something you should think about.
