

Rise Of Italian Fascism

Absalom R. N. L.

Rise Of Italian Fascism:

The Rise of Italian Fascism (RLE Responding to Fascism) A Rossi, 2010-11-01 The rise of Italian fascism is often seen as a pre condition as well as a precursor of later developments in Europe most notably in Germany As such they were also much discussed in the English speaking world throughout the 1930 s First published in English in 1938 this book gives an account of Italian history in the years immediately following the first world war culminating in the triumph of Mussolini Arguing that Mussolini succeeded because he was much more ruthless than his opponents he concludes that this is something that must be learnt from in point of material and military strength we must be superior to the fascists since that is the ground on which they are trying to force a decision The Rise of Italian Fascism Andrew Boxer, 2000 Part of the Questions in History series for A Level History A survey of Mussolini s early political career Italian politics and the Facist seizure of power up to 1925 Includes Italy without Italians 1861 1915 The growth of discontent 1915 1920 The growth of the Facist movement 1919 1922 The steps to dictatorship 1922 1926 Issues and interpretations The Rise of Italian Fascism, 1918-1922 Angelo Tasca, 1966 **Italian Fascism** Alexander J. De Grand, 1982 On October 29 1922 when Benito Mussolini completed the March on Rome and was appointed prime minister of Italy the Fascist regime began in triumph It ended some twenty two years later with the execution of Mussolini and the collapse of the German inspired Italian Social Republic In this edition of Italian Fascism Alexander De Grand maintains his disagreement with recent interpretations of the movement and regime as revolutionary and leftist While not ignoring the importance of ideology he sees Fascism in Italy as a bourgeois response to the challenge of proletarian revolution and an approach to the problem of conservative control in an era of mass politics *The Rise of Italian Fascism, 1918-1922* A. Rossi, Angelo Tasca, 1976 *The March on Rome* Giulia Albanese, 2019-03-27 The aim of this book is to reconstruct the violent nature of the March on Rome and to emphasise its significance in demarcating a real break in the country s history and the beginning of the Fascist dictatorship This aspect of the March has long been obscured first by the Fascists celebratory project and then by the ironic and reductive interpretation of the event put forward by anti Fascists This volume focuses on the role and purpose of Fascist political violence from its origins In doing so it highlights the conflictual nature of the March by illustrating the violent impact it had on Italian institutions as well as the importance of a debate on this political turning point in Italy and beyond The volume also examines how the event crucially contributed to the construction of a dictatorial political regime in Italy in the weeks following Mussolini s appointment as head of the government Originally published in Italian this book fills a notable gap in current critical discussion surrounding the March in the English language **Mussolini and the Rise of Italian Fascism** Absalom R. N. L., 1969 **A People's History of the World** Chris Harman, 2017-05-02 Building on A People s History of the United States this radical world history captures the broad sweep of human history from the perspective of struggling classes An indispensable volume on class and capitalism throughout the ages for readers reckoning with the history they were taught

and history as it truly was Howard Zinn From the earliest human societies to the Holy Roman Empire from the Middle Ages to the Enlightenment from the Industrial Revolution to the end of the twentieth century Chris Harman provides a brilliant and comprehensive history of the human race Eschewing the standard accounts of Great Men of dates and kings Harman offers a groundbreaking counter history a breathtaking sweep across the centuries in the tradition of history from below In a fiery narrative he shows how ordinary men and women were involved in creating and changing society and how conflict between classes was often at the core of these developments While many scholars see the victory of capitalism as now safely secured Harman explains the rise and fall of societies and civilizations throughout the ages and demonstrates that history moves ever onward in every age A vital corrective to traditional history A People s History of the World is essential reading for anyone interested in how society has changed and developed and the possibilities for further radical progress Latin Fascist Elites Paul H. Lewis, 2002-12-30 Many dictatorships are short lived but a few manage to stay in power for decades Lewis takes three Latin fascist tyrants Mussolini Franco and Salazar and shows how they perpetuated their rule through the careful recruitment and circulation of top echelon subordinates to carry out their orders Long established dictatorships have to respond to political and social pressures surrounding them just as democracies do but it is harder to study them because they are closed systems One possible way of viewing their internal processes is by observing who they recruit into top leadership positions Every dictator however powerful must delegate some authority to an elite stratum just below him By watching which kinds of men are recruited how long they are kept in power and whether different skills are sought at different times it may be possible to chart the evolution of a 20 or 30 year regime The Mussolini Franco and Salazar regimes all fit the criteria of being long established Mussolini ruled for almost 21 years Franco for over 37 and Salazar for 36 Moreover all three shared a family resemblance as being fascist Comparing them affords the additional advantage of adding to our understanding of the Latin variant of fascism as contrasted to the Central and Eastern European A provocative work for scholars students and other researchers involved with European Politics Modern European History and fascist regimes Blood and Power John Foot, 2022-06-09 Clear cool plainly written and devastating Lucy Hughes Hallett Times Literary Supplement A major history of the rise and fall of Italian fascism a dark tale of violence ideals and a country at war In the aftermath of the First World War the seeds of fascism were sown in Italy While the country reeled in shock a new movement emerged from the chaos one that preached hatred for politicians and love for the fatherland one that promised to build a New Roman Empire and make Italy a great power once again Wearing black shirts and wielding guns knives and truncheons the proponents of fascism embraced a climate of violence and rampant masculinity Led by Benito Mussolini they would systematically destroy the organisations of the left murdering and torturing anyone who got in their way In Blood and Power historian John Foot draws on decades of research to chart the turbulent years between 1915 and 1945 and beyond Drawing widely from accounts of people across the political spectrum fascists anti fascists communists anarchists victims perpetrators

and bystanders he tells the story of fascism and its legacy which still disturbingly reverberates to this day

The History of Italy Charles L. Killinger, 2024-12-26 Explore the arts culture and history of Italy Famous for the Colosseum in Rome the canals of Venice the renowned fashion houses of Milan and the beauty of the Tuscan countryside Italy is a vibrant tapestry of ancient landmarks and modern industry In the 21st century Italian history has been shaped by the transformative political influence of media mogul Silvio Berlusconi who served multiple terms as prime minister as well as migrant crises a series of natural disasters and the rise of populism culminating in the 2022 election of Giorgia Meloni the first woman to lead Italy as prime minister This second edition of *The History of Italy* provides readers with an accessible and comprehensive introduction to the long and ever evolving history of Italy and its people

Women, Antifascism and Mussolini's Italy Isabelle Richet, 2018-09-30 Marion Cave Rosselli is remembered as the perfect companion of the Italian Antifascist leader Carlo Rosselli assassinated in Paris in June 1937 But little is known about the young English student fired with revolutionary enthusiasm who moved to Florence in 1919 witnessed the violent march of fascism to power and thereafter became a resolute adversary of the Mussolini dictatorship Based on a wealth of little used private and public archives this biography retraces her journey from a modest home on the outskirts of London to the first underground Antifascist opposition in Italy from the prison island of Lipari to exile in Paris and the United States It reveals the social cultural and existential factors which underpinned her unflinching political engagement alongside her husband It also highlights the many challenges faced by Antifascist women within a highly patriarchal movement by bringing to life the figure of a woman who challenged the traditional division of labour within the family and struggled to carve a political role for herself Reconstructing Marion Cave Rosselli's experience in relation to the multiple political social and cultural worlds she moved in this book broadens our understanding of the Antifascist movement and offers a richly detailed portrait of a time full of hopes anxieties and disappointments

Rethinking the History of Italian Fascism Giulia Albanese, 2022-03-10 In the last years the discussion around what is fascism if this concept can be applied to present forms of politics and if its seeds are still present today became central in the political debate This discussion led to a vast reconsideration of the meaning and the experience of fascism in Europe and is changing the ways in which scholars of different generations look at this political ideology and come back to it and it is also changing the ways in which we consider the experience of Italian fascism in the European and global context The aim of the book is building a general history of Fascism and its historiography through the analysis of 13 different fundamental aspects which were at the core of Fascist project or of Fascist practices during the regime Each essay considers a specific and meaningful aspect of the history of Italian fascism reflecting on it from the vantage point of a case study The essays thus reinterrogates the history of Fascism to understand in which way Fascism was able to mould the historical context in which it was born how and if it transformed political cultural social elements that were already present in Italy The themes considered are violence empire war politics economy religion culture but also antifascism and the impact

of Fascism abroad especially in the Twenties and at the beginnings of the Thirties The book could be both used for a general public interested in the history of Europe in the interwar period and for an academic and scholarly public since the essays aim to develop a provocative reflection on their own area of research

A Primer of Italian Fascism Jeffrey Thompson Schnapp, Olivia E. Sears, Maria G. Stampino, 2000-01-01 A Primer of Italian Fascism makes available for the first time in English translation the key documents pertaining to one of our century's defining mass political movements Whereas existing anthologies survey Fascist writings in a multiplicity of national settings A Primer of Italian Fascism opts for a tightly focused in depth approach that emphasizes the development of Fascist ideology in the country of its birth Historically speaking Italian Fascism was the original Fascism The model for subsequent movements including Nazism Falangism and Integralism Italian Fascism set out to define a third way to modernization known as corporatism A Primer of Italian Fascism situates the rise and fall of corporatist ideals within the framework of the actual history of Mussolini's movement and regime It includes not only classic doctrinal statements such as Mussolini's Foundations and Doctrine of Fascism and writings by corporatist theorists such as Bottai Pellizzi Rocco and Spirito but also an array of fundamental political and juridical documents including the party platforms adopted by the Fascist combat brigades the 1938 Manifesto of Race the 1940 Manifesto of Verona and the Fascist labor and school charters By making available such an extensive array of source texts A Primer of Italian Fascism aims to open up for the English reader a more complex and complete vision of Fascism both in Italy and beyond

The Perfect Fascist Victoria De Grazia, 2020-08-11 A New Statesman Book of the Year Winner of the Helen and Howard R Marraro Prize Winner of the Aldo and Jeanne Scaglione Prize for Italian Studies Extraordinary I could not put it down Margaret MacMillan Reveals how ideology corrupts the truth how untrammelled ambition destroys the soul and how the vanity of white male supremacy distorts emotion making even love a matter of state Sonia Purnell author of A Woman of No Importance When Attilio Teruzzi a decorated military officer and early convert to the Fascist cause married a rising American opera star his good fortune seemed settled The wedding was blessed by Mussolini himself Yet only three years later Teruzzi now commander of the Black Shirts renounced his wife Lilliana was Jewish and fascist Italy would soon introduce its first race laws The Perfect Fascist pivots from the intimate story of a tempestuous courtship and inconvenient marriage to the operatic spectacle of Mussolini's rise and fall It invites us to see in the vain unscrupulous fanatically loyal Attilio Teruzzi an exemplar of fascism's New Man Victoria De Grazia's landmark history shows how the personal was always political in the fascist quest for manhood and power In his self-serving pieties and intimate betrayals his violence and opportunism Teruzzi is a forefather of the illiberal politicians of today The brilliance of de Grazia's book lies in the way that she has made a page turner of Teruzzi's chaotic life while providing a scholarly and engrossing portrait of the two decades of Fascist rule Caroline Moorhead Wall Street Journal Original and important A probing analysis of the fascist strong man De Grazia's attention to Teruzzi's private life his behavior as suitor and husband deepens and enriches our understanding of the

nature of leadership in Mussolini's regime and of masculinity virility and honor in Italian fascist culture Robert O Paxton author of *The Anatomy of Fascism* This is a perfect book Its two entwined narratives one political and public the other personal and private help us understand why the personal is political for those who insist on reshaping people and society

Azar Nafisi author of *Reading Lolita in Tehran* **Fascist Italy** John Whittam, 2024-07-30 *Fascist Italy* is a concise introduction to the phenomenon of Italian fascism and its impact The author balances an up to date re evaluation of political diplomatic and military developments with a full assessment of the more neglected domestic and cultural dimensions of the subject With the aid of documents and recent research on the subject this book presents an analysis of the origins of the movement the reasons behind its political success and the methods used to construct and consolidate a regime capable of resolving the problems of mass society in the 20th century Within his broad ranging analysis Whittam places particular emphasis on the attempts to exert social control the interaction of party and state the tension between revolutionary and conservative tendencies and on the role of Il Duce Mussolini's triumphs and failures in peace and war and his ultimate responsibility for the disintegration of the regime are discussed objectively *Modern European History, 1871-2000* David Welch, 2020-09-10 *Modern European History* brings together a unique selection of documents covering the period from 1871 to 2000 The collection is organised by topic and a clear historical context and chronological chart provide background for each section This second edition brings the book up to date and includes such key themes in European history as Bismarck and Imperial Germany the Russian Revolution the origins and aftermath of the First and Second World Wars Fascist Italy and Nazi Germany The Spanish Civil War The Cold War European Integration 1945 1999 Containing documents such as extracts from diaries speeches treaties poetry radio broadcasts photographs cartoons political posters and propaganda this is an essential resource for students of modern British and European history *The Logic of Evil* William Brustein, 1996-01-01 In this provocative book William Brustein provides a cogent and original explanation for why so many Germans enlisted in the Nazi Party between 1925 and 1933 It advances scholarship on the Nazi period and develops a theory of right wing mobilisation **The Primacy of Politics** Sheri Berman, 2006-08-07 Political history in the industrial world has indeed ended argues this pioneering study but the winner has been social democracy an ideology and political movement that has been as influential as it has been misunderstood Berman looks at the history of social democracy from its origins in the late nineteenth century to today and shows how it beat out competitors such as classical liberalism orthodox Marxism and its cousins Fascism and National Socialism by solving the central challenge of modern politics reconciling the competing needs of capitalism and democracy Bursting on to the scene in the interwar years the social democratic model spread across Europe after the Second World War and formed the basis of the postwar settlement This is a study of European social democracy that rewrites the intellectual and political history of the modern era while putting contemporary debates about globalization in their proper intellectual and historical context *Fascist Italy and Nazi Germany* Alexander J. De

Grand,1995 Compares the formation and development of the political movements in Fascist Italy and Nazi Germany describing their leadership cultural policies and relationship with each other

Eventually, you will certainly discover a further experience and capability by spending more cash. still when? realize you assume that you require to get those all needs past having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will guide you to understand even more not far off from the globe, experience, some places, bearing in mind history, amusement, and a lot more?

It is your enormously own period to acquit yourself reviewing habit. in the middle of guides you could enjoy now is **Rise Of Italian Fascism** below.
