## **Rise And Fall Of The German Democratic Republic 1945 1990:**

The Rise and Fall of the German Democratic Republic, 1945-1990 Mike Dennis, 2000      The German Democratic Republic Peter Grieder, 2012-11-02 A clear concise and thought provoking introduction to the history of East Germany which engages critically with key debates and advances new interpretations of the origins development and demise of the GDR Peter Grieder also offers an original conceptualization of the GDR as a totalitarian welfare state      *Nonviolent Revolutions* Sharon Erickson Nepstad, 2011-07-28 In the spring of 1989 Chinese workers and students captured global attention as they occupied Tiananmen Square demanded political change and were tragically suppressed by the Chinese army Months later East German civilians rose up nonviolently brought down the Berlin Wall and dismantled their regime Although both movements used tactics of civil resistance their outcomes were different Why In *Nonviolent Revolutions* Sharon Erickson Nepstad examines these and other uprisings in Panama Chile Kenya and the Philippines Taking a comparative approach that includes both successful and failed cases of nonviolent resistance Nepstad analyzes the effects of movements strategies along with the counter strategies regimes developed to retain power She shows that a significant influence on revolutionary outcomes is security force defections and explores the reasons why soldiers defect or remain loyal and the conditions that increase the likelihood of mutiny She then examines the impact of international sanctions finding that they can at times harm movements by generating new allies for authoritarian leaders or by shifting the locus of power from local civil resisters to international actors *Nonviolent Revolutions* offers essential insights into the challenges that civil resisters face and elucidates why some of these movements failed With a recent surge of popular uprisings across the Middle East this book provides a valuable new understanding of the dynamics and potency of civil resistance and nonviolent revolt      The German Democratic Republic Ned Richardson-Little, 2025-07-24 The German Democratic Republic has come to stand as a symbol of communist tyranny a source of Cold War nostalgia and socialist kitsch and a failed alternative to the worst excesses of 21st century capitalism In this book Ned Richardson Little delves into the central contradictions of the GDR state This book illustrates the fault lines of GDR society the worldviews and experiences of not only those who ruled the GDR but also those who rebelled against the strictures of state socialism and those in between who sought a normal life under dictatorship The German Democratic Republic is a succinct and comprehensive history of East Germany that traces its story from the country's origins as the Soviet Zone of Occupation after World War II through key events such as the 1953 Uprising the building of the Berlin Wall the Helsinki Accords and the collapse of state socialism in 1989 Some of the themes explored include the memory of Nazism and national identity everyday life under dictatorship including consumerism sexuality and racism the global politics of the GDR the diversity of dissenting voices and the competing visions for East Germany's democratic future

**Dissonant Lives** Mary Fulbrook, 2011-06-09 Examines ways in which Germans of different generations lived through the violent eruptions and rapid regime changes of the 20th century revealing striking generational patterns      **A Spectre is**

**Haunting Arabia** Miriam M. Müller, 2015-11-15 Radical ideologies may manifest differently at first but they do follow a similar logic truth claims promises of salvation and a unifying common enemy In Yemen s transition process today the secessionist movement Al Hirak has summoned the spirit of South Yemen the only Marxist state in Arabia This book meticulously describes how East Germany supported the implantation of this alien ideology in Yemen through its policy of Socialist state and nation building In the same breath the analysis captures the GDR s activities in the Middle East and their vital role in Moscow s Cold War strategy Last but not least the study provides one of the few compact overviews of East German foreign policy in the English language of today

The Exile of George Grosz Barbara McCloskey, 2015-01-31 The Exile of George Grosz examines the life and work of George Grosz after he fled Nazi Germany in 1933 and sought to re establish his artistic career under changed circumstances in New York It situates Grosz s American production specifically within the cultural politics of German exile in the United States during World War II and the Cold War Basing her study on extensive archival research and using theories of exile migrancy and cosmopolitanism McCloskey explores how Grosz s art illuminates the changing cultural politics of exile She also foregrounds the terms on which German exile helped to define both the limits and possibilities of American visions of a one world order under U S leadership that emerged during this period This book presents Grosz s work in relation to that of other prominent figures of the German emigration including Thomas Mann and Bertolt Brecht as the exile community agonized over its measure of responsibility for the Nazi atrocity German culture had become and debated what Germany s postwar future should be Important too at this time were Grosz s interactions with the American art world His historical allegories self portraits and other works are analyzed as confrontational responses to the New York art world s consolidating consensus around Surrealism and Abstract Expressionism during and after World War II This nuanced study recounts the controversial repatriation of Grosz s work and the exile culture of which it was a part to a German nation perilously divided between East and West in the Cold War

**Sport under Communism** M. Dennis, J. Grix, 2012-04-24 Based on original Stasi and Communist Party archival sources this book uncovers why East Germany was for two decades running one of the most successful nations in the Summer and Winter Olympics exploring how the central elite sports system was beset by internal tensions and disputes

Brandenburg Gate Henry Porter, 2007-12-01 As East Germany collapses a former Stasi agent is caught in the crossfire of international espionage in this tour de force on par with John le Carr Library Journal starred review Winner of the CWA Ian Fleming Steel Dagger Award September 1989 In the tense final days before the fall of the Berlin Wall East Germany s Communist government is on the brink of collapse Even the Stasi once a notoriously fearsome intelligence agency can t stop the rebellion In a desperate play for advantage they send former foreign agent Dr Rudi Rosenharte to Trieste to rendezvous with his old lover and fellow agent Annalise Schering They believe Annalise has vital intelligence The only problem Rudi knows she s dead After seeing her lying in her own bloodied bathwater he kept her suicide a secret As collateral for this mission the Stasi have imprisoned Rudi s family But the Stasi is not the only

agency using him as a pawn Soon the British MI6 and American CIA encircle him forcing him to make an impossible choice An elegant spy thriller that I believe John le Carr himself would be pleased to have attributed to him The Guardian Porter combines impeccable research with compelling characters caught up in the broad sweep of fascinating historical events a riveting read Publishers Weekly A top notch Cold War thriller Library Journal starred review      **Modern Germany** Wendell G. Johnson, Katharina Barbe, 2022-03-29 This thematic encyclopedia presents a broad overview of contemporary Germany spanning such topics as geography pop culture the media and gender roles Themes in the book cover geography history politics and government economy religion and thought social classes and ethnicity gender marriage and sexuality education language etiquette literature and drama art and architecture music and dance food leisure and sports and media and pop culture Within each theme short topical entries cover a wide array of key concepts and ideas from LGBTQ issues in Germany to linguistic dialects to the famous Oktoberfest      *German Culture through Film* Robert C. Reimer, Reinhard Zachau, 2017-09-01 German Culture through Film An Introduction to German Cinema is an English language text that serves equally well in courses on modern German film in courses on general film studies in courses that incorporate film as a way to study culture and as an engaging resource for scholars students and devotees of cinema and film history In its second edition German Culture through Film expands on the first edition providing additional chapters with context for understanding the era in which the featured films were produced Thirty three notable German films are arranged in seven chronological chapters spanning key moments in German film history from the silent era to the present Each chapter begins with an introduction that focuses on the history and culture surrounding films of the relevant period Sections within chapters are each devoted to one particular film providing film credits a summary of the story background information an evaluation questions and activities to encourage diverse interpretations a list of related films and bibliographical information on the films discussed      **Honecker's Children** Anna Saunders, 2013-07-19 During the final decade of the German Democratic Republic GDR young citizens found themselves at the heart of a rigorous programme of socialist patriotic education yet following the fall of the Berlin Wall the emphasis of official state rhetoric textbooks and youth activities changed beyond recognition For the young generation growing up during this period normality was turned on its head leaving a sense of insecurity and inner turmoil Using a combination of archival research and interviews together with educational materials and government reports this book examines the relationship between young people and their two successive states in East ern Germany between 1979 and 2002 This unusual time span straddles the 1989 1990 caesura which often delimits historical studies and thus enables not only a detailed examination of GDR socialisation but crucially also its influence in unified Germany Anna Saunders explores the extent to which a young generation s loyalties can be officially regulated in the face of cultural and historical traditions changing material conditions and shifting social circumstances and finds GDR socialisation to be influential to post unification loyalties through its impact on the personal sphere rather than through the official sphere

of ideological propaganda At a time of globalisation this lucid study not only provides unique insight into the functioning of the GDR state and its longer term impact but also advances our broader understanding of the ways in which collective loyalties are formed It will be of particular interest to those in the fields of German History and Politics European Studies and Sociology **Cold War Rivalry and the Perception of the American West** P. Goral,2014-03-07 This book demonstrates

how the two adversaries of the Cold War West Germany and East Germany endeavored to create two distinct and unique German identities In their endeavor to claim legitimacy the German cinematic representation of the American West became an important cultural weapon of mass dissemination during the Cold War **The People's State** Mary Fulbrook,2008-12-02 What was life really like for East Germans effectively imprisoned behind the Iron Curtain The headline stories of Cold War spies and surveillance by the secret police of political repression and corruption do not tell the whole story After the unification of Germany in 1990 many East Germans remembered their lives as interesting varied and full of educational career and leisure opportunities in many ways perfectly ordinary lives Using the rich resources of the newly opened GDR archives Mary Fulbrook investigates these conflicting narratives She explores the transformation of East German society from the ruins of Hitler's Third Reich to a modernizing industrial state She examines changing conceptions of normality within an authoritarian political system and provides extraordinary insights into the ways in which individuals perceived their rights and actively sought to shape their own lives Replacing the simplistic black and white concept of totalitarianism by the notion of a participatory dictatorship this book seeks to reinstate the East German people as actors in their own history

Mapping the Contours of Oppression Owen Evans,2006 Despite all the assertions towards the end of the twentieth century that the literary subject had expired along with the author the wave of autobiographies published in German after the Wende was a clear indication that on the contrary life stories were very much alive In this study Owen Evans examines the work of eight authors Ludwig Harig Uwe Saeger Ruth Klöger Ginter de Bruyn Ginter Kunert Christoph Hein Grete Weil and Monika Maron who all published personal texts after 1989 dealing either with life in Nazi Germany or the GDR and in some cases both By means of close textual analysis Evans explores the impact these regimes had on the individuals concerned and the contrasting ways in which the authors handle the autobiographical project They adopt varying textual strategies to render the self on the page with some employing overt fiction and yet in each case the project was clearly motivated by the need to treat psychological wounds inflicted on the self by totalitarianism In their mapping of the contours of oppression the texts at the heart of this study combine to offer a powerful defence of literary autobiography in Germany at least as a valuable means of tackling the legacy of totalitarianism *Suddenly Everything was Different* Olaf G. Klein,2007 It includes an introduction and extensive annotations to assist the reader in understanding the East German and unified German contexts BOOK JACKET Postwar Germany and the Holocaust Caroline Sharples,2015-12-17 CHOICE Outstanding Academic Title 2016 Focussing on German responses to the Holocaust since 1945 Postwar Germany and the Holocaust traces

the process of Vergangenheitsbewältigung overcoming the past the persistence of silences evasions and popular mythologies with regards to the Nazi era and cultural representations of the Holocaust up to the present day It explores the complexities of German memory cultures the construction of war and Holocaust memorials and the various political debates and scandals surrounding the darkest chapter in German history The book comparatively maps out the legacy of the Holocaust in both East and West Germany as well as the unified Germany that followed to engender a consideration of the effects of division Cold War politics and reunification on German understanding of the Holocaust Synthesizing key historiographical debates and drawing upon a variety of primary source material this volume is an important exploration of Germany's postwar relationship with the Holocaust Complete with chapters on education war crime trials memorialization and Germany and the Holocaust today as well as a number of illustrations maps and a detailed bibliography Postwar Germany and the Holocaust is a pivotal text for anyone interested in understanding the full impact of the Holocaust in Germany Toward a New Germany Adolf Haasen, 2009-06 For many years Germany has been confronted with the need for political economic and societal change In recent federal and state election the two major political parties have seen an erosion of their electoral acceptance while newcomers like Die Linke the leftist party with strong roots in East Germany are gaining strength Problems created by the worldwide financial crisis are exacerbated in Germany by high welfare costs above average benefits and abundant vacation time as well as a general entitlement mentality resisting badly needed change Help comes from an unexpected quarter East Germany In fact the East German people had to learn tough lessons living through the experience of two political systems and having to deal with much adversity in the process Recently however a healthy self confidence and defiant resourcefulness has reappeared after a long period of frustration hopelessness and resignation New developments in the political economic and socio cultural area seem to be harbingers of welcome transformation which may give the East German people the opportunity to become agents of change toward a new Germany Dictatorship, State Planning, and Social Theory in the German Democratic Republic Peter C. Caldwell, 2003-03-27 The introduction of state planning and party dictatorship dramatically altered the environment for social theory in the German Democratic Republic But social thought did not disappear By the mid 1950s East German social theorists discovered the basic contradictions of state socialism that would eventually lead to its collapse the inability of the plan to function without markets and its inability to permit markets the inability of the party state to guarantee the rule of law and yet also the need for a regular system of rules in a modern industrial society and the contradictory philosophical claims of a Marxist Leninist philosophy that rejected idealism and Marxist Leninist dogma with its idealistic claim to know the laws of social modernization Making use of archival sources Caldwell examines the articulation of these analyses their subsequent suppression by party authorities in the late 1950s and their return under the guise of cybernetics in the 1960s The Marshall Plan Benn Steil, 2018-02-13 A brilliant book by far the best study yet The Wall Street Journal of the gripping history behind the Marshall Plan and its long lasting influence on

our world In the wake of World War II with Britain's empire collapsing and Stalin's on the rise US officials under new Secretary of State George C Marshall set out to reconstruct western Europe as a bulwark against communist authoritarianism Their massive costly and ambitious undertaking would confront Europeans and Americans alike with a vision at odds with their history and self conceptions In the process they would drive the creation of NATO the European Union and a Western identity that continue to shape world events Benn Steil's thoroughly researched and well written account USA TODAY tells the story behind the birth of the Cold War told with verve insight and resonance for today Focusing on the critical years 1947 to 1949 Benn Steil's gripping narrative takes us through the seminal episodes marking the collapse of postwar US Soviet relations the Prague coup the Berlin blockade and the division of Germany In each case Stalin's determination to crush the Marshall Plan and undermine American power in Europe is vividly portrayed Bringing to bear fascinating new material from American Russian German and other European archives Steil's account will forever change how we see the Marshall Plan Trenchant and timely an ambitious deeply researched narrative that provides a fresh perspective on the coming Cold War The New York Times Book Review The Marshall Plan is a polished and masterly work of historical narrative An instant classic of Cold War literature it is a gripping complex and critically important story that is told with clarity and precision The Christian Science Monitor Winner of the 2019 New York Historical Society Barbara and David Zalaznick Book Prize in American History Winner of the 2018 American Academy of Diplomacy Douglas Dillon Award Shortlisted for the 2018 Duff Cooper Prize in Literary Nonfiction Honorable Mention runner up for the 2019 ASEES Marshall D Shulman Prize

### Rise And Fall Of The German Democratic Republic 1945 1990 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Rise And Fall Of The German Democratic Republic 1945 1990 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Rise And Fall Of The German Democratic Republic 1945 1990 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the

benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Rise And Fall Of The German Democratic Republic 1945 1990 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### FAQs About Rise And Fall Of The German Democratic Republic 1945 1990 Books

1. Where can I buy Rise And Fall Of The German Democratic Republic 1945 1990 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
