

THE RISE OF THE FISCAL STATE IN EUROPE *c.*1200–1815

Edited by **RICHARD BONNEY**

Rise Of The Fiscal State In Europe C 1200 1815

Svante Norrhem, Erik Thomson

Rise Of The Fiscal State In Europe C 1200 1815:

The Rise of the Fiscal State in Europe c.1200-1815 Richard Bonney, 1999-09-02 In this volume an international team of scholars builds up a comprehensive analysis of the fiscal history of Europe over six centuries It forms a fundamental starting point for an understanding of the distinctiveness of the emerging European states and highlights the issue of fiscal power as an essential prerequisite for the development of the modern state The study underlines the importance of technical developments by the state its capacity to innovate and however imperfect the techniques the greater detail and sophistication of accounting practice towards the end of the period New taxes had been developed new wealth had been tapped new mechanisms of enforcement had been established In general these developments were made in western Europe the lack of progress in some fiscal systems especially those in eastern Europe is an issue of historical importance in its own right and lends particular significance to the chapters on Poland and Russia By the eighteenth century mountains of debt and high debt revenue ratios had become the norm in western Europe yet in the east only Russia was able to adapt to the western model by 1815 The capacity of governments to borrow and the interaction of the constraints on borrowing and the power to tax had become the real test of the fiscal powers of the modern state by 1800 15 **The Rise of Fiscal States** Bartolomé

Yun-Casalilla, Patrick K. O'Brien, 2012-05-24 From the Netherlands to the Ottoman Empire to Japan and India this groundbreaking volume confronts the complex and diverse problem of the formation of fiscal states in Eurasia between 1500 and 1914 This series of country case studies from leading economic historians reveals that distinctive features of the fiscal state appeared across the region at different moments in time as a result of multiple independent but often interacting stimuli such as internal competition over resources European expansion international trade globalisation and war The essays offer a comparative framework for re examining the causes of economic development across this period and show for instance the central role that the more effective fiscal systems of Europe during the seventeenth and eighteenth centuries played in the divergence of east and west as well as the very different paths to modernisation taken across the world

State, Economy and the Great Divergence Peer Vries, 2015-02-26 State Economy and the Great Divergence provides a new analysis of what has become the central debate in global economic history the great divergence between European and Asian growth Focusing on early modern China and Western Europe in particular Great Britain this book offers a new level of detail on comparative state formation that has wide reaching implications for European Eurasian and global history Beginning with an overview of the historiography Peer Vries goes on to extend and develop the debate critically engaging with the huge volume of literature published on the topic to date Incorporating recent insights he offers a compelling alternative to the claims to East West equivalence or Asian superiority which have come to dominate discourse surrounding this issue This is a vital update to a key issue in global economic history and as such is essential reading for students and scholars interested in keeping up to speed with the on going debates Subsidies, diplomacy, and state formation in

Europe, 1494-1789 Svante Norrhem, Erik Thomson, 2020-03-18 This electronic version has been made available under a Creative Commons BY NC ND open access license This book examines early modern politics diplomacy and finance by looking at the transfer of money and other resources between sovereigns in return for military or political service often known as the payment of subsidies Focusing on payments made by the French crown the contributors explore how subsidies provided opportunities for princes statesmen generals and merchant bankers to pursue their political goals By highlighting the ways in which the payment and acceptance of subsidies shaped concepts of honour and reputation the book shows how material interests and questions of identity coalesced The construction of states and the political debates within polities are seen to have been influenced by the movement of money and resources across borders Consequently the interaction between financial and mercantile hubs and networks was vital to state formation in early modern Europe

The Cash Nexus Niall Ferguson, 2013-03-07 The Cash Nexus is the controversial history of money's central place in the world from Niall Ferguson bestselling author of *Empire and Civilization* Generations of historians have shied away from the truth behind the cliché money makes the world go around International bestseller Niall Ferguson answers the big questions about finance and its crucial place in bringing happiness and despair warfare and welfare boom and crash to nations buffeted by the onward march of history Starting in 1700 and ending today The Cash Nexus is a dazzling powerful and controversial explanation of modern world history and the fundamental force that lurks behind it all About the author Niall Ferguson is one of Britain's most renowned historians He is the author of *Paper and Iron* *The House of Rothschild* *The Pity of War* *Empire Colossus* *The War of the World* *The Ascent of Money* *High Financier* *Civilization and The Great Degeneration* He has written and presented six highly successful television series for Channel Four *Empire* *American Colossus* *The War of the World* *The Ascent of Money* *Civilization and China* *Triumph and Turmoil*

Fiscal Policy in Early Modern Europe Rodrigo da Costa Dominguez, 2019-09-02 This book will examine the gradual assembly and consolidation of Portuguese fiscal policy in the second half of the fifteenth century providing a comparative analysis of the Portuguese State's finances and fiscal dynamics with other Western European monarchies This book examines relevant aspects of the Portuguese Royal finances particularly the different instruments employed to provide income and the rubrics involving all types of expenditure between the reigns of Afonso V and Manuel I at the dawn of Modern Ages The analysis of Portugal's case will also serve as a main conducting wire to a broader fiscal examination of other Latin rooted Mediterranean and North Atlantic kingdoms This book will be of interest to students and researchers of economic history fiscal history economic theory and history of economic thought as well as students of Medieval History the history of the Western Europe and the Iberian Peninsula

Land and Labor Tax in Imperial Qing China (1644-1912) Yongqin Guo, 2022-07-18 In this volume Guo Yongqin provides an overview of the most important taxes land and labor tax in Imperial Qing China 1644-1912 The previously unpublished fiscal sources presented in this volume give a tremendous amount of information about Qing society and economy like the bureaucratic system political

institutions economic inequality and environmental conditions The data is accompanied by a detailed introduction offering a valuable resource for further research on how the standardized tax system performed and affected the Qing regime *War, Revenue, and State Building* Sheldon Pollack, 2011-03-15 In a relatively short time the American state developed from a weak highly decentralized confederation composed of thirteen former English colonies into the foremost global superpower This remarkable institutional transformation would not have been possible without the revenue raised by a particularly efficient system of public finance first crafted during the Civil War and then resurrected and perfected in the early twentieth century That revenue financed America's participation in two global wars as well as the building of a modern system of social welfare programs Sheldon D Pollack shows how war revenue and institutional development are inextricably linked no less in the United States than in Europe and in the developing states of the Third World He delineates the mechanisms of political development and reveals to us the ways in which the United States too once was and still may be a developing nation Without revenue states cannot maintain political institutions undergo development or exert sovereignty over their territory Rulers and their functionaries wield the coercive powers of the state to extract that revenue from the population under their control From this perspective the state is seen as a highly efficient machine for extracting societal revenue that is used by the state to sustain itself *War Revenue and State Building* traces the sources of public revenue available to the American state at specific junctures of its history in particular during times of war the revenue strategies pursued by its political leaders in response to these factors and the consequential impact of those strategies on the development of the American state **Tax Law, State-Building and the Constitution** Dominic de Cogan, 2020-08-06 This monograph looks at how tax is intertwined with constitutional law and the state in the UK It looks at a variety of topics including tax devolution scrutiny and reform of tax legislation the protection of taxpayers and the domestic legal processing of international rules and problems *Tax Law State Building and the Constitution* presents and interrogates five key claims First there is a clear overlap between the concerns of tax and constitutional lawyers Secondly the tax system is being deeply affected by the fast pace of constitutional change Thirdly decisions taken in the tax field are likely to have a reverse influence on the evolution of the constitution Fourthly these relationships are heavily context dependent with tax making all the difference to some ongoing constitutional controversies whilst having very little to do with others Fifthly by acknowledging tax as an important moving part within the contemporary constitution we might understand both tax and constitutional law a little better The book therefore contributes to deeper theoretical debates on the identity of tax law as a discipline the relevance of tax to public lawyers the meaning of state building in the recent history of a developed country and the importance of public finances to a wider sense of what is going on These are questions that ought to command the attention of tax and constitutional law academics as well as policy makers and reformers Runner up of the 2022 SLS Peter Birks Prize for Outstanding Legal Scholarship *War, Trade and the State* David Ormrod, Gijs Rommelse, 2020 A reassessment of the Anglo Dutch wars of the second half of the seventeenth

century demonstrating that the conflict was primarily about trade *A Big History of Globalization* Julia Zinkina, David Christian, Leonid Grinin, Ilya Ilyin, Alexey Andreev, Ivan Aleshkovski, Sergey Shulgin, Andrey Korotayev, 2019-04-12 This book presents the history of globalization as a network based story in the context of Big History Departing from the traditional historic discourse in which communities cities and states serve as the main units of analysis the authors instead trace the historical emergence growth interconnection and merging of various types of networks that have gradually encompassed the globe They also focus on the development of certain ideas processes institutions and phenomena that spread through those networks to become truly global The book specifies five macro periods in the history of globalization and comprehensively covers the first four from roughly the 9th 7th millennia BC to World War I For each period it identifies the most important network related developments that facilitated or even spurred on such transitions and had the greatest impacts on the history of globalization By analyzing the world system s transition to new levels of complexity and connectivity the book provides valuable insights into the course of Big History and the evolution of human societies Parliamentarism in Northern and East-Central Europe in the Long Eighteenth Century István M. Szijártó, Wim Blockmans, László Kontler, 2022-09-30 This volume investigates the history of the representative assemblies of Sweden the riksdag Poland the sejm and Hungary the diet in the final period of the ancien régime It concentrates on the practices and ideas of parliamentarism and constitutionalism and examines the ideologies that motivated the members of these parliaments Attempts at the suppression as well as the restoration of the estates power in all these three countries are examined as well as in the case of Hungary the establishment of popular representation that eventually replaced the estates These three early modern representative assemblies have never before been explored systematically in a comparative framework **The Hundred Years War Revisited** Anne Curry, 2019-08-24 The conflict between England and France in the 14th and 15th centuries never ceases to fascinate This stimulating edited collection inspired by the Problems in Focus volume originally published in 1971 provides a fresh and accessible insight into the key aspects of The Hundred Years War With chapters written by leading experts in the field based on new methodologies and recent advances in scholarship this book places the Anglo French wars into a range of wider contexts such as politics the home front the church and chivalry Adopting a sustained comparative approach with attention paid to both England and France The Hundred Years War Revisited provides a clear and comprehensive synthesis of the major trends in research on the Hundred Years War Concise and thought provoking this is essential reading for undergraduate and postgraduate students of medieval history *Sacred Foundations* Anna M. Grzymała-Busse, 2023-01-31 How the medieval church drove state formation in Europe Sacred Foundations argues that the medieval church was a fundamental force in European state formation Existing accounts focus on early modern warfare or contracts between the rulers and the ruled In contrast this major study shows that the Catholic Church both competed with medieval monarchs and provided critical templates for governing institutions the rule of law and parliaments

The Catholic Church was the most powerful wealthiest and best organized political actor in the Middle Ages Starting in the eleventh century the papacy fought for the autonomy of the church challenging European rulers and then claiming authority over people territory and monarchs alike Anna Grzymala Busse demonstrates how the church shaped distinct aspects of the European state Conflicts with the papacy fragmented territorial authority in Europe for centuries to come propagating urban autonomy and ideas of sovereignty Thanks to its organizational advantages and human capital the church also developed the institutional precedents adopted by rulers across Europe from chanceries and taxation to courts and councils Church innovations made possible both the rule of law and parliamentary representation Bringing to light a wealth of historical evidence about papal conflict excommunications and ecclesiastical institutions Sacred Foundations reveals how the challenge and example of powerful religious authorities gave rise to secular state institutions and galvanized state capacity

First-Class Passengers on a Sinking Ship Richard Lachmann, 2020-01-14 The extent and irreversibility of US decline is becoming ever more obvious as America loses war after war and as one industry after another loses its technological edge Lachmann explains why the United States will not be able to sustain its global dominance He contrasts America's relatively brief period of hegemony with the Netherlands similarly short primacy and Britain's far longer era of leadership Decline in all those cases was not inevitable and did not respond to global capitalist cycles Rather decline is the product of elites success in grabbing control of resources and governmental powers Not only are ordinary people harmed but also capitalists become increasingly unable to coordinate their interests and adopt policies and make investments necessary to counter economic and geopolitical competitors elsewhere in the world Conflicts among elites and challenges by non elites determine the timing and mould the contours of decline Lachmann traces the transformation of US politics from an era of elite consensus to present day paralysis combined with neoliberal plunder explains the paradox of an American military with an unprecedented technological edge unable to subdue even the weakest enemies and the consequences of finance's cannibalisation of the US economy

The Transformation of British Naval Strategy James Davey, 2012 Shows how the system of supply was perfected during the later part of the Napoleonic Wars enabling fleets to stay at sea on a permanent basis After the Battle of Trafalgar the navy continued to be the major arm of British strategy Decades of practice and refinement had rendered it adept at executing operations fighting battles blockading and convoying across the globe And yet as late as 1807 fleets were forced from their stations due to an ineffective provisioning system The Transformation of British Naval Strategy shows how sweeping administrative reforms enacted between 1808 and 1812 established a highly effective logistical system changing an ineffective supply system into one which successfully enabled a fleet to remain on station for as long as was required James Davey examines the logistical support provided for fleets sent to Northern Europe during the Napoleonic War and shows how this new supply system successfully transformed naval operations enabling the navy to pursue crucial objectives of national importance protect essential exports and imports and attack the economies of the Napoleonic Empire The Transformation of

British Naval Strategy is a detailed study of national policy administrative and political reform and strategic viability It delves into the nature of the British state its relationship with the private sector and its ability to reform itself in a time of war Bureaucratic restructuring represented the last stage in a century long process of logistical improvement As a result of the reforms the navy was able to conduct operations beyond the realms of possibility even twenty years earlier and saw the reach of its power transformed Military and Napoleonic historians will find this book invaluable JAMES DAVEY is Research Curator at the National Maritime Museum and Visiting Lecturer at the University of Greenwich where he teaches British naval history

The Nature and Development of the Modern State Graeme Gill,2017-09-16 Despite the increasing globalization of many aspects of social economic and political life the state remains the fundamental element of contemporary governance This fully revised and extended new edition provides a broad ranging introduction to the origins role and future of the modern state tracing out how significant shifts in state capacity came about in relation to developments in economic political and ideological power

A Dissimulated Trade Germán Jiménez-Montes,2022-03-21 In A Dissimulated Trade Germ n Jim nez Montes sheds light on the role of foreigners in the Spanish empire Making use of the rich collection of notarial deeds available at the Archivo Hist rico Provincial de Sevilla this book examines how a group of Dutch Flemish and German merchants came to dominate the supply of timber in Seville With this microhistory Germ n Jim nez Montes offers a new account on the trade between Andalusia and northern Europe at the end of the sixteenth century focusing on a resource that was essential for Seville s economy and Spain s imperial aspirations

European Warfare, 1350-1750 Frank Tallett,D. J. B. Trim,2010-01-28 The period 1350 1750 saw major developments in European warfare which not only had a huge impact on the way wars were fought but also are critical to long standing controversies about state development the global ascendancy of the West and the nature of military revolutions past and present However the military history of this period is usually written from either medieval or early modern and either Western or Eastern European perspectives These chronological and geographical limits have produced substantial confusion about how the conduct of war changed The essays in this book provide a comprehensive overview of land and sea warfare across Europe throughout this period of momentous political religious technological intellectual and military change Written by leading experts in their fields they not only summarise existing scholarship but also present new findings and new ideas casting new light on the art of war the rise of the state and European expansion

Taxes and Authority in the Late Antique Countryside Matthias Stern,2025-01-27 How did the late Roman Empire operate in rural areas where most of its subjects lived The papyri from Egypt provide glimpses of state activity at the local level how the countryside responded to it and thus how empire looked on the ground Since a major motivator for state activity at the local level was tax collection Taxes and Authority in the Late Antique Countryside homes in on the pagarchs key fiscal actors at the intersection between provincial city and village institutions from the fourth through the seventh centuries CE The book contextualizes the pagarchs dealings backgrounds

and networks from the imperial sphere to the village level exploring topics such as tax collection procedures in the villages central accounting and staffing in the cities the competition of local aristocrats over the countryside official careers and local agency versus imperial policy The result is an analysis of the social mechanics of the fiscal regime in a region of the imperial periphery Exploring the abundant and diverse papyrological source material this book offers a uniquely detailed insight into the dynamic relationship between the Roman Empire and local communities in late antiquity

Rise Of The Fiscal State In Europe C 1200 1815 Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Rise Of The Fiscal State In Europe C 1200 1815 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Rise Of The Fiscal State In Europe C 1200 1815 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Rise Of The Fiscal State In Europe C 1200 1815 free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure

that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Rise Of The Fiscal State In Europe C 1200 1815. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Rise Of The Fiscal State In Europe C 1200 1815 any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Rise Of The Fiscal State In Europe C 1200 1815 Books

1. Where can I buy Rise Of The Fiscal State In Europe C 1200 1815 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Rise Of The Fiscal State In Europe C 1200 1815 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Rise Of The Fiscal State In Europe C 1200 1815 books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Rise Of The Fiscal State In Europe C 1200 1815 audiobooks, and where can I find them? Audiobooks: Audio

recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Rise Of The Fiscal State In Europe C 1200 1815 books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
