Rising Antichrist Is Born:

The Rising Tim LaHaye, Jerry B. Jenkins, 2005 The countdown to Rapture begins as Marilena Carpathia unknowingly gives birth to the Antichrist and half a world away God's plans begin to take form in young Ray Steele The Apocalypse Is Everywhere Anne Rehill, 2009-11-12 This wide The Rising Tim F. LaHaye, 2005 ranging exploration of the apocalypse in Western culture seeks to understand how we have come to be so preoccupied with spectacular visions of our own annihilation offering abundant examples of the changing nature of our imagined destruction and predisposing readers to discover many more all around them The Apocalypse Is Everywhere A Popular History of America's Favorite Nightmare explores why apocalyptic thinking exists how it has been manifested in Western culture through the ages and how it has woven itself so thoroughly into our popular culture today Beginning with contemporary apocalyptic expressions the book demonstrates how surprisingly widespread they are It then discusses how we inherited them and where they arose Author Annie Rehill surveys the ancient belief systems from which Christianity evolved including ancient Judaism and other faiths She explores the vision outlined in the Book of Revelation and traces the apocalyptic thread through the Middle Ages across the Reformation and Enlightenment and to the Americas Finally to prove that the Apocalypse is indeed everywhere Rehill returns to the present to consider the idea of apocalypse as it occurs in movies books comics and graphic novels games music and art as well asin televangelism and even presidential speeches Her fascinating scholarship will surely have readers looking about them with new eyes The Left Behind Fantasy William Powell Tuck, 2010-02-18 The popular Left Behind series by Tim LaHaye and Jerry Jenkins has sold more than 62 million copies since the first volume appeared in 1995 Jerry Falwell pronounced it the most important series of books in the history of modern Christianity Many readers have assumed it gives the true facts about the way the world will end and what will happen to all the people in it But according to real biblical scholarship this series is seriously flawed Based on a misreading of many scriptures including Daniel and the Book of Revelation it has fed a kind of hysteria in the Christian populace that has led many people to reorder their existence in expectation of an impending doom and the sudden unexpected return of Jesus In this book William Powell Tuck carefully and authoritatively refutes the premises and faulty theology of the Left Behind books critiquing them in the light of genuine biblical scholarship and common sense Left Behind Answered Verse by Verse David Reed, 2008-01-01 Will unbelievers and half hearted churchgoers have 7 more years to make up their minds about Christ after He raptures the Church LEFT BEHIND gives them all a second chance But is that what Jesus taught His parables of the talents the wise and foolish virgins the wheat and the tares and the faithful and evil servant all show him returning unexpectedly with both rewards and punishments in his hands Neither the parables nor the plain words of Christ teach a second chance for those surprised by his coming But LEFT BEHIND does Few Christians realize LEFT BEHIND tosses aside the teachings of Luther Calvin Tyndale Wesley Wycliffe and Spurgeon Read dozens of quotes from these and other respected sources that show LEFT BEHIND strays far from the truths Bible readers have understood for centuries Author of JEHOVAH S WITNESSES ANSWERED VERSE BY VERSE and MORMONS ANSWERED VERSE BY VERSE Baker Book House David A Reed is known worldwide as an expert in refuting false prophecy The Precinct 11 Collection: The Brotherhood / The Betrayal / The Breakthrough Jerry B. Jenkins, 2016-11-08 This collection bundles all three of bestselling author Jerry B Jenkins s Precinct 11 crime suspense novels into one e book for a great value 1 The Brotherhood Boone Drake has it made He s a young cop rising rapidly through the ranks of the Chicago Police Department He has a beautiful wife and a young son a nice starter house a great partner and a career plan that should land him in the Organized Crime Division within five years Everything is going right Until everything goes horribly terribly wrong His personal life destroyed and his career and future in jeopardy Boone buries himself in guilt and bitterness as his life spirals out of control But when he comes face to face with the most vicious gang leader Chicago has seen in decades he begins to realize that God is a God of second chances and can change the hardest heart and forgive the worst of crimes A thought provoking police thriller from New York Times best selling author Jerry B Jenkins 2 The Betrayal Detective Boone Drake has just masterminded the most massive sting in Chicago history bringing down the heads of not only the biggest street gangs in the city but also the old crime syndicate The story is the biggest in decades and the Chicago Police Department must protect the key witness at all costs Despite top secret plans to transfer the witness ahead of his testimony before the grand jury an attempt is made on his life And the person suspected of leaking this information may be one of the CPD s own 3 The Breakthrough As the youngest bureau chief and head of the Chicago Police Department s Major Case Squad Boone Drake seems to have it all under control Only those closest to him know that just a few short years ago he lost everything that mattered to him in a tragic accident After years of healing his life is back on track He recently married a wonderful woman named Haeley adopted her son bought a beautiful home and rediscovered his faith But Boone can t fight the feeling that something is about to go terribly wrong again When an all too personal case takes Boone to Beijing at a time when Haeley can least afford to let him go Boone is forced to make a difficult choice There he becomes enmeshed in a dangerous human trafficking ring that takes him through the famed Hutong District s narrow streets alleys and hovels Teamed with a former Liberation Army officer Boone has one chance to pull off an elaborate sting and rescue a young boy before he disappears forever The End of Meaning Matthew Gumpert, 2012-04-25 The specter of the apocalypse has always been a semiotic fantasy only at the end of all things will their true meaning be revealed Our long romance with catastrophe is inseparable from the Western hermeneutical tradition our search for an elusive truth one that can only be uncovered through the interminable work of interpretation Catastrophe terrifies and tantalizes to the extent it promises an end to this task 9 11 is this book s beginning but not its end Here it seemed was the apocalypse America had long been waiting for until it became just another event And indeed the real lesson of 9 11 may be that catastrophe is the purest form of the event From the poetry of classical Greece to the popular culture of contemporary

America The End of Meaning seeks to demonstrate that catastrophe precisely as the notion of the sui generis has always been generic This is not a book on the great catastrophes of the West it offers no canon of catastrophe no history of the catastrophic The End of Meaning asks instead what if meaning itself is a catastrophe The End of All Things Is at Hand Veli-Matti Karkkainen, 2022-01-20 This book proposes a bold vision of the end of human life and the cosmos based on the hopeful vision of Christian faith In a dialogue with the best of Christian tradition the natural sciences conjectures of the end as well as Islam's rich teaching on the doctrine of the Last Things a fresh constructive eschatology is recommended While based on wide and deep academic learning the conversational style of the book makes it suitable for various kinds of audiences from pastors to students to scholars and to interested lay folks Plotting Apocalypse Jennie Chapman, 2013-09-12 It is the not too distant future and the rapture has occurred Every born again Christian on the planet has without prior warning been snatched from the earth to meet Christ in the heavens while all those without the requisite faith have been left behind to suffer the wrath of the Antichrist as the earth enters into its final days This is the premise that animates the enormously popular cultural phenomenon that is the Left Behind series of prophecy novels co written by Tim LaHaye and Jerry Jenkins and published between 1995 and 2007 But these books are more than fiction it is the sincere belief of many evangelicals that these events actually will occur soon Plotting Apocalypse delves into the world of rapture prophecy and tribulation in order to account for the extraordinary cultural salience of these books and the impact of the world they project Through penetrating readings of the novels Chapman shows how the series offers a new model of evangelical agency for its readership The novels teach that although believers are incapable of changing the course of a future that has been preordained by God they can become empowered by learning to read the prophetic books of the Bible and the signs of the times correctly Reading and interpretation become key indices of agency in the world that Left Behind limns Plotting Apocalypse reveals the significant cultural work that Left Behind performs in developing a counter narrative to the passivity and fatalism that can characterize evangelical prophecy belief Chapman's arguments may bear profound implications for the future of American evangelicalism and its interactions with culture society and politics Sin, Sex, and Democracy Cynthia Burack, 2008-04-17 While the Christian Right has spearheaded a variety of antigay projects over the past fifteen years including interventions in public schools antigay rights initiatives and support for a constitutional amendment banning same sex marriage observers of the institutionalized Christian Right have also noted a softening of antigay public rhetoric Sin Sex and Democracy analyzes these two ostensibly conflicting phenomena Examining Christian witnessing tracts the ex gay movement and recent linkages between gays and terrorists Cynthia Burack argues that as the Christian Right has become a more sophisticated interest group leaders have become adept at tailoring different messages for mainstream audiences and for the internal pedagogical processes of Christian conservatives Understanding the rhetoric and the theological convictions that lie behind them Burack claims is essential to better understand how American politics work and how to effectively

respond to exclusionary forms of political thought and practice Once Upon a Time in a Dark and Scary Book K. Shryock Hood, 2018-05-25 Contemporary American horror literature for children and young adults has two bold messages for readers adults are untrustworthy unreliable and often dangerous and the monster always wins as it must if there is to be a sequel Examining the young adult horror series and the religious horror series for children Left Behind The Kids for the first time and tracing the unstoppable monster to Seuss s Cat in the Hat this book sheds new light on the problematic message produced by the combination of marketing and books for contemporary American young readers LaHaye, Jerry B. Jenkins, 2013-02-08 Dynamic Romanian multimillionaire Nicolae Carpathia s sphere of influence steadily grows as he parlays his looks charm charisma and intellectual brilliance into success in business and politics But is it mere coincidence that those who oppose or offend him suffer to the point of death Meanwhile a young Buck Williams begins his journalistic career Pilot Rayford Steele gains more responsibility at work and at home Scientist Chaim Rosenzweig begins work on a secret formula that could change the world All three go about their daily lives unaware of each other or of the powerful young man from Romania Around the world the stage is being set for the cataclysmic event that will change the American Evangelicals for Trump André Gagné, 2023-12-01 This book introduces the American Evangelical world forever movement and the role it played in the support of Donald Trump Specifically it focuses on the Neocharismatic Pentecostal NCP leaders their beliefs and their political strategies. The author examines why 81% of white evangelicals voted for Trump in 2016 and why he still received between 76% and 81% of their vote in 2020 despite losing the presidency Additionally the book discusses how NCP leaders are part of the Christian Right a religious coalition with a political agenda centered on controversial issues such as anti abortion activism opposition to LGBTO rights and the protection of religious freedom Structured around the three main ideas inspiring NCP leaders who supported Trump in 2016 and 2020 Dominion Spiritual Warfare and Eschatology the End Times the book examines how these ideas have sustained the evangelicals close to U S political power in the Trump era In light of the potential for Trump s return to power in 2024 the book serves as a warning of what a renewed alliance between Trump and his former NCP supporters could bring It is an essential read for all students and researchers of Evangelicalism Religion in America Political Theology or Religion and Politics **American Cities in Post-Apocalyptic Science Fiction** Robert Yeates, 2021-11-15 Visions of the American city in post apocalyptic ruin permeate literary and popular fiction across print visual audio and digital media American Cities in Post Apocalyptic Science Fiction explores the prevalence of these representations in American culture drawing from a wide range of primary and critical works from the early twentieth century to today Beginning with science fiction in literary magazines before taking in radio dramas film video games and expansive transmedia franchises Robert Yeates argues that post apocalyptic representations of the American city are uniquely suited for explorations of contemporary urban issues Examining how the post apocalyptic American city has been repeatedly adapted and repurposed to new and developing media over the last century this book

reveals that the content and form of such texts work together to create vivid and immersive fictional spaces in ways that would otherwise not be possible Chapters present media specific analyses of these texts situating them within their historical contexts and the broader history of representations of urban ruins in American fiction Original in its scope and cross media approach American Cities in Post Apocalyptic Science Fiction both illuminates little studied texts and provides provocative new readings of familiar works such as Blade Runner and The Walking Dead placing them within the larger historical context of imaginings of the American city in ruins Evangelical America Timothy J. Demy, Paul R. Shockley Ph.D., 2017-09-21 An essential new reference work for students and general readers interested in the history dynamics and influence of evangelicalism in recent American history politics and culture What makes evangelical or born again Christians different from those who identify themselves more simply as Christian What percentage of Americans believe in the Rapture How are evangelicalism and Baptism similar What is the influence of evangelical religions on U S politics Readers of Evangelical America An Encyclopedia of Contemporary American Religious Culture will learn the answers to these questions and many more through this single volume work s coverage of the many dimensions of and diversity within evangelicalism and through its documentation of the specific contributions evangelicals have made in American society and culture It also illustrates the Evangelical movement s influence internationally in key issues such as human rights environmentalism and gender and **Encyclopedia of American Popular Fiction** Geoff Hamilton, Brian Jones, 2015-04-22 Provides information on sexuality American authors and their works who have been ignored by most literary guides **Religion of Fear** Jason C Bivins, 2008-08-29 Conservative evangelicalism has transformed American politics disseminating a sometimes fearful message not just through conventional channels but through subcultures and alternate modes of communication Within this world is a Religion of Fear a critical impulse that dramatizes cultural and political conflicts and issues in frightening ways that serve to contrast orthodox behaviors and beliefs with those linked to darkness fear and demonology Jason Bivins offers close examinations of several popular evangelical cultural creations including the Left Behind novels church sponsored Halloween Hell Houses sensational comic books especially those disseminated by Jack Chick and anti rock and rap rhetoric and censorship Bivins depicts these fascinating and often troubling phenomena in vivid sometimes lurid detail and shows how they seek to shape evangelical cultural identity As the Religion of Fear has developed since the 1960s Bivins sees its message moving from a place of relative marginality to one of prominence What does it say about American public life that such ideas of fearful religion and violent politics have become normalized Addressing this question Bivins establishes links and resonances between the cultural politics of evangelical pop the activism of the New Christian Right and the political exhaustion facing American democracy Religion of Fear is a significant contribution to our understanding of the new shapes of political religion in the United States of American evangelicalism of the relation of religion and the media and the link between religious pop culture and politics The Publishers Weekly ,2005 An Adventure Through End-Time Prophecies

Ray Meddings,2022-12-20 There are so many uncertainties in life and our future however there is one thing we can be certain of and that is God s Word From Genesis to Revelation it is the unfolding story of the salvation of mankind At its center the Word of God is the heartbeat of His Son Jesus We know according to the book of Hebrews that the Bible is God breathed and is sharper than a two edged sword The Word is meant to cut deep into our lives We know that Jesus is the Word of God John 1 1 says God s word is filled with prophecy that have been fulfilled with one hundred percent accuracy When Jesus took four of his disciples he warned them and us of what is coming upon this world that lays on the horizon of time John was transported from exile on Patmos to heaven to write the book of Revelations the last book of the Bible We need to pay close attention to what John is warning us about I invite you to go on this journey with me as we take An Adventure Through End Time Prophecies John 3 16 For God so loved the world that he gave His only begotten Son that whosoever believes in him should not perish but have everlasting life John 3 17 For God did not send His Son into the world to condemn the world but that the world through Him might be saved Jesus is the only way to eternal life John 14 6 I am the way the truth and the life No one comes to the Father but through Me The choice lies with each of us what will you choose
