Rita Sue And Bob Too:

Rita, Sue and Bob Too! Siobhan Finneran, Michelle Holmes, Alan Clarke, 2000 *Rita, Sue and Bob Too* Andrea Dunbar, 1981 **Rita, Sue and Bob Too ; with The Arbor ; and Shirley : Three Stage Plays** Andrea Dunbar, 1988 Do you think it would be better if you and me got ourselves steady boyfriends Best friends Rita and Sue get a lift home from married Bob after babysitting his kids When he takes the scenic route and offers them a bit of fun the three start a fling each of them think they control Andrea Dunbar's semi autobiographical play written for the Royal Court Theatre in 1982 when she was just 19 is a vivid portrait of girls caught between brutal childhood and an unpromising future both hungry for adult adventure Told with wicked humour startling insight and a great ear for dialogue this new edition of *Rita Sue and Bob Too* was published to coincide with director Max Stafford Clark's major new production produced by Out of Joint Bolton Octagon and the Royal Court Theatre **Rita Sue & Bob Too** Alan Clarke, 2014 British Cinema Amy Sargeant, 2019-07-25 Although new writing and research on British cinema has burgeoned over the last fifteen years there has been a continued lack of single authored books providing a coherent overview to this fascinating and elusive national cinema Amy Sargeant's personal and entertaining history of British cinema aims to fill this gap With its insightful decade by decade analysis *British Cinema* is brought alive for a new generation of British cinema students and the general reader alike Sargeant challenges Rachel Low's premise that few of the films made in England during the twenties were any good by covering subjects as diverse as the art of intertitling the narrative complexities of *Shooting Stars* and *Brunel's burlesques* Sargeant goes on to examine among other things the differing acting styles of Dietrich and Donat in the seminal *Knight Without Armour* to early promotional campaigns in the 1930s whereas subjects ranging from product endorsement by stars to the character of the suburban wife are covered in the 1940s The 1950s includes topics such as the effect of post war government intervention to *Free Cinema* and Lindsay Anderson's infuriating lapses of rigour together with a much needed overview of Michael Balcon's contribution to British cinema For Sargeant the 1960s provides an overview of the tentative relationship between film and advertising and the rise of young Turks such as Tony Richardson Ken Loach Donald Cammell and Nicolas Roeg **Social Housing in Performance** Katie Beswick, 2019-02-07 This book explores the ways that council estates have been represented in England across a range of performance forms Drawing on examples from mainstream site specific and resident led performance works it considers the political potential of contemporary performance practices concerned with the council estate Depictions of the council estate are brought into dialogue with global representations of what Chris Richardson and Hans Skott Myhre call the hood to tease out the specific features of the British context and situate the work globally Katie Beswick's study provides a timely contribution to the ongoing national and global interest in social housing As the housing market grows ever more insecure and estates are charged with political rhetoric theatre and socially engaged art set or taking place on estates takes on a new potency Mainstream theatre works examined include *Rita Sue and Bob Too* and

A State Affair at the Soho Theatre Port at the National Theatre and DenMarked at the Battersea Arts Centre The book also explores the National Youth Theatre's Slick and Roger Hiorns Seizure as well as community based and resident led performances by Fourthland Jordan McKenzie Fugitive Images and Jane English Slags on Stage Katie Beswick, 2025-03-31 Slags on Stage weaves cultural analysis with poetry and art criticism to explore the concept of the slag and its place in contemporary British culture The book traces the etymology of the word slag through the twentieth and into the twenty first century thinking through the ways slag speaks to issues of class sex and desire Broadly slag is an insult bound up with women's sexual reputations but beyond this it is a key word that shapes the ways we debate and understand what it means to be a woman For women who came of age in the United Kingdom in the late twentieth and early twenty first centuries slag produces complex feelings and has influenced how we have come to know ourselves and understand our sexual and quotidian desires This book explores the terrain of slag and includes analyses of artworks by artists who have invoked the slag in their practice including Tracey Emin Cash Carraway and Michaela Coel Covering the cultural politics of clothing motherhood television representations sexual assault sex work and desire Slags on Stage asks what role does the slag play in British culture Who is she for And how have women used sex and sexuality to have their own say in cultures that want to control them This is a fascinating exploration for students and scholars of British drama theatre and performance cultural studies and sociology **Technologies of Sexiness** Adrienne Evans, Sarah Riley, 2015 What does sexiness mean today Has sexiness become something that is bought and sold What identity effects does a sexiness informed by consumer culture have This book addresses these questions off the back of a heightened visibility of sex sexiness and sexualization in everyday life English Theatre and Social Abjection Nadine Holdsworth, 2020-08-18 Focusing on contemporary English theatre this book asks a series of questions How has theatre contributed to understandings of the North South divide What have theatrical treatments of riots offered to wider debates about their causes and consequences Has theatre been able to intervene in the social unease around Gypsy and Traveller communities How has theatre challenged white privilege and the persistent denigration of black citizens In approaching these questions this book argues that the nation is blighted by a number of internal rifts that pit people against each other in ways that cast particular groups as threats to the nation as unruly or demeaned citizens as social abjects It interrogates how those divisions are generated and circulated in public discourse and how theatre offers up counter hegemonic and resistant practices that question and challenge negative stigmatization but also how theatre can contribute to the recirculation of problematic cultural imaginaries **Precarity in European Film** Elisa Cuter, Guido Kirsten, Hanna Prenzel, 2022-06-06 This volume brings together renowned scholars and early career researchers in mapping the ways in which European cinema whether arthouse or mainstream fictional or documentary working with traditional or new media engages with phenomena of precarity poverty and social exclusion It compares how the filmic traditions of different countries reflect the socioeconomic conditions associated with precarity and

illuminates similarities in the iconography of precarious lives across cultures While some of the contributions deal with the representations of marginalized minorities others focus on work related precarity or the depictions of downward mobility Among other topics the volume looks at how films grapple with gender inequality intersectional struggle discriminatory housing policies and the specific problems of precarious youth With its comparative approach to filmic representations of European precarity this volume makes a major contribution to scholarship on precarity and the representation of social class in contemporary visual culture Watch our book talk with the editors Elisa Cuter Guido Kirsten and Hanna Prenzel here <https://youtu.be/lKpD1NFax2o>

Northernness, Northern Culture and Northern Narratives Gabby Riches, Karl

Spracklen, Spencer Swain, 2018-10-18 Northernness Northern culture and Northern narratives are a common aspect of popular culture and the North of England like other Northernnesses in Europe is a collection of narratives myths stereotypes and symbols In politics and everyday culture Northern culture is paradoxically a site of resistance against an inauthentic South a source of working class identity and a source of elite marginalisation This book provides a key to theorising about Northernness and a platform to scholars working away at exposing the North in different aspects of culture The aims of this book are twofold to re theorise the North and Northern culture and to highlight the ways in which constructions of Northernness and Northern culture are constituted alongside other gender racial and regional identities The contributions presented here theorise Northernness in relation to space leisure gender race class social realism and everyday embodied practices A main thematic thread that weaves the whole book together is the notion that Northernness and the North is both an imagined discursive construct and an embodied subjectivity thus creating a paradox between the reality of North and its representation This book was originally published as a special issue of the Journal for Cultural Research
