Muñoz, 2025-04-28 From the start of the war on the Eastern Front Hitler's Ostheer his Eastern Army would wage a vernichtungskrieg or war of annihilation in the East Never before had such a wide reaching campaign been fought Preparations for Germany's invasion of the Soviet Union had included the drawing up of plans and allocation of resources to secure the newly conquered territories These plans included the premeditated murder of many innocent civilians Adolf Hitler said as much when in July 1941 shortly after Stalin ordered the formation of partisans he told his Army High Command This partisan war has some advantage for us it enables us to eradicate everyone who opposes us Anticipating resistance to Nazi occupation and rule Hitler instructed the Ostheer to act ruthlessly not only on the front lines but in the rear areas as well When in July 1941 Stalin ordered partisan forces to be created the stage was therefore set for the largest and most savage conflict ever waged between a modern military force and a guerrilla army The scale of the partisan and anti partisan war on the Eastern Front was as costly and bitterly fought as the struggle on the front lines themselves Employing thousands of primary source documents and scouring eight separate state archives in six countries over a twenty two year period Antonio J Muñoz has produced what can be described as a definitive account of this part of the war behind the front lines in the East during the invasion of the Soviet Union From the very beginning the Nazis fought this war ruthlessly by eliminating not only actual guerrillas but a good portion of the civilian population Employing dozens of wartime anti partisan operational instructions plus newly created detailed battle maps and full orders of battle Dr Muñoz brings this little known conflict behind the lines into focus for the very first time The war behind the lines is detailed by district This includes the Reichskommissariat Ostland region which comprised the Generalbezirk Estland Estonia Generalbezirk Lettland Latvia Generalbezirk Litauen Lithuania Generalbezirk Bialystok Northeastern Poland and Generalbezirk Wei ruthenien Belarus The book also covers the guerrilla and anti partisan war in the Reichskommissariat Ukraine Ukraine region as well as in north central and southern Russia For Russia proper anti partisan operations against the guerrillas are broken down by army group area Not only are the operations described but the reader will also learn about guerrilla attacks and how the entire partisan movement grew from year to year and region to region Hitler's War Against the Partisans During Operation Barbarossa documents the whole of the beginning of the savage partisan war between June 1941 and the spring of 1942 Never before has every major and some minor anti guerrilla operation been described in such detail *Gli Assi del III Reich - Vol. 1*

Hitler's War Against the Partisans During The Stalingrad Offensive Antonio J Muñoz, 2025-05-30 From the start of the war on the Eastern Front Hitler's Ostheer his Eastern Army and its associated forces would wage a vernichtungskrieg or war of annihilation in the East Never before had such a wide reaching campaign been fought The preparations for the war against the partisans began before the launches of Operation Barbarossa during which the Axis forces immediately put their plans into effect The effects upon the newly conquered territories were soon being felt The end of the initial phase of the German invasion of the Soviet Union was met by a Red Army winter offensive which began on 5 December 1941 As the author shows this had repercussions behind the German lines where the nascent Soviet partisan movement was attempting to grow and gain a foothold By the spring of 1942 those early Soviet partisan units were ready to expand The Germans aware of the military situation both on the frontlines and in the rear of their armies also prepared to counter the growing partisan threat The partisans undoubtedly made a significant contribution to Stalin's war effort by countering Axis plans to exploit occupied Soviet territories economically as well as providing valuable assistance to the Red Army by conducting systematic attacks against Hitler's rear communication network As the German military planned to continue the Russian campaign into the summer of 1942 new security forces were gathered together and sent to the Soviet Union and a new headquarters specifically organized to fight the guerrilla menace was established In this follow up study author Antonio Muñoz picks up the partisan and anti partisan struggle in the East where Hitler's War Against the Partisans During Operation Barbarossa left off The struggle behind the frontlines in Russia proved to be as grand and epic as the fight along the front lines Dr Muñoz describes this war of attrition along the entire breath of the USSR In 1942 the Ostheer acting on Adolf Hitler's orders launched their 1942 summer offensive which was aimed at capturing the Caucasus Mountains and the Russian oil fields that lay there Dr Muñoz not only covers the war behind the lines in every region of the occupied USSR but also describes the German anti partisan effort behind the lines or Army Group South as its forces drove into the Caucasus Mountains the Volga River bend and Stalingrad No other work has included the guerrilla and anti partisan struggle specific to the Stalingrad campaign Muñoz manages to accomplish this but also to convey the story of the rest of the partisan and anti guerrilla war in the rest of the USSR from the spring of 1942 to the spring of 1943
