Abstract

Sexual expressions in the 21st century have become diverse to the extent that previously stereotyped expressions are gaining popularity within Christian ethical discourses. Most Christian denominations differentiate homosexual orientation from homosexual behaviors. This distinction allows these denominations to denounce homosexual behaviors and tolerate homosexual orientation. The underlining notion is that one is not guilty until they have acted on their sexual orientation. Thus experiencing homosexual orientation alone does not necessarily make one a homosexual. This article examines sexual orientation and sexual behavior as components of sexual expression. The examination links sexual orientation and sexual behavior to sexual identity. The fundamental question of the inquiry is: are sexual orientations and sexual behaviors mutually exclusive as far as sexual expression is concerned? Are Christian denominations justified in denouncing homosexual behaviors but tolerant of homosexual orientations? The article reveals that not all sexual orientations have corresponding sexual behaviors, but sexual orientations influence sexual behaviors and the choice of a sex partner. Individuals determine their sexual identity through their preferred sexual orientation and not through their sexual behaviors or choice of a sex partner. Consequently, it is incorrect to focus on sexual behaviors or the gender of sex partners to respond to issues on sexual identity. Jesus' statement in Matthew 5:28 shows that unhealthy sexual orientation is as toxic as unhealthy sexual behavior. It is, therefore, inconsistent for a Christian community to strictly condemn sexual behaviors in same-sex relations while tolerating homoneoticism.

Keywords: homosexual, sexual behavior, sexual expression, sexual identity, sexual orientation.

Introduction

Sexual expressions determine nearly all issues about the relationship between the genders. It shapes people's identities. Recent emphasis on human rights and freedom has opened the gateway for various sexual expressions outside

Sexuality And Fertility Christian Ethical Perspectives:

Sexuality and Fertility Nigel M. de S. Cameron, Chandra Sethurajan, 1989 *Psychological and Medical Perspectives on Fertility Care and Sexual Health* Kim Bergman, William D. Petok, 2021-10-21 *Psychological and Medical Perspectives on Fertility Care and Sexual Health* provides the necessary specialized training of sexual dysfunction and sex therapy to those in reproductive medicine. Understanding and knowledge about these sexual dysfunctions is needed for reproductive specialists to identify sexual problems, provide treatment if they are able, or make appropriate referrals and coordinate care for more specialized and specific needs as part of the patients' overall reproductive medical management. This must have reference explores the intimate interface of sexuality and fertility, male and female sexual function, cultural influences on women, Eastern medicine, and more. Provides the first of its kind book for clinicians that summarizes literature and interventions and brings together the current researchers and thinkers on this topic. Explores diverse populations typically left out, including lesbian, gay, bisexual, transgender individuals, women, and people of color. Presents a treatment dilemma for many health care providers: should one condition be treated before the other, or should concurrent services be offered? Identifies common sexual problems, dysfunctions presented by infertility patients. Describes interventions for these problems and identifies resources for appropriate treatment of sexual dysfunction. Theology of Marriage in the Era of HIV and AIDS Emily Reimer-Barry, 2015-04-09 *Marriage for Life* begins by listening to the lived experiences of Catholic married HIV positive women in order to better understand their struggles. The eight women interviewed in Chicago, Illinois, USA, shared their stories of marriage, family life, church involvement, and of living with HIV. Their candid reflections offer a fresh and grounded perspective on the challenges of living with HIV in a US context. After listening to and learning from these women's experiences, Reimer Barry constructs a theology of Christian marriage that is life-giving in a world with AIDS. While Catholic teachings have developed and now affirm the equal dignity of women and men, troubling legacies of women's subordination remain embedded in liturgical practices and theological texts. Arguing that self-care is an indispensable component of a healthy marriage, Reimer Barry constructs a life-affirming theology of marriage that is sensitive to the struggles of her collaborators. She argues that marriage for life must promote the full flourishing of both partners, respect wives as equal partners with their husbands, and offer a coherent and empowering sexual ethic. Building on the wisdom of her collaborators' lived experiences, Reimer Barry examines the need for a more adequate Catholic response to HIV and AIDS, arguing that church communities should promote comprehensive sexual education, affirm both abstinence and condom use for HIV prevention, and actively work to reduce stigmatizing behaviors within church communities. She also unpacks the implications of marriage for life for Catholic liturgical practice, marriage preparation programs, sexual education programs, and family ministries. Modeling her method on what Pope Francis calls the art of accompaniment, Reimer Barry argues that Catholic theology of marriage must be renewed and updated so that all can plainly

African Christian Ethics Samuel Waje Kunhiyop, 2019-04-09 An introduction to African Christian ethics for Christian colleges and Bible schools African Christian Ethics is divided into two main parts The first deals with the theory of ethics while the second discusses practical issues The issues are grouped into the following six sections Socio Political Issues Financial Issues Marriage Issues Sexual Issues Medical Issues Religious Issues Each of these six section begins with a brief general introduction followed by the chapters dealing with specific issues in that area Each chapter begins with an introduction discusses traditional African thinking on the issue presents an analysis of relevant biblical material and concludes with some recommendations There are questions at the end of each chapter for discussion or personal reflection often asking students to reflect on how the discussion in the chapter applies to their ministry situation

Sexuality and Medicine: Ethical viewpoints in transition Earl E. Shelp, 1987 V 1 Conceptual roots v 2 Ethical viewpoints in transition Sexuality and Medicine E.E. Shelp, 2012-12-06 It may be unnecessary to some to publish a text on sexuality in 1986 since the popular press speaks of the sexual revolution as if it were over and was possibly a mistake Some people characterize society as too sexually obsessed and there is an undercurrent of desire for a return to a supposedly simpler and happier time when sex was not openly discussed displayed taught or even presumed contemplated Indeed we are experiencing something of a backlash against open sexuality and sexual liberation For example during the 60s and 70s tolerance of homosexual persons and homosexuality increased Of late there has been a conservative backlash against gay rights laws Sexual intercourse before marriage which had been considered healthy and good has been of late characterized as promiscuous In fact numerous articles have appeared about the growing popularity of sexual abstinence There is a renewed vigor in the fight against sex education in the schools and an anti pornography battle being waged by those on the right and those on the left who organize under the guise of such worthy goals as deterring child abuse and rape but who are basically uncomfortable with diverse expressions of sexuality One would hope that such trends and the ignorance about sex and sexuality that they reflect would not touch medical professionals That Dr

The Bond of Love: Catholic Teaching on Marriage & Sexual Ethics Willem Jacobus Cardinal Eijk, 2025-09-10 Contemporary attitudes toward marriage family life and human sexuality have undergone profound changes since the mid twentieth century spurred by a host of social and cultural factors Large segments of the population in the West now hold views on marriage and sexual ethics that are very different from the values and norms taught by the Church Indeed Catholic teaching on the truth of marriage and human sexuality is open to strong criticism including among groups of Catholics and seems at best poorly understood In The Bond of Love Willem Jacobus Cardinal Eijk provides a comprehensive and unflinching account of the Church s teaching on marriage and sexual ethics dispelling misconceptions and elucidating its truth with grace and clarity As he demonstrates far from being a set of arbitrary rules that constrain human freedom this teaching is instead a deep wisdom for human flourishing anchored in the truth of God and man divinely revealed within Scripture Tradition and the Gospel Eijk first locates Catholic teaching on marriage and sexuality in relation to the currently dominant views in Western society He follows this with an exposition of the fundamental starting point of the Church s teaching on the nature of marriage and sexuality rooted in theological anthropology Next discussed is the virtue of chastity the integration of the sexual faculties into the personality and what it requires of both married and unmarried persons The volume concludes by addressing practices and circumstances that violate the essence of marriage This powerful witness to the truth and beauty of Catholic teaching on marriage and sexual ethics is a vital resource for pastors teachers and all of the Church s faithful striving to live in the love and communion that is grounded in Christ

New Titles in Bioethics ,1995 **The Quest for Human Dignity in the Ethics of Pregnancy Termination** Tom Joel Obengo, 2016-06-22 The Quest for Human Dignity in the Ethics of Pregnancy

Termination describes and analyzes the problem of termination of pregnancy with special attention to its prevalence in Kenya where more than seven hundred abortions are performed daily on girls between fifteen and seventeen years of age. Although pregnancy termination is illegal in Kenya its practice goes on in the rural villages in homes in urban streets and in private clinics. The book focuses on the ethical quest for human dignity in the context of the church's response to the challenge of termination of pregnancy. It examines the perceptions and attitudes of various cadres of Christians such as church ministers, doctors and lawyers towards the problem. The book proposes ways and means by which the church in Kenya can approach the challenge of termination of pregnancy including those pregnancies arising out of rape and incest. Findings support the current legal framework that prohibits pregnancy termination but reveal a desire for change in the way the church deals with members who get unplanned pregnancies and those who terminate the same. The book suggests in addition that the church's role should emphasize counseling, teaching and pastoral care rather than excommunication and public rebuke.

History of Sexuality Nicky Huys, 2025-10-12. *History of Sexuality* delves into the intricate tapestry of human sexuality throughout the ages, exploring how societal norms, cultural shifts and historical events have shaped our understanding and expression of desire. From ancient civilizations to modern movements, this book examines the varying perceptions of sexuality across different cultures and epochs. It highlights key figures, groundbreaking events and the evolution of sexual rights, illuminating the struggles and triumphs within the realm of sexual identity. Richly researched and thoughtfully presented, this work offers a comprehensive overview that challenges readers to reflect on their own beliefs and the broader implications of sexuality in society. It serves not only as a historical account but also as a call for understanding and acceptance in a world where sexuality remains a vital aspect of human experience.

The Sexual Revolution Peter J. Elliott, 2023-01-21. The sexual revolution is part of wider and deeper developments happening in our world. It asserts the total freedom of the individual to behave as if the traditions of religion, the wisdom of philosophy and the realities of biology have no claim on how we live, especially in the area of sexuality. The author traces the history of the sexual revolution from the early days of the Enlightenment through Marxist movements to our own times and the failure of governments and even churches to defend sound principles for sexual behavior. He records the constant teaching of popes and Church councils and highlights their focus on the integration of sexual morality and personality within the contexts of human nature, marriage and the welfare of children. Bishop Elliott acknowledges that Catholic parents, teachers and pastors need guidance about sexual ethics. And so do high school and college students. To help them understand the teaching of the Church and affirm it, he offers not only the clarity that comes from a thorough understanding of the subject but also the pastoral sensitivity that has resulted from decades of service to the Church.

God, Morality, and Beauty Randall B. Bush, 2019-07-01. Randall B. Bush analyzes the ways unacknowledged axiological assumptions, e.g. about what is important, why human beings are valuing creatures and where the capacity to value comes from, prejudice the perspectives and approaches of various academic disciplines, especially

in the social sciences and the humanities The disciplines of ethics and aesthetics provide the most useful tools for a philosophy of value but academic overspecialization has compartmentalized and segregated these disciplines from others threatening to unravel the unity of conceptions of the moral and the beautiful in human existence Bush argues that a dialectical approach to conflicts between ethics and aesthetics can point to a broader axiological vision informed by a Trinitarian conception of reality in which the whole a coherent theory of value is more than the sum of its parts **T&T**
